SETUP GUIDE

1. Unboxing and Initial Charge

Upon receiving your UMIDIGI G5 Tab Kids, carefully unbox all components. The package includes the tablet, a USB Type-C cable, and a user manual. It is recommended to fully charge the tablet before its first use.

Video: An unboxing demonstration of the UMIDIGI G5 Tab Kids tablet, showing included accessories.

2. Power On and Language Selection

Press and hold the power button located on the side of the tablet until the screen lights up. Follow the on-screen prompts to select your preferred language and region.

3. Wi-Fi Connection

Connect the tablet to a stable Wi-Fi network. This is essential for downloading apps, updates, and accessing online content. Navigate to Settings > Network & Internet > Wi-Fi and select your network, then enter the password.

4. Google Account Setup

Sign in with an existing Google account or create a new one. This account will be used for accessing the Google Play Store, Google Kids Space, and other Google services.

5. Parental Control Configuration

The UMIDIGI G5 Tab Kids comes with a dedicated Parental Control Mode. It is highly recommended to configure these settings immediately after initial setup to ensure a safe environment for your child.

- **Set Age-Based Content Filters:** Restrict access to inappropriate content based on your child's age.
- **Manage Screen Time Limits:** Define daily usage limits and bedtime restrictions.
- **Control App Access:** Select which applications your child can use.
- **Website Management:** Block or allow specific websites.
- **Multiple Accounts:** Create personalized profiles for each child.

OPERATING INSTRUCTIONS

1. Navigation and Interface

The tablet runs on Android 13, offering an intuitive and fluid user interface. Use touch gestures to navigate:

tap to select, swipe to scroll, and pinch to zoom.

Video: A demonstration of basic operations and navigation on the UMIDIGI G5 Tab Kids tablet.

2. Pre-installed Apps and Kids Park

The tablet comes with Kids Park, a pre-installed application offering a variety of educational and entertainment content, including Montessori, STEM, arts, crafts, English, and Math activities. Additional apps like Google Kids Space, Disney, PBS Kids, Nickelodeon, and HOMER are also available.

3. Downloading New Applications

Access the Google Play Store to download new games and educational apps. Ensure parental controls are active to manage downloads and in-app purchases.

4. Camera Usage

The tablet features dual cameras: a 13MP rear camera and an 8MP front camera. Open the Camera app to capture photos and videos. The cameras are designed for ease of use by children.

5. Eye Care Features

The G5 Tab Kids incorporates several features to protect children's eyes:

- **Blue Light Filter:** Reduces eye strain during prolonged use.
- **eBook Mode:** Provides a paper-like reading experience.
- **Posture Alerts:** Reminds children to maintain an upright sitting posture.
- **Brightness Alerts:** Notifies users if screen brightness is too high or low.
- **Bumpy Road Alerts:** Advises against using the tablet in unstable environments.

MAINTENANCE

1. Cleaning the Tablet

To clean the screen, use a soft, lint-free cloth. For the protective case, mild soap and water can be used. Ensure the tablet is powered off and disconnected from charging before cleaning.

2. Battery Care

The tablet is equipped with a 6000mAh Li-Polymer battery. To prolong battery life, avoid extreme temperatures and do not leave the tablet fully discharged for extended periods. Use the provided USB Type-C cable for charging.

Image: Details on the 6000mAh battery capacity and estimated usage times for different activities.

3. Storage Management

The tablet has 128GB of internal storage, expandable up to 1TB with a Micro SD card. Regularly check storage usage and delete unnecessary files or apps to maintain optimal performance.

TROUBLESHOOTING

1. Tablet Not Powering On

- Ensure the battery is charged. Connect the tablet to the charger and wait a few minutes before attempting to power on again.
- If unresponsive, perform a soft reset by holding the power button for 10-15 seconds.

2. Wi-Fi Connection Issues

- Check if Wi-Fi is enabled in Settings.
- Restart your Wi-Fi router.
- Forget the network and reconnect by re-entering the password.

3. Apps Crashing or Freezing

- Close and reopen the app.
- Clear the app's cache and data in Settings > Apps.
- Ensure the tablet's software and apps are up to date.

4. Slow Performance

- Close unused background applications.
- Free up storage space by deleting unnecessary files.
- Restart the tablet periodically.
