MAINTENANCE

Proper care will extend the life and maintain the appearance of your nightstand.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth followed immediately by a dry cloth can be used. Avoid abrasive cleaners or harsh chemicals.
- **Rattan Care:** The natural rattan drawer front should be kept dry. Avoid prolonged exposure to direct sunlight or high humidity, which can cause the rattan to dry out or become brittle.
- **Spills:** Immediately wipe up any spills to prevent moisture damage to the wood or rattan.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
