## SAFETY INFORMATION

### Read all safety instructions before assembly and use.

- Always assemble and disassemble the table with care to avoid injury.
- Do not exceed the maximum weight recommendation of 19.96 kg (approximately 44 pounds) on the tabletop.
- Be cautious of pinch points when adjusting or folding the table.
- Always engage the brakes on the casters when the table is in a stationary position to prevent accidental movement.
- Ensure the table is properly assembled and stable before use to prevent tipping or collapse.
- Always follow the assembly instructions provided.

## SETUP AND ASSEMBLY

This table requires assembly. Follow these guidelines for a smooth setup process.

### General Assembly Tips:

- Use the correct size screwdriver to prevent stripping screws. The screwdriver tip should fit firmly without sideways wobble.
- If using a power drill, set it to a low torque to avoid overtightening and damaging components.
- Lay out all pieces and identify them before starting. Ensure all holes with plastic sleeves are facing up.
- When attaching hinges for the drop leaves, ensure screws are positioned perpendicularly (90 degrees) to the table surface to ensure proper alignment.

## Dimensions and Configurations:

The table can be configured in three ways:

- **Fully Folded:** 29.5" W x 9.1" D x 29.1" H (75 x 23 x 74 cm)
- **Half Folded (One Leaf Up):** 29.5" W x 31.5" D x 29.1" H (75 x 80 x 74 cm)
- **Fully Extended (Two Leaves Up):** 29.5" W x 55.1" D x 29.1" H (75 x 140 x 74 cm)

## OPERATING INSTRUCTIONS

### Expanding and Folding the Table:

1. To extend a leaf, gently lift the side tabletop. The support leg will swing out automatically. Ensure the support leg is fully extended and locked into place before applying weight.
2. To fold a leaf, release the locking mechanism for the support leg (if present) and gently push the support leg back into its stored position while lowering the tabletop.

## Using the Casters:

The table is equipped with two lockable casters for easy movement and stability.

- To move the table, ensure the caster brakes are disengaged.
- To secure the table in place, engage the brakes on both casters.

## 2 LOCKABLE WHEELS

Ensure easy folding and expansion

### Utilizing Storage Shelves:

The central section of the table features two tiers of shelves for convenient storage of items such as dinnerware, condiments, or small kitchen accessories. These shelves are protected by the side tabletops when they are folded down.

## CONVENIENT STORAGE

## MAINTENANCE

To ensure the longevity and appearance of your HOMCOM Folding Dining Table, follow these maintenance guidelines:

- **Cleaning:** The table surface is made of particleboard with a smooth melamine coating. Wipe clean with a damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary to maintain stability.
- **Casters:** Keep the casters free of debris to ensure smooth rolling.

## TROUBLESHOOTING

If you encounter any issues with your table, refer to the following common problems and solutions:

- **Table feels unstable or wobbly:**

Ensure all assembly screws and fasteners are securely tightened. Verify that the support legs for the drop leaves are fully extended and locked into place when in use. Check that the casters are locked when the table is stationary.

- **Drop leaves do not align properly:**

During assembly, ensure that all hinge screws are inserted perpendicularly. If already assembled, carefully loosen hinge screws, adjust alignment, and retighten.

- **Difficulty moving the table:**

Check that the caster brakes are fully disengaged. Clear any obstructions or debris from around the casters. Ensure the table is on a suitable surface; movement may be difficult on thick carpets.

- **Difficulty pulling out support legs when folded:**

The support legs sit flush when folded. Gently pull from the bottom edge of the side panel to extend them.

Consider adding small knobs or pulls if frequent extension is needed.
