GoKBNY KJ7

GoKBNY KJ7 Replacement Filter Instruction Manual

For Loytio KJ7 Air Purifier

1. INTRODUCTION

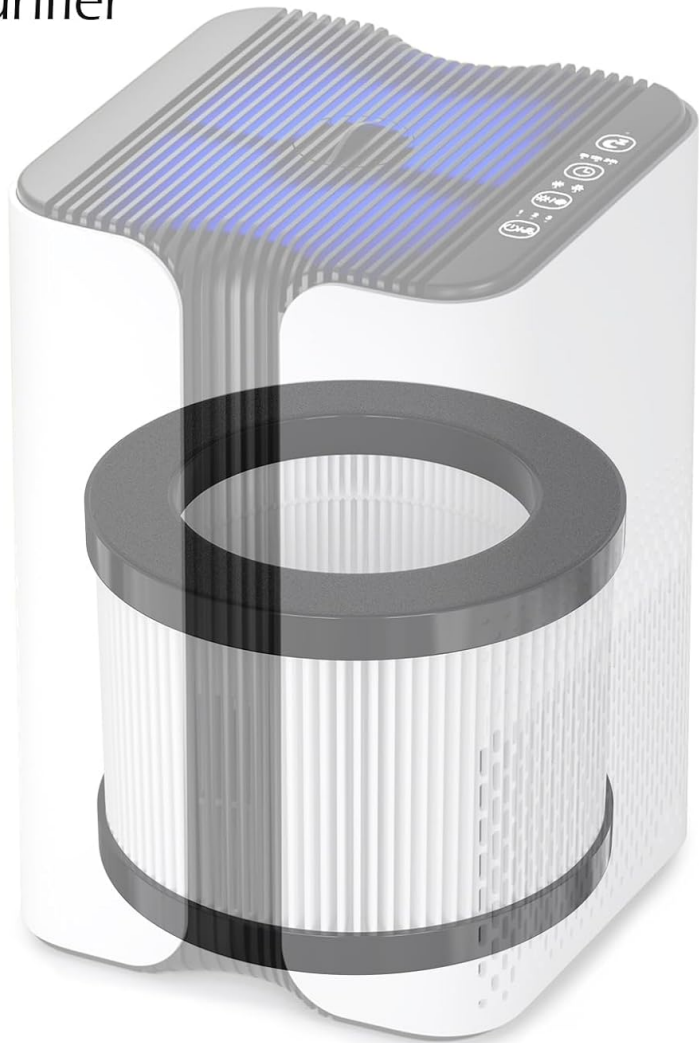

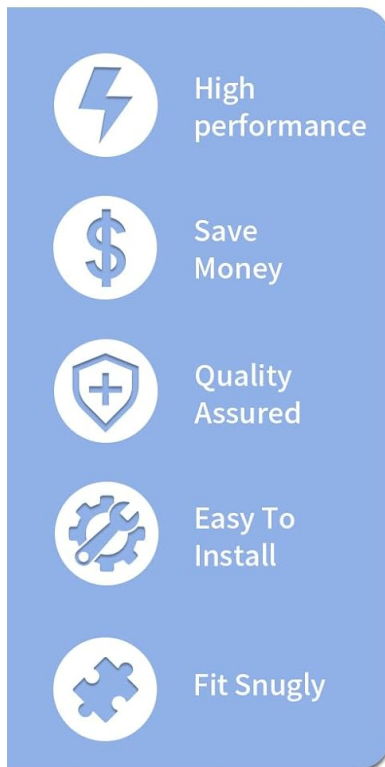

This manual provides essential information for the proper installation, maintenance, and replacement of your GoKBNY KJ7 Replacement Filter. This filter is specifically designed for compatibility with the Loytio KJ7 Air Purifier to ensure optimal performance and air quality.

