## 4. SETUP

## 4.1 Charging the Headphones

Connect the Type-C charging cable to the charging port located on the in-line control unit of the headphones. A full charge typically takes approximately 1.5 hours. The LED indicator will illuminate to show the charging status and turn off once fully charged.

## 4.2 Bluetooth Pairing

1. Ensure the SoundPEATS Q30 HD+ headphones are powered off.
2. Press and hold the multi-function button (center button on the in-line control) for approximately 3-5 seconds until the LED indicator flashes red and blue alternately. This indicates that the headphones are in pairing mode.
3. Enable Bluetooth on your smartphone, tablet, or other Bluetooth-enabled device.
4. Search for and select 'SoundPEATS Q30 HD+' from the list of available Bluetooth devices.
5. Once successfully connected, the LED indicator on the headphones will turn solid blue, and you may hear a voice prompt confirming the connection.

# 5. OPERATING INSTRUCTIONS

---

## 5.1 Power On/Off

- **Power On:** Press and hold the multi-function button for 3 seconds.
- **Power Off:** Press and hold the multi-function button for 3 seconds.

## 5.2 Volume Control

- **Volume Up:** Short press the '+' button.
- **Volume Down:** Short press the '-' button.

## 5.3 Music Playback

- **Play/Pause:** Short press the multi-function button once.
- **Next Track:** Press and hold the '+' button for 2 seconds.
- **Previous Track:** Press and hold the '-' button for 2 seconds.

## 5.4 Call Management

- **Answer/End Call:** Short press the multi-function button once.
- **Reject Call:** Press and hold the multi-function button for 2 seconds.
- **Switch Call:** During a call, press and hold the multi-function button for 2 seconds to switch between the headphones and your phone.

## 5.5 Voice Assistant

- **Activate Voice Assistant:** Double-press the multi-function button.

## 6. MAINTENANCE

To ensure the longevity and optimal performance of your SoundPEATS Q30 HD+ headphones, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging port with a soft, dry, lint-free cloth. Avoid using harsh chemicals, cleaning solvents, or strong detergents.
- **Storage:** When not in use, store the headphones in the provided carrying case to protect them from dust, moisture, and physical damage.
- **Temperature:** Avoid exposing the headphones to extreme temperatures (hot or cold) as this can shorten battery life and affect performance.
- **Water Exposure:** While IPX5-rated for sweat and splash resistance, do not submerge the headphones in water or expose them to heavy rain. Ensure the charging port cover is securely closed.

## 7. TROUBLESHOOTING

### 7.1 Cannot Pair with Device

- Ensure the headphones are in pairing mode (LED flashing red and blue).
- Check if Bluetooth is enabled on your device.
- Move the headphones closer to your device (within 10 meters).
- Clear any previous pairing records for 'SoundPEATS Q30 HD+' on your device's Bluetooth settings and try pairing again.
- Restart both your headphones and your device.

### 7.2 No Sound or Low Volume

- Check the volume levels on both the headphones and your connected device.
- Ensure the headphones are properly connected to your device. If not, try re-pairing.
- Test with different audio files or applications.

### 7.3 Charging Issues

- Ensure the Type-C charging cable is securely connected to both the headphones and the power source.
- Try using a different charging cable or power adapter.
- Check if the charging port on the headphones is clean and free of debris.
