# aigo Smart Watch UM98 User Manual

Model: UM98 | Brand: aigo

## INTRODUCTION

---

Welcome to the aigo Smart Watch UM98 user manual. This guide provides essential information for setting up, operating, and maintaining your new smartwatch.

Figure 1: aigo Smart Watch UM98

## WHAT'S IN THE BOX

Ensure all items are present before proceeding with setup:

- aigo Smart Watch UM98
- Magnetic Charging Cable
- Faux Leather Strap

- Sports Band

## SETUP

---

### 1. Charging the Smart Watch

Before first use, fully charge your aigo UM98.

1. Connect the magnetic charging cable to the charging points on the back of the watch.
2. Plug the USB end of the cable into a standard USB power adapter (not included) or a computer's USB port.
3. The watch display will indicate charging status. A full charge typically takes approximately 2 hours.

# Charge by Magnet

**270mAH Battery**  
7 days of use

**IP68**  
Waterproof

## 2. App Installation and Pairing

To unlock the full functionality of your aigo UM98, download and install the companion application on your smartphone.

1. Scan the QR code in the watch's manual or on the watch screen (if available) to download the "Wearfit Pro" app, or search for "Wearfit Pro" in your smartphone's app store (iOS 11.0+ or Android 5.0+ required).
2. Open the "Wearfit Pro" app and follow the on-screen instructions to create an account or log in.
3. Enable Bluetooth on your smartphone.

4. In the app, navigate to the device pairing section and search for your aigo UM98.
5. Select your watch from the list of available devices to initiate pairing. Confirm the pairing request on both your watch and smartphone.

Your browser does not support the video tag.

## OPERATING INSTRUCTIONS

---

### Basic Navigation

- **Touchscreen:** Swipe left, right, up, or down to navigate through menus and features. Tap to select.
- **Side Buttons:** Use the physical buttons on the side for power on/off, returning to the home screen, or accessing specific functions as configured.

### Making and Receiving Calls

The aigo UM98 allows you to make and receive calls directly from your wrist when connected to your smartphone via Bluetooth.

- To make a call: Access the dialer or contacts list on the watch.
- To receive a call: An incoming call notification will appear on the watch; tap to answer or decline.

## Customizable Watch Faces

Personalize your watch with a variety of watch face options available through the "Wearfit Pro" app. You can also switch between the included faux leather and sports bands to match your style.

## MAINTENANCE

- Cleaning:** Wipe the watch and bands regularly with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and mild soap, then dry thoroughly.
- Water Resistance:** The aigo UM98 has an IP68 waterproof rating, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for up to 30 minutes. It is suitable for daily use and light water activities but not recommended for diving or high-pressure water activities.
- Avoid Chemicals:** Do not use harsh chemicals, cleaning solvents, or strong detergents to clean the watch, as they may damage the finish or internal components.
- Temperature:** Avoid exposing the watch to extreme temperatures (hot or cold) or sudden temperature changes.

## TROUBLESHOOTING

Problem	Possible Solution
Watch does not turn on.	Ensure the watch is fully charged. Connect to the magnetic charger and wait a few minutes before attempting to power on.
Cannot pair with smartphone.	<ul style="list-style-type: none"> <li>Ensure Bluetooth is enabled on your smartphone.</li> <li>Make sure the watch is within range of your smartphone.</li> <li>Restart both the watch and the smartphone.</li> <li>Check if the "Wearfit Pro" app is updated to the latest version.</li> <li>Forget the device in your phone's Bluetooth settings and try pairing again.</li> </ul>
Inaccurate health data.	<ul style="list-style-type: none"> <li>Ensure the watch is worn snugly on your wrist, not too tight or too loose.</li> <li>Clean the sensors on the back of the watch.</li> <li>Avoid excessive movement during measurements.</li> </ul>
