

Kikkaboo Kara

Kikkaboo Kara 2-in-1 Stroller User Manual

Model: Kara | ASIN: B0CLG3RQKQ

1. INTRODUCTION

Thank you for choosing the Kikkaboo Kara 2-in-1 Stroller. This versatile system is designed to accompany your child from birth up to a weight of 22 kg, offering both a comfortable bassinet for newborns and a functional sport seat for older infants and toddlers. This manual provides detailed instructions for assembly, operation, maintenance, and safety to ensure a secure and enjoyable experience for you and your child.

The Kikkaboo Kara 2-in-1 Stroller in grey, featuring both the bassinet and sport seat options, accompanied by the matching diaper bag. This image illustrates the complete system.

2. SAFETY INSTRUCTIONS

Always prioritize your child's safety. Read and understand all instructions before using the stroller. Failure to follow these instructions could result in serious injury.

- Never leave your child unattended in the stroller.
- Ensure all locking devices are engaged before use.
- Always use the 5-point harness system to secure your child.
- Do not overload the storage basket; refer to specifications for maximum weight.
- The stroller is suitable for children from birth up to 22 kg.
- Ensure your child is clear of any moving parts when making adjustments.

- Regularly check the stroller for loose parts, damage, or wear. Discontinue use if any issues are found.
- Do not use accessories or spare parts other than those approved by Kikkaboo.

3. COMPONENTS

The Kikkaboo Kara 2-in-1 Stroller system includes the following main components:

- Aluminum Frame with wheels
- Bassinet with mattress topper
- Sport Seat (reversible)
- Diaper Bag with changing mat
- Rain Cover
- Adapter for car seat (car seat not included)
- Foot covers for both bassinet and sport seat

This image displays the primary components of the Kikkaboo Kara 2-in-1 Stroller system: the stroller frame with the sport seat attached, the standalone bassinet, and the accompanying diaper bag.

4. SETUP (ASSEMBLY)

4.1. Frame Assembly

1. **Unfolding the Frame:** Place the folded frame on a flat surface. Release the folding lock and lift the handlebar until the frame clicks into its fully open position. Ensure all parts are securely locked.
2. **Attaching the Wheels:** Insert the front and rear rubber wheels into their respective slots on the frame until they click into place. Pull on the wheels to ensure they are securely attached. The front wheels feature 360-degree rotation and a locking mechanism for straight-line travel.

This series of images illustrates the folding and unfolding process of the Kikkaboo Kara stroller, from its fully assembled frame to its compact folded state, highlighting the ease of storage and transport.

4.2. Bassinet Installation

1. Align the bassinet with the attachment points on the stroller frame.
2. Press down firmly until you hear a click, indicating it is securely locked.
3. Always check that the bassinet is firmly attached before placing your child inside. The bassinet includes a comfortable mattress topper.

This image shows the Kikkaboo Kara stroller with the bassinet securely attached, providing a clear view of the bassinet's design and how it integrates with the stroller frame.

4.3. Sport Seat Installation

1. To install the sport seat, align it with the attachment points on the frame.
2. Push down until it clicks into place. The sport seat is reversible, allowing your child to face you or face forward.
3. Ensure the seat is securely locked before use.

This image displays the Kikkaboo Kara stroller configured with the sport seat, including a view with the rain cover installed and a close-up of the adjustable canopy and seat design.

5. OPERATING

5.1. Adjustments

- **Handlebar:** The faux leather handlebar is 4-way adjustable. Press the buttons on either side of the handle and move it to your desired height.
- **Sun Canopy:** The adjustable sun canopy features a zipper, sun visor, and a window. It is made from waterproof fabrics with UPF 50+ protection. Adjust by pushing or pulling the canopy.
- **Backrest:** The sport seat backrest is 3-way adjustable. Locate the recline lever/button on the back of the seat and adjust to the desired position (upright, semi-recline, full recline).
- **Footrest:** The footrest is 5-way adjustable. Use the buttons on the sides of the footrest to raise or lower it to suit your child's comfort.

This set of images demonstrates the various adjustable features of the Kikkaboo Kara stroller, such as the multi-position handlebar and the different recline angles for the sport seat.

5.2. Harness System

The stroller is equipped with a 5-point safety harness. Always secure your child using all five points of the harness. Adjust the straps to ensure a snug fit without being too tight.

5.3. Brake System

The stroller features a one-touch rear brake. Press the brake pedal down firmly to engage the brake. Ensure the stroller is stationary before placing or removing your child. Lift the pedal to release the brake.

5.4. Removable Front Bar

The front bar can be removed for easier access when placing or removing your child. Press the release buttons on either side of the bar and pull it away from the seat.

5.5. Storage Basket

A convenient storage basket is located under the seat for carrying essentials. Do not exceed the maximum weight limit specified in the 'Specifications' section.

5.6. Folding the Stroller

The stroller features a compact folding mechanism. Ensure the seat is in the correct position (usually forward-facing and upright) before attempting to fold. Follow the instructions provided in the quick start guide or refer to the manufacturer's video for detailed folding steps. Always ensure the folding lock engages after folding for safe transport and storage.

A detailed view of the Kikkaboo Kara stroller, emphasizing its aesthetic and functional design elements, which may include aspects of its folding mechanism or adjustable components.

6. MAINTENANCE

- **Cleaning:** The stroller's fabrics are waterproof. Wipe clean with a damp cloth and mild soap. Do not use harsh detergents or abrasive cleaners. Allow to air dry completely before folding or storing.
- **Wheels:** Regularly check the wheels for debris (e.g., hair, dirt) and remove them to ensure smooth operation. Lubricate axles periodically with a silicone-based lubricant.
- **Frame:** Wipe the aluminum frame with a soft, damp cloth. Dry thoroughly to prevent rust.
- **Storage:** Store the stroller in a dry, cool place away from direct sunlight and extreme temperatures.

7. TROUBLESHOOTING

If you encounter any issues with your Kikkaboo Kara stroller, please refer to the following common troubleshooting tips:

- **Stroller not folding/unfolding smoothly:** Check for any obstructions in the folding mechanism. Ensure the seat is in the correct position for folding. Lubricate moving parts if necessary.
- **Wheels squeaking or not turning:** Clean any debris from the wheel axles. Apply a small amount of silicone lubricant to the axles. Ensure wheels are properly attached.
- **Brake not engaging/disengaging:** Check for obstructions around the brake mechanism. Ensure the brake pedal is fully pressed or released.
- **Harness difficult to buckle/unbuckle:** Ensure no fabric is caught in the buckle. Clean the buckle if it appears dirty.

If the problem persists, please contact Kikkaboo customer support.
