Stadler Form S-005A

Stadler Form Sophie Little Aroma Diffuser and Lantern User Manual

INTRODUCTION

The Stadler Form Sophie Little is a versatile device that combines the functions of an aroma diffuser and a lantern. Designed for both indoor and outdoor use, it features dimmable LED lighting that creates a realistic dancing flame effect, enhancing any environment. Simultaneously, it disperses your favorite essential oils, filling the space with a pleasant fragrance. Its elegant design is complemented by a practical bamboo handle, making it easy to transport. With its rechargeable battery, the Sophie Little can operate for up to 7 hours, providing continuous light and aroma.

SAFETY WARNINGS

- Do not expose the device directly to rain.
- The device features an automatic switch-off function when the water tank is empty.
- Use only pure, natural essential oils.
- Clean the aroma diffuser regularly to ensure optimal performance and longevity.
- Do not use the device while it is charging.

PRODUCT OVERVIEW

The Sophie Little is designed for ease of use and durability. Its upper part is made from robust polycarbonate, ensuring it is shatterproof. The device is also BPA/BPS free, making it a safe choice for your home environment.

SETUP

1. Carefully remove the top cover of the Sophie Little.
2. Fill the water tank to the 'MAX' line. Ensure not to overfill.
3. Add a few drops of your preferred essential oil directly into the water tank.
4. Replace the top cover securely.

Suitable for essential oils

Use your favourite scent

Figure 4: Add essential oils to the water tank for fragrance diffusion.

OPERATING INSTRUCTIONS

1. Press the power button to turn on the diffuser. The flame effect and aroma diffusion will begin.
2. Adjust the light and diffusion settings as needed using the control buttons. The LED flame effect is dimmable.
3. The device can be used wirelessly thanks to its rechargeable battery, offering up to 7 hours of operation.

Realistic flame effect

A safe alternative to candles

Capacity	50 Milliliters

TROUBLESHOOTING

If you encounter any issues with your Sophie Little Aroma Diffuser and Lantern, please refer to the following common troubleshooting steps:

- **No mist or weak mist:** Ensure the water tank is filled to the appropriate level and that the device is clean. Mineral buildup can obstruct mist output.
- **No light or flickering light:** Check if the device is charged. If operating on battery, ensure it has sufficient power.
- **Device not turning on:** Verify that the device is properly charged or connected to a power source (if applicable). Ensure the power button is pressed correctly.
- **Unusual odors:** Clean the water tank and diffuser thoroughly. Use only pure, natural essential oils as recommended.

If problems persist after following these steps, please contact customer support.

WARRANTY AND SUPPORT

The Stadler Form Sophie Little Aroma Diffuser and Lantern comes with a manufacturer's warranty. For specific warranty details, including coverage period and terms, please refer to the warranty card included with your product or visit the official Stadler Form website.

For technical support, replacement parts, or any other inquiries, please contact Stadler Form customer service through their official channels. Have your model number (S-005A) and purchase date ready when contacting support.
