

## Honor X9a 5G

# Generic Protective Wallet Phone Case for Honor X9a 5G Instruction Manual

## INTRODUCTION

---

This manual provides instructions for the Generic Protective Wallet Phone Case, designed specifically for the Honor X9a 5G (model RMO-NX1). This case offers comprehensive protection, a convenient card slot, and compatibility with magnetic car mounts. Please read this manual thoroughly to ensure proper use and care of your new phone case.

## SETUP

---

### Installing the Phone Case

1. Ensure your Honor X9a 5G phone is clean and free of dust or debris.
2. Align the phone with the case, starting with one side.
3. Gently press the phone into the case, ensuring all corners and edges are securely seated. The flexible TPU material allows for easy installation while providing a snug fit.
4. Verify that all ports, buttons, and camera lenses are correctly aligned with the case's cutouts.

## OPERATING FEATURES

---

### Card Slot Functionality

The integrated card slot allows you to carry essential cards such as ID, credit cards, or transit passes directly with your phone. This eliminates the need for a separate wallet.

- To insert a card: Gently slide the card into the designated slot on the back of the case.
- To remove a card: Push the card out from the bottom opening of the slot.

## Magnetic Car Mount Compatibility

This case features a magnetic design that allows it to be securely attached to compatible magnetic car mounts. This provides a hands-free solution for navigation or calls while driving.

- Ensure your car mount is magnetic and properly installed in your vehicle.
- Simply place the back of the phone case onto the magnetic surface of the car mount. The case will adhere securely.

## Protection Features

The case is constructed from a 3-in-1 combination of PC (Polycarbonate), TPU (Thermoplastic Polyurethane), and PU (Polyurethane) materials, providing robust protection against drops and impacts. It features full edge protection and raised bezels to safeguard the screen and camera.

- **Anti-Fall Shockproof:** The multi-layer construction absorbs shock from accidental drops, protecting your device from damage.

- **Screen Protection:** The front edges of the case are raised higher than the screen surface, preventing direct contact when placed face down.
- **Camera Protection:** A raised bezel around the camera module protects the lenses from scratches and impacts.

# ANTI-SEISMIC ANTI-DROP

Protection extends to inside of the case and outer bumper both of which provide shock-absorption

## MAINTENANCE

To maintain the appearance and functionality of your phone case, follow these simple guidelines:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth to remove dust and fingerprints. For tougher stains, a mild soap solution can be used, followed by rinsing and air-drying. Avoid harsh chemicals or abrasive cleaners.
- **Avoid Extreme Conditions:** Do not expose the case to extreme temperatures, direct sunlight for prolonged periods, or sharp objects, as this may cause discoloration or damage to the material.
- **Card Slot Care:** Avoid overfilling the card slot, as this can stretch the material and reduce its ability to securely hold cards over time.

## TROUBLESHOOTING

Most issues with a phone case are related to installation or general wear. If you encounter problems, consider the following:

- **Improper Fit:** If the case does not fit snugly or ports are misaligned, remove the phone and re-install it carefully, ensuring all edges snap into place.
- **Cards Falling Out:** If cards are not held securely, check if the slot is overfilled or if the material has stretched due to prolonged overstuffing. Consider reducing the number of cards.
- **Magnetic Mount Issues:** Ensure your car mount is functioning correctly and that no foreign objects are interfering with the magnetic connection between the case and the mount.

## SPECIFICATIONS

Feature	Detail
Compatible Phone Models	Honor X9a 5G
Material	PC + TPU + PU
Color	Gr (Grey/Green)
Form Factor	Basic Case with Wallet Feature
Special Features	Card Slot, Magnetic Car Mount Compatible, Anti-Fall Shockproof, Screen & Camera Protection
