YITAHOME MAYIHFFc0b

YITAHOME Outdoor Swivel Bar Stools Instruction Manual

Model: MAYIHFFc0b

INTRODUCTION

Thank you for choosing the YITAHOME Outdoor Swivel Bar Stools. This manual provides essential information for the safe assembly, operation, maintenance, and troubleshooting of your new bar stools. Please read these instructions carefully before assembly and retain them for future reference.

SAFETY INFORMATION

WARNING:

- Do not exceed the maximum weight capacity of **352 lbs (160 kg)** per chair. Exceeding this limit may result in injury or product damage.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Avoid improper use of the swivel mechanism, such as excessive force or standing on the chair, which may lead to instability or damage.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Assemble on a soft, clean surface to prevent scratching the product.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact YITAHOME customer support.

- Swivel Bar Stool Frames (2 sets)
- Seat Cushions (2)
- Back Pillows (2)
- Assembly Hardware (bolts, washers, nuts, wrench)
- Instruction Manual

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is recommended with two people for ease and safety. Lay out all components on a soft, flat surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging. Identify and separate all hardware.
2. **Assemble the Base:** Attach the leg sections to the central swivel mechanism. Ensure the footrest ring is correctly oriented. Do not fully tighten bolts at this stage.
3. **Attach the Seat Frame:** Secure the seat frame to the assembled base. Align the screw holes carefully. It may require maneuvering the pieces to align and thread correctly.
4. **Install Backrest and Armrests:** Attach the backrest and armrests to the seat frame. Ensure the modern back design is facing the correct direction.
5. **Tighten All Hardware:** Once all parts are loosely assembled, gradually tighten all bolts using the provided wrench. Ensure the bolt goes through the hole, followed by a flat washer, then a lock washer, and finally the nut. Do not overtighten.
6. **Place Cushions:** Position the seat cushion and back pillow onto the assembled chair.

OPERATING INSTRUCTIONS

Your YITAHOME Outdoor Swivel Bar Stools are designed for comfortable outdoor seating with a smooth swivel function.

- **Swivel Function:** The chairs feature a 360-degree smooth swivel mechanism. To rotate, simply apply gentle pressure with your body in the desired direction. Avoid sudden, forceful movements.
- **Cushion Use:** The included springy sponge cushions and pillows provide optimal comfort. They are made with waterproof fabric, suitable for outdoor use. For prolonged life, store cushions indoors during heavy rain or off-season.
- **Armrests:** The curve-fit armrests are ergonomically designed for comfortable support during extended periods of sitting.

360° FREE SWIVEL FOR EXTRA COMFORT

Sturdy steel bottom bracket allows for 360 degree rotation function, offering extra leisure and relaxation

Image: The 360-degree free swivel feature of the bar stool, illustrating its rotational capability.

MODERN BACK DESIGN

-  Sturdy
-  Anti-rust
-  Weather Resistant

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your outdoor swivel bar stools.

- **Cleaning:** Wipe clean with a damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Frame Care:** The heavy-duty steel frame is covered with a high-performance powder coating for rust and weather resistance. Inspect the frame periodically for any signs of wear or rust, and touch up with appropriate outdoor paint if necessary.
- **Cushion Care:** While the fabric is waterproof, it is recommended to store cushions indoors during

inclement weather or when not in use for extended periods to prevent fading and prolong their lifespan. Clean cushions with mild soap and water, then air dry completely.

- **Hardware:** Periodically check all bolts and nuts to ensure they remain tight. Re-tighten as needed to maintain stability.
- **Winter Storage:** During winter months or prolonged periods of non-use, it is advisable to store the chairs in a dry, protected area to prevent damage from extreme weather conditions.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Difficulty aligning screw holes during assembly	Parts not perfectly aligned; screws may be slightly short.	Have a second person assist in holding and maneuvering parts. Apply gentle pressure to align holes. Do not fully tighten any bolts until all are in place.
Screws stripping during tightening	Overtightening; using incorrect tool.	Use the provided wrench and tighten only until snug. Avoid excessive force. If a screw head strips, contact customer support for replacement hardware.
Chair feels wobbly after assembly	Bolts not fully tightened; uneven assembly.	Ensure all bolts are securely tightened. Place the chair on a flat surface and gently rock it to settle the frame, then re-tighten any loose bolts.
Swivel mechanism is stiff or noisy	Lack of lubrication; debris in mechanism; damaged bearings.	Apply a silicone-based lubricant to the swivel mechanism. Clean any visible debris. If bearings have fallen out or are damaged, contact customer support.
Cushions appear faded or worn	Prolonged exposure to sun and elements.	Store cushions indoors when not in use or during harsh weather. Consider using outdoor furniture covers for the chairs.

SPECIFICATIONS

- **Brand:** YITAHOME
- **Model Number:** MAYIHFFc0b
- **Color:** Red (as per current variant)
- **Material:** Metal (Frame)
- **Item Dimensions (L x W x H):** 29.13 x 25.59 x 45.28 inches (74 x 65 x 115 cm)
- **Item Weight:** 50.7 pounds (23 kg) per chair
- **Weight Capacity:** 352 lbs (160 kg) per chair
- **Included Components:** Cushion, Pillow
- **Style:** Candy Back
- **Care Instructions:** Wipe Clean

WARRANTY AND SUPPORT

YITAHOME products are designed for quality and durability. For specific warranty information, please refer to the documentation included with your purchase or visit the official YITAHOME website. If you encounter any issues or require assistance with your product, please contact YITAHOME customer support:

- **Website:** www.yitahome.com (Note: This is a placeholder URL, please refer to your product's specific support contact information.)
- **Email:** Refer to your purchase documentation.
- **Phone:** Refer to your purchase documentation.

Please have your model number (MAYIHFFc0b) and proof of purchase ready when contacting support.
