VERMESS TJCBZ-GO

VERMESS Computer Desk Instruction Manual

Model: TJCBZ-GO

1. Introduction

Thank you for choosing the VERMESS Computer Desk. This manual provides comprehensive instructions for the safe and efficient assembly, operation, and maintenance of your new desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Figure 1: Fully assembled VERMESS Computer Desk.

2. Safety Information

Important Safety Precautions:

- Ensure the total weight on the desk does not exceed 100 pounds. Overloading can compromise stability and cause damage.
- Be cautious when assembling the desk, especially when using sharp tools or handling heavy components. It is recommended to have two people for assembly.
- Always maintain a stable and secure environment for the desk, particularly if it is used with a monitor stand or CPU stand. Ensure the desk is placed on a level surface.
- Keep small parts and packaging materials away from children to prevent choking hazards.

3. Package Contents

Before beginning assembly, please verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

Figure 2: All components and hardware included in the package.

Parts List:

- A x1 (Long Monitor Shelf)
- B x1 (Main Desktop)
- C x1 (Keyboard Tray Board)
- D x1 (CPU Stand Board)
- E x3 (Left Vertical Frame)
- F x1 (Left Vertical Frame with Rivet Holes)

G x1 (Left Crossbar)

H x1 (Left Top Bar)

I x1 (Right Vertical Frame)

J x1 (Keyboard Tray Mechanism Left)

K x1 (Keyboard Tray Mechanism Right)

L x1 (Right Vertical Frame with Rivet Holes)

M x1 (Right Vertical Frame)

N x2 (Back Crossbar)

O x2 (Side Crossbar)

Hardware List:

1 x10 (Long Screws)

2 x20 (Medium Screws)

3 x12 (Short Screws)

4 x5 (Nuts)

5 x1 (Allen Wrench)

6 x8 (Adjustable Feet)

7 x4 (Small Screws)

8 x1 (Wrench)

4. Assembly Instructions

Follow these step-by-step instructions carefully. It is recommended to assemble the desk on a soft, clean surface to prevent scratches. An assembly video is provided below for visual guidance.

Your browser does not support the video tag.

Video 1: VERMESS 47in Computer Desk with Keyboard Tray Installation Guide.
This video demonstrates the complete assembly process for the VERMESS Computer Desk, including attaching frames, shelves, keyboard tray, and monitor stand.

Step-by-Step Assembly:

1. **Prepare the Frames:** Attach the adjustable feet (Part 6) to the bottom of all vertical frames (Parts E, F, L, M). Ensure the two extra rivet holes on Part F face outward.
2. **Assemble Left Shelf Unit:** Connect the two left vertical frames (Parts E and F) using the small board (Part D) and the crossbar (Part G). Attach the top bar (Part H) and the keyboard tray mechanism (Part J) to complete the left side. Ensure the screw hole of Part H faces in and outward, not up and down. Make sure the keyboard tray mechanism on Part J is closer to Part E.

3. **Assemble Right Shelf Unit:** Similarly, connect the two right vertical frames (Parts L and M) using the small board (Part D). Attach the other keyboard tray mechanism (Part K) to Part L, ensuring it stays closer to the side without rivet holes.
4. **Connect the Main Desktop:** Place the main desktop (Part B) onto the assembled left and right shelf units. Secure it with the provided screws.
5. **Install Monitor Stand and Crossbars:** Attach the long monitor shelf (Part A) to the top of the main desktop using the designated supports. Finally, install the back crossbars (Part N) and side crossbars (Part O) to enhance stability.

Note: *Do not fully tighten all screws until the entire desk is assembled and aligned. Once all parts are in place, tighten all screws securely.*

5. Operating Instructions

Ergonomic Monitor Stand:

The integrated monitor stand (3.7" height) is designed to elevate your screen to an ergonomic viewing height. This helps to reduce neck and back strain, promoting a more comfortable and healthy posture during extended use.

Figure 3: Ergonomic benefits of the monitor stand.

Smooth Keyboard Tray:

The pull-out keyboard tray provides a convenient space for your keyboard and mouse, keeping your main desktop clear for other items. It is designed for smooth operation and can accommodate most standard 108 or 87-key keyboards.

Figure 4: Smooth keyboard tray in use.

Ample Storage Shelves:

The desk features two-tier storage shelves and a dedicated CPU stand shelf, offering ample space for your computer tower, books, office supplies, and other personal items, helping to keep your workspace organized.

Figure 5: Ample storage space for various items.

6. Maintenance

To ensure the longevity and appearance of your VERMESS Computer Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Avoid Excessive Moisture:** Protect the desk from prolonged exposure to moisture or direct sunlight, which can cause warping or fading.
- **Weight Distribution:** Distribute weight evenly across the desktop and shelves to prevent stress on specific areas.

7. Troubleshooting

Common Issues and Solutions:

- **Desk Wobbles:**
  - Ensure all screws are fully tightened.
  - Check if the desk is on a level surface. Use the adjustable feet to compensate for uneven floors.
  - Verify that the X-cross bars (Part N and O) are correctly installed and tightened, as they provide significant stability.
- **Missing Parts:**
  - Refer to the "Package Contents" section and the provided parts diagram.
  - If parts are genuinely missing, contact VERMESS customer service immediately for assistance.
- **Difficulty with Keyboard Tray:**
  - Ensure the keyboard tray mechanisms (Parts J and K) are installed correctly, with the proper orientation as shown in the assembly video.
  - Check for any obstructions in the sliding mechanism.

8. Specifications

Feature	Detail
Brand	VERMESS
Model Number	TJCBZ-GO
Product Dimensions	20.87"D x 47.24"W x 30.31"H
Color	Gray Oak
Style	Modern
Base Material	Alloy Steel
Top Material Type	Wood (MDF-board)
Special Features	CPU Stand, Keyboard Tray Included, Monitor Stand, Storage Shelves
Maximum Weight Recommendation	100 Pounds
Assembly Required	Yes
Included Components	Storage Shelf
