5. MAINTENANCE AND CARE

- **Cleaning the Case:** Wipe the case regularly with a soft, damp cloth. For stubborn dirt, use a mild soap solution and then wipe dry. Avoid harsh chemicals or abrasive materials.
- **Cleaning the Screen Protector:** Use a microfiber cloth to gently wipe the screen protector. For smudges, a screen cleaner spray designed for electronics can be used.
- **Avoid Extreme Conditions:** Do not expose the product to extreme temperatures, direct sunlight for prolonged periods, or corrosive liquids.

6. TROUBLESHOOTING

If you encounter any issues, please refer to the following common solutions:

- **Ring Support Stiffness:** If the ring support feels stiff, gently rotate it a few times in both directions to loosen the mechanism. Avoid forcing it beyond its intended range of motion.
