DIFFMELY X2000

DIFFMELY X2000-Black Diffuser Ultra Instruction Manual

Brand: **DIFFMELY** | Model: **X2000**

1. INTRODUCTION

The DIFFMELY X2000-Black Diffuser Ultra is an advanced HVAC scent diffuser designed for large areas, capable of covering up to 5300 sq ft independently or integrating with a full air system. It features Bluetooth control for fully automatic operation and utilizes patented two-fluid atomization technology for efficient and long-lasting fragrance diffusion.

The X2000-Black Diffuser Ultra is designed for large coverage areas, up to 5300 sq ft, and can be connected to a fresh air system.

This diffuser utilizes a two-fluid atomization system, a patented technology that creates a fine mist for extensive and lasting scent

diffusion without needing water dilution.

Key Features:

- Large Coverage Area: Up to 5300 sq ft for independent use, or connectable to HVAC/air systems.
- Fully Automatic Operation: 24/7 Bluetooth control system.
- Patented Atomization Technology: Two-fluid system for fine mist and stable, lasting fragrance.
- Durable Design: All-metal shell with magnetic lock for security.
- Capacity: Equipped with a 7 Fl Oz (200ml) bottle.

2. SETUP

2.1 Unpacking and Placement

Carefully remove the diffuser from its packaging. Ensure the unit is placed on a stable, level surface or mounted securely if connecting to an air system. The device requires a power source to operate.

2.2 Filling the Oil Bottle

1. Locate the magnetic lock on the diffuser and open it to access the oil bottle compartment.
2. Carefully remove the empty oil bottle.
3. Unscrew the cap of the oil bottle.
4. Fill the bottle with your desired essential oil. **Important: Do not dilute essential oils with water.**
5. Screw the cap back onto the bottle securely.
6. Insert the filled bottle back into the diffuser compartment and close the magnetic lock.

Accessing the large capacity 200ml oil bottle via the magnetic lock for refilling.

2.3 Connecting to HVAC/Air System (Optional)

If you intend to connect the diffuser to your HVAC or fresh air system, use the provided corrosion-resistant and cuttable hose (120cm/47 inches). Ensure proper installation to evenly inject oil molecules into the air circulation system.

The diffuser can be connected to a fresh air system using the provided hose for wider scent distribution.

3. OPERATION

3.1 Powering On

Connect the diffuser to a power outlet. The device will power on automatically.

3.2 Bluetooth Control System

The DIFFMELY X2000-Black Diffuser Ultra is primarily controlled via a Bluetooth-enabled mobile application. This allows for comprehensive scheduling and setting adjustments.

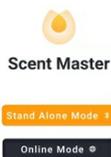

- Download the App:** Search for "Scent Master" in your device's App Store (supports Android & iOS). You can also scan the QR code provided in the manual image below.
- Connect to Device:** Open the "Scent Master" app. In the homepage interface, click "Stand Alone Mode" or search for devices.
- Enter Password:** A dialog box will pop up asking for a password. Enter the initial password **9999**. If you forget a modified password, press the restore button on the device for 5 seconds until you hear "did" twice to reset it to 9999.
- Configure Settings:** Once connected, you can modify the device name, set working modes, adjust fan speed (low/high), and set the working switch.
- Schedule Settings:** Within the app, you can set specific working periods (e.g., 24h * 7d), define start and end times, and adjust frequency settings (work time and pause time) using sliding adjustments.

Bluetooth User Manual

1. Scan the QR code of the top left corner or search the "Scent Master" app in the app store to download and install.

2. Open the app homepage interface, click [Stand Alone Mode] (as shown in Figure 1)

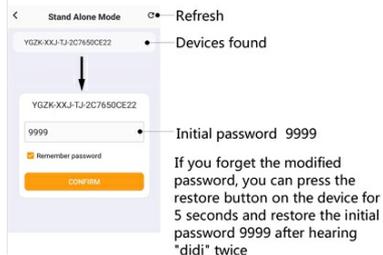

3. Click the search device to pop up the password input dialog box and enter the initial password 9999 (as shown in Figure 2)

Ios store
Android Store
search for: scent master

Download app

The Bluetooth control system allows for intelligent management of the diffuser via the 'Scent Master' app.

Napoleon

Scan the QR code or search for 'Scent Master' in your app store to download the control application. Initial password is 9999.

GIN

The app allows detailed configuration of working modes, including week settings, period time, and frequency (work time/pause time).

4. MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your DIFFMELY X2000-Black Diffuser Ultra.

- **Oil Refill:** Refer to Section 2.2 for instructions on refilling the essential oil bottle. Always use pure essential oils; **do not dilute essential oils with water.**
- **Cleaning:** Periodically wipe the exterior of the diffuser with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Nozzle Maintenance:** While the patented atomization technology is designed to prevent clogging, if you notice reduced mist output, ensure the oil bottle is correctly seated and the oil is not overly viscous.

5. TROUBLESHOOTING

If you encounter issues with your diffuser, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No mist output or weak mist	Oil bottle empty or improperly installed; nozzle clogged; incorrect settings.	Check oil level and ensure bottle is seated correctly. Verify app settings for work time and pause time. Ensure essential oil is not diluted.
Device not powering on	Not connected to power; power outlet issue.	Ensure the power cord is securely plugged into the device and a working power outlet.

Problem	Possible Cause	Solution
Bluetooth connection issues	Bluetooth off on device; app not recognizing diffuser; incorrect password.	Ensure Bluetooth is enabled on your mobile device. Restart the app. Reset the diffuser password to 9999 by pressing the restore button for 5 seconds.
Pump is loud	Possible internal issue.	If the pump is unusually loud from the start, this may indicate a manufacturing defect. Contact customer support if the issue persists.

6. SPECIFICATIONS

Feature	Detail
Brand	DIFFMELY
Model Name	X2000
Color	Black
Scent	X2000-Black
Recommended Uses	Home, Office, Business
Material	Aromatherapy Diffuser (All metal shell)