2. PRODUCT OVERVIEW

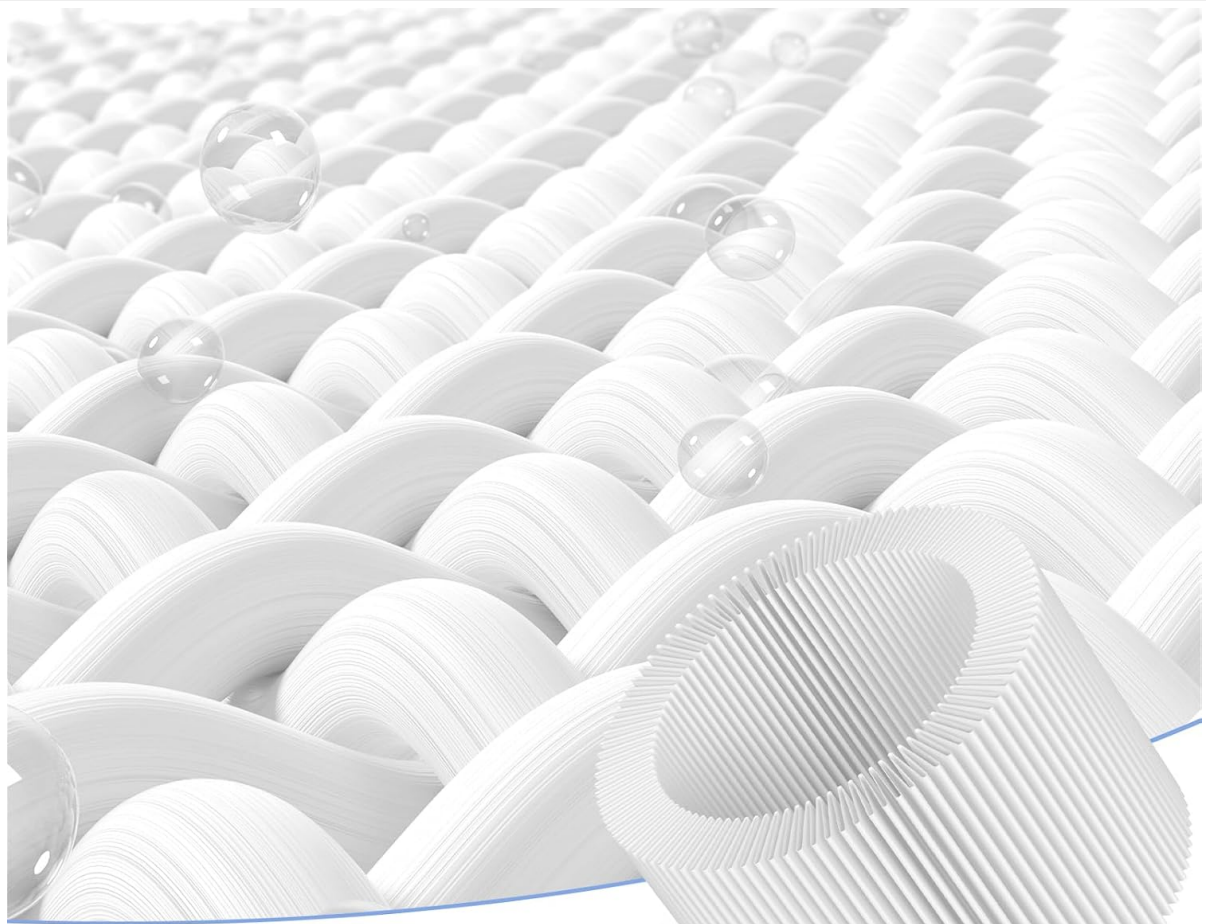

The GoKBNY KJ7 Replacement Filter is a high-performance filter engineered to capture various airborne particles and improve indoor air quality. It features a True HEPA filtration system and is designed for 360-degree air intake.

Compatible with

LOYTIO KJ7 Air Purifier

This image illustrates the GoKBNY KJ7 Replacement Filter's compatibility with the Loytio KJ7 Air Purifier, emphasizing its key benefits such as high performance, cost-effectiveness, guaranteed quality, ease of installation, and a secure fit within the device.

True HEPA Filter

Captures up to 99.97% of airborne particles as small as 0.3 microns such as pollen, fine dust, pet dander.

A detailed view of the True HEPA filter material, demonstrating its advanced filtration capabilities to capture up to 99.97% of airborne particles, including pollen, fine dust, and pet dander, as small as 0.3 microns.

