## BUPPLEE LYOT-103

# BUPPLEE Adirondack Chair Model LYOT-103 Instruction Manual

Model: LYOT-103

## 1. SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

### 1.1 Important Safety Warnings

- **Maximum Weight Capacity:** Do not exceed 350 pounds (158.75 kg). Exceeding this weight limit may cause the chair to break or tip over, leading to injury.
- Ensure all fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand on the chair.
- Keep small children and pets away from the assembly area. Small parts may pose a choking hazard.
- Use on a flat, stable surface to prevent tipping.

Load-Bearing Capacity: **450LBS**

## 2. PRODUCT OVERVIEW

The BUPPLEE Adirondack Chair is designed for outdoor use, offering comfort and durability with its weather-resistant HDPE poly lumber construction.

## 2.1 Key Features

- **Durable and Stable:** Components are securely connected with fasteners; triangular leg structure enhances stability.
- **Weather Resistant HDPE Material:** Made from high-density polyethylene, resistant to cracking, sturdy, and durable against sun, rain, or snow.
- **Comfortable Angles:** Curved extended backrest and 105° tilt angle for deep, comfortable seating.
- **Convenient Cup Holder:** Integrated cup holder in the armrest.
- **Easy to Install and Maintain:** Comes with complete instructions, accessories, and tools. Simple to clean with a damp cloth.
- **Foldable Design:** Allows for easy storage and transport.

### 3. ASSEMBLY INSTRUCTIONS

The BUPPLEE Adirondack Chair is designed for easy assembly. All necessary accessories, tools, and illustrations are included. Assembly typically takes 15 to 20 minutes for one person.

#### 3.1 Package Contents

Before starting, ensure all parts and hardware are present. Refer to the included parts list in your package.

#### 3.2 Step-by-Step Assembly

1. Unpack all components and lay them out on a clean, flat surface.
2. Identify the pre-assembled seat board and back board.
3. Attach the side armrests to the seat and back sections using the provided screws and tools.
4. Secure the front and rear leg supports.
5. Ensure all screws are tightened, but do not overtighten.
6. Test the stability of the chair before use.

Image 3.2: Details of pre-drilled holes and pre-assembled components that simplify the assembly process.

### 4. OPERATION

The BUPPLEE Adirondack Chair is designed for comfortable relaxation in various outdoor settings.

#### 4.1 Using the Chair

- Sit gently into the chair, allowing the curved backrest and 105° tilt to provide optimal comfort.
- Utilize the integrated cup holder for beverages.
- The chair is suitable for use on patios, porches, lawns, backyards, decks, gardens, and during camping.

## 4.2 Folding for Storage/Transport

The chair features a foldable design for convenient storage and portability.

1. Locate the pins on each side of the chair's lower frame.
2. Pull out the pins to release the locking mechanism.
3. Gently push the backrest forward and fold the chair flat.
4. Re-insert the pins to secure the folded position if applicable, or store flat.

Image 4.1: The chair's foldable design allows for easy storage and transport.

## 5. MAINTENANCE

The HDPE material of your BUPPLEE Adirondack Chair requires minimal maintenance.

### 5.1 Cleaning

- Wipe clean with a damp cloth.
- For tougher stains, a mild soap solution can be used. Rinse thoroughly with water.
- Air drying is sufficient.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the material.

### 5.2 Storage

- While weather-resistant, storing the chair indoors or covering it during prolonged periods of extreme weather (e.g., heavy snow, strong winds) can extend its lifespan.
- The foldable design makes storage convenient.

## 6. TROUBLESHOOTING

This section addresses common issues you might encounter.

### 6.1 Stability Issues

- If the chair feels wobbly, check all screws and fasteners to ensure they are securely tightened.
- Ensure the chair is placed on a level surface. Uneven ground can affect stability.

## 6.2 Difficulty Folding/Unfolding

- Ensure the locking pins are fully disengaged before attempting to fold or unfold.
- Check for any obstructions in the folding mechanism.

## 7. SPECIFICATIONS

Detailed product specifications for the BUPPLEE Adirondack Chair Model LYOT-103.

Feature	Specification
Brand	BUPPLEE
Model Name	LYOT-103
Color	Black
