Marea B63003003

Marea Smartwatch B63003/3 User Manual

Model: B63003003

INTRODUCTION

This manual provides comprehensive instructions for the Marea Smartwatch B63003/3. Please read this guide carefully to ensure proper use, optimal performance, and longevity of your device. This smartwatch offers a range of features including health monitoring, activity tracking, and smart notifications.

SETUP

1. Unboxing and Initial Charge

Carefully remove the smartwatch and all accessories from the packaging. Before first use, fully charge the device using the provided charging cable. Connect the charging cable to the smartwatch and a compatible USB power source. The battery capacity is 200mAh, and a full charge typically provides up to 2 days of use, depending on usage patterns.

2. Pairing with Your Smartphone

1. Download the official Marea smartwatch application from your smartphone's app store (available for both iOS and Android).
2. Ensure Bluetooth is enabled on your smartphone.
3. Open the Marea app and follow the on-screen instructions to create an account or log in.
4. Select "Add Device" or a similar option within the app. The app will search for nearby smartwatches.
5. Select "Marea B63003/3" from the list of discovered devices.
6. Confirm the pairing request on both your smartphone and the smartwatch.
7. Once paired, the smartwatch will synchronize data with your phone.

3. Basic Settings

- **Time and Date:** These will synchronize automatically upon successful pairing with your smartphone.

- **Language:** Adjust the device language through the companion app settings.
- **Notifications:** Configure which app notifications you wish to receive on your smartwatch via the companion app.

OPERATING INSTRUCTIONS

The Marea Smartwatch B63003/3 features a 1.8-inch touchscreen display for intuitive navigation. Swipe across the screen to access various functions and tap to select.

Key Features and Functions

Image: Overview of the Marea Smartwatch B63003/3 user interface icons, displaying various functions such as calorie tracking, distance, steps, heart rate, blood pressure, blood oxygen, sleep monitoring, sports modes, notifications, and more.

- **Activity Tracking:** Monitor calories burned, distance traveled, and steps taken. Set daily step goals.
- **Sleep Monitoring:** Tracks sleep patterns and quality.
- **Heart Rate Monitoring:** Continuous heart rate tracking and automatic heart rate tests.
- **Blood Pressure:** Measures blood pressure.
- **Blood Oxygen:** Measures blood oxygen levels.
- **Breathing Guide:** Provides guided breathing exercises.
- **Menstrual Cycle Tracking:** For women's health monitoring.
- **Sport Mode:** Multiple sport modes for tracking specific activities.
- **Sedentary Reminder:** Alerts you to move after periods of inactivity.
- **Notifications:** Receive call, social media, and email notifications directly on your watch. Read incoming messages.

- **Alarms:** Set and manage alarms.
- **Chronograph & Timer:** Stopwatch and countdown timer functions.
- **Weather:** Displays current weather information.
- **Calendar & World Clock:** Access calendar and view time in different zones.
- **Music Remote Control:** Control music playback on your paired smartphone.
- **Camera Remote Control:** Use your watch as a remote shutter for your smartphone camera.
- **Games:** Includes simple games.
- **Stock Market:** Access stock market information.
- **Customizable Watch Faces:** Choose and personalize your home screen.
- **Raise to Wake:** Screen turns on when you lift your wrist.
- **Always-On Display Mode:** Keeps the screen active.
- **Screensaver:** Screen protection feature.
- **Do Not Disturb Mode:** Silences notifications.
- **Anti-Loss:** Helps prevent losing your watch.
- **Find Phone:** Locates your paired smartphone.
- **Bedside Mode:** Optimized display for night use.
- **Password Lock:** Secure your device with a password.

MAINTENANCE

- **Cleaning:** Regularly clean the watch screen and strap with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used. Avoid harsh chemicals.
- **Water Resistance:** The smartwatch has an IP67 rating, meaning it is resistant to dust and can withstand immersion in water up to 1 meter for 30 minutes. It is suitable for daily use and light splashes but not recommended for swimming or showering.
- **Charging:** Use only the provided charging cable. Avoid overcharging the battery.
- **Storage:** When not in use for extended periods, store the smartwatch in a cool, dry place.
- **Strap Material:** The band is made of resin. Clean it gently to maintain its appearance and integrity.

TROUBLESHOOTING

Problem	Possible Solution
Watch does not turn on.	Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
Cannot pair with smartphone.	<ul style="list-style-type: none"> • Ensure Bluetooth is enabled on your phone and the watch. • Restart both the watch and your smartphone. • Make sure the watch is within Bluetooth range of your phone. • Check if the Marea app is updated to the latest version. • Forget the device in your phone's Bluetooth settings and try pairing again.

Problem	Possible Solution
Notifications are not received.	<ul style="list-style-type: none"> • Verify that notifications are enabled in the Marea app settings. • Check your phone's notification settings to ensure the Marea app has permission to send notifications. • Ensure the watch is not in "Do Not Disturb" mode. • Confirm the watch is properly connected via Bluetooth.
Inaccurate health data.	<ul style="list-style-type: none"> • Ensure the watch is worn snugly on your wrist, but not too tight. • Clean the sensor on the back of the watch. • Environmental factors and movement can affect readings.
Battery drains quickly.	<ul style="list-style-type: none"> • Reduce screen brightness. • Disable "Always-On Display" if not needed. • Limit background app refresh and frequent heart rate monitoring if possible. • Ensure no apps are running excessively in the background on the watch.