This diagram visually represents how the replacement filter contributes to a healthy environment by effectively removing common indoor air pollutants such as smoke, cooking odors, pet dander, pollen, and general dust particles.

3. SAFETY INFORMATION

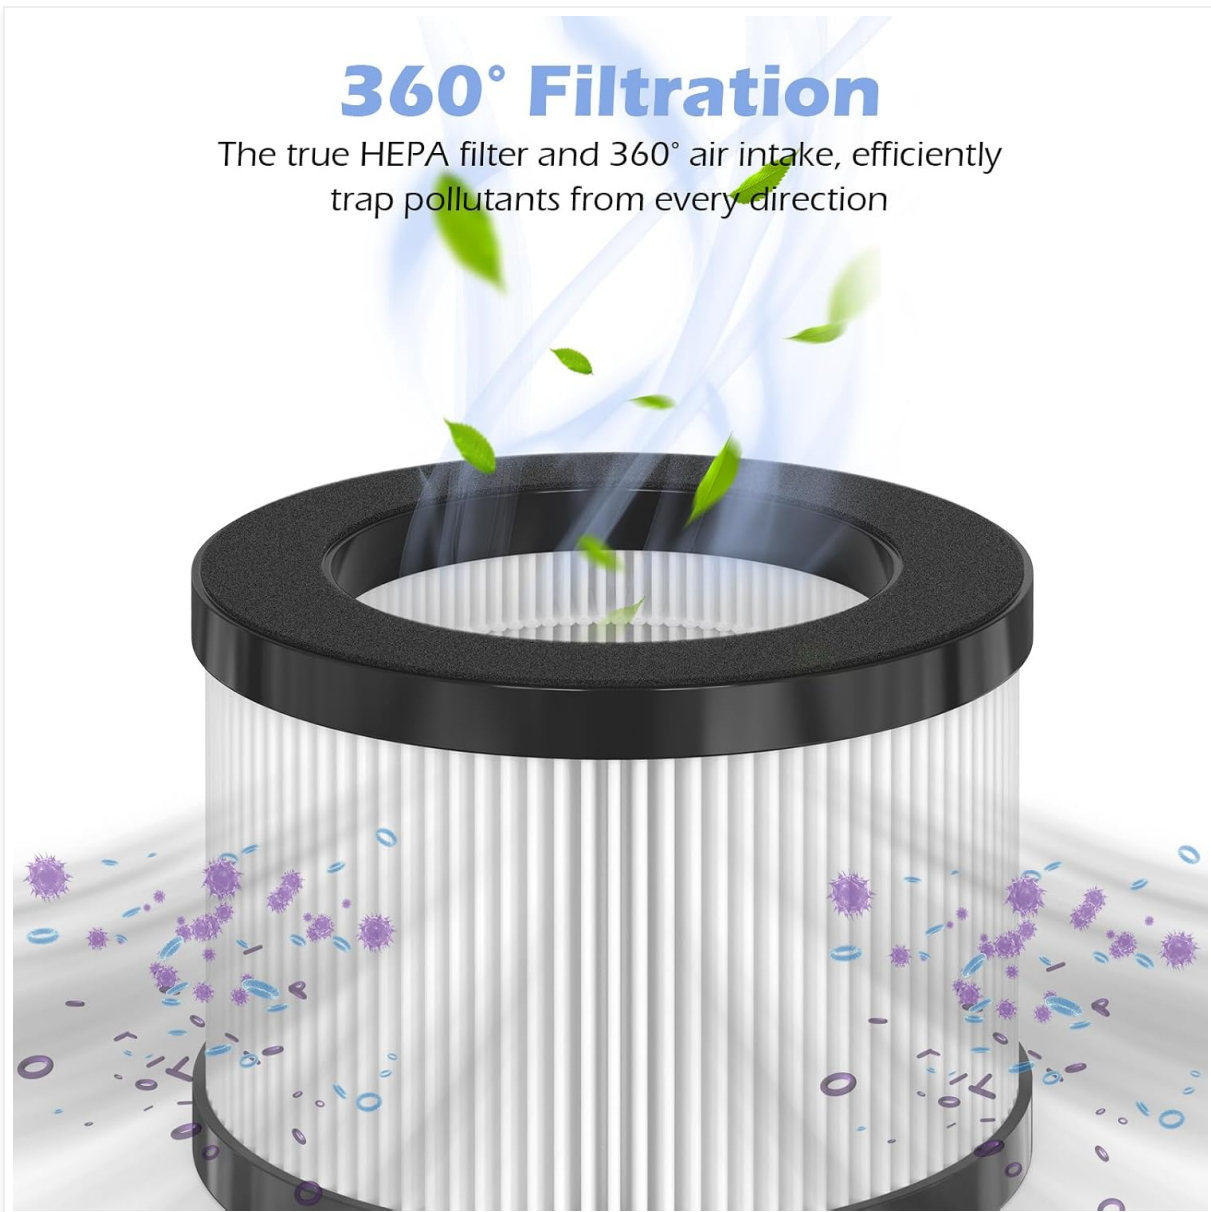

- Always unplug the air purifier from the power outlet before attempting to replace the filter.
- Keep replacement filters out of reach of children and pets.
- Do not wash or reuse the filter. It is designed for single use and disposal.
- Dispose of used filters according to local regulations.

4. INSTALLATION INSTRUCTIONS

Replacing the GoKBNY KJ7 filter is a simple process that requires no tools.

1. **Power Off:** Ensure the Loytio KJ7 Air Purifier is turned off and unplugged from the power source.
2. **Access Filter Compartment:** Locate the filter compartment on your Loytio KJ7 Air Purifier. Refer to your purifier's original manual if you are unsure how to open it.
3. **Remove Old Filter:** Carefully remove the used filter from the compartment. It may be dusty, so handle it over a waste bin.

4. **Unpack New Filter:** Remove the new GoKBNY KJ7 Replacement Filter from its protective packaging.
5. **Insert New Filter:** Place the new filter into the compartment, ensuring it fits snugly and is oriented correctly.
6. **Close Compartment:** Securely close the filter compartment door or cover.
7. **Restore Power:** Plug the air purifier back into the power outlet and turn it on. Reset the filter life indicator if your purifier has this feature.

An illustration depicting the 360-degree filtration mechanism, where the true HEPA filter and omnidirectional air intake efficiently capture pollutants from every angle, ensuring comprehensive air purification.

5. MAINTENANCE

For optimal performance of your Loytio KJ7 Air Purifier, regular filter replacement is crucial. The GoKBNY KJ7 Replacement Filter is designed for a specific lifespan.

