MAXYOYO M-B01-bb-Dgrey-full

MAXYOYO Giant Bean Bag Chair Bed Instruction Manual

Model: M-B01-bb-Dgrey-full

PRODUCT OVERVIEW

The MAXYOYO Giant Bean Bag Chair Bed is a versatile furniture piece designed for comfort and adaptability. It functions as both a spacious bean bag chair and a convertible floor mattress bed, suitable for various living spaces. This product features high-density foam filling for optimal support and a machine-washable cover for easy maintenance.

SETUP AND INITIAL USE

Upon receiving your MAXYOYO Giant Bean Bag Chair Bed, it will be compressed for shipping. Allow approximately 2-3 hours for the high-density support foam to fully expand and fluff up. Once expanded, the foam will distribute evenly without clumping, providing consistent comfort and support.

OPERATING INSTRUCTIONS: CHAIR TO BED CONVERSION

The MAXYOYO Bean Bag Chair Bed is designed for easy conversion between a chair and a floor mattress. To convert the bean bag from a chair to a bed:

1. Locate the long zipper that runs along the bean bag cover.
2. Unzip the outer cover completely.
3. Remove the inner cushion from the cover.
4. Unfold and flatten the inner cushion to transform it into a floor mattress.

To convert it back to a chair, simply fold the mattress and slide it back into the outer cover, then zip it up.

MAINTENANCE

The outer cover of your MAXYOYO Bean Bag Chair Bed is made from breathable premium corduroy fabric, which is soft, skin-friendly, and machine washable for easy cleaning. The long zipper allows for simple removal and reattachment of the cover.

- **Washing Instructions:** Machine wash the cover in cold water on a gentle cycle.
- **Drying Instructions:** Tumble dry on low heat or air dry. Do not bleach.
- In case of spills or stains, promptly remove the cover and wash to maintain its condition.

COMFY AND MULTIFUNCTIONAL

Magic Bean Bag Chair Turn into a Bed

TROUBLESHOOTING

- **Foam Expansion:** If the foam does not fully expand after initial unboxing, gently knead and fluff the bean bag to help distribute the foam and encourage expansion. Ensure it has ample space to expand for the recommended 2-3 hours.
- **Cover Removal/Attachment:** The cover features a long zipper for easy removal. If you encounter difficulty, ensure the zipper is fully unzipped before attempting to remove or attach the cover.