- **Filter Replacement Schedule:** It is recommended to replace the filter every 3-4 months. This timeframe may vary depending on air quality, usage frequency, and environmental factors.
- **Filter Cleaning:** The replacement filter itself cannot be cleaned and should not be washed.

Attempting to clean it will damage the filter media and reduce its effectiveness.

- **Purifier Exterior:** Periodically wipe the exterior of your Loytio KJ7 Air Purifier with a soft, dry cloth to remove dust. Ensure the device is unplugged before cleaning.

**Superior
Performance**

This image shows the air purifier, equipped with the replacement filter, functioning in a home environment, highlighting its superior performance in maintaining clean air for occupants.

6. TROUBLESHOOTING

If you encounter issues after replacing your filter, consider the following:

- **Filter Not Fitting:** Ensure you have the correct replacement filter (GoKBNY KJ7) for your Loytio KJ7 Air Purifier. Double-check the orientation of the filter during installation.
- **Air Purifier Not Operating:** Verify that the filter compartment is securely closed. Some air purifiers have a safety mechanism that prevents operation if the compartment is not properly sealed. Also, ensure the device is correctly plugged into a working power outlet.
- **Reduced Airflow/Efficiency:** If the filter was recently replaced, ensure it was removed from all plastic packaging. If the issue persists, the filter might be defective, or the purifier itself may require servicing.
- **Filter Indicator Light Still On:** After replacing the filter, you may need to manually reset the filter life

indicator on your Loytio KJ7 Air Purifier. Refer to your purifier's manual for specific instructions on how to reset this indicator.

7. SPECIFICATIONS

Feature	Specification
Brand	GoKBNY
Model	KJ7 Replacement Filter
Compatible Devices	Loytio KJ7 Air Purifier
Material	Cardboard (Filter Frame)
Item Weight	0.26 Kilograms
