

Baseus E13 TWS

Baseus E13 TWS Bowie Headphones User Manual

Model: E13 TWS

1. INTRODUCTION

Thank you for choosing the Baseus E13 TWS Bowie Headphones. This manual provides essential information for setting up, operating, and maintaining your new wireless earbuds. Please read it carefully before use to ensure optimal performance and longevity of your device.

2. PACKAGE CONTENTS

Verify that all items are present in your package:

- Baseus E13 TWS Bowie Headphones (Left and Right Earbuds)
- Charging Case
- USB Charging Cable
- Ear Cushions (various sizes)
- User Manual (this document)

4. SETUP

4.1 Charging the Earbuds and Case

1. **Initial Charge:** Before first use, fully charge the earbuds and charging case.
2. **Charging the Case:** Connect the provided USB charging cable to the charging port on the case and a compatible USB power source. The indicator light on the case will show charging status.
3. **Charging the Earbuds:** Place the earbuds into the charging case. Ensure they are correctly seated;

the indicator lights on the earbuds will confirm charging.

A full charge provides up to 30 hours of total playback time with the charging case.

4.2 Bluetooth Pairing

1. **Power On:** Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. **Activate Bluetooth:** On your device (smartphone, tablet, etc.), enable Bluetooth.
3. **Select Device:** Search for "Baseus E13" in the list of available Bluetooth devices and select it to connect.
4. **Confirmation:** A voice prompt will confirm successful pairing.

The earbuds will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.

4.3 App Control

Enhance your experience by downloading the official Baseus app. The app allows for customizable controls, EQ settings, and other features.

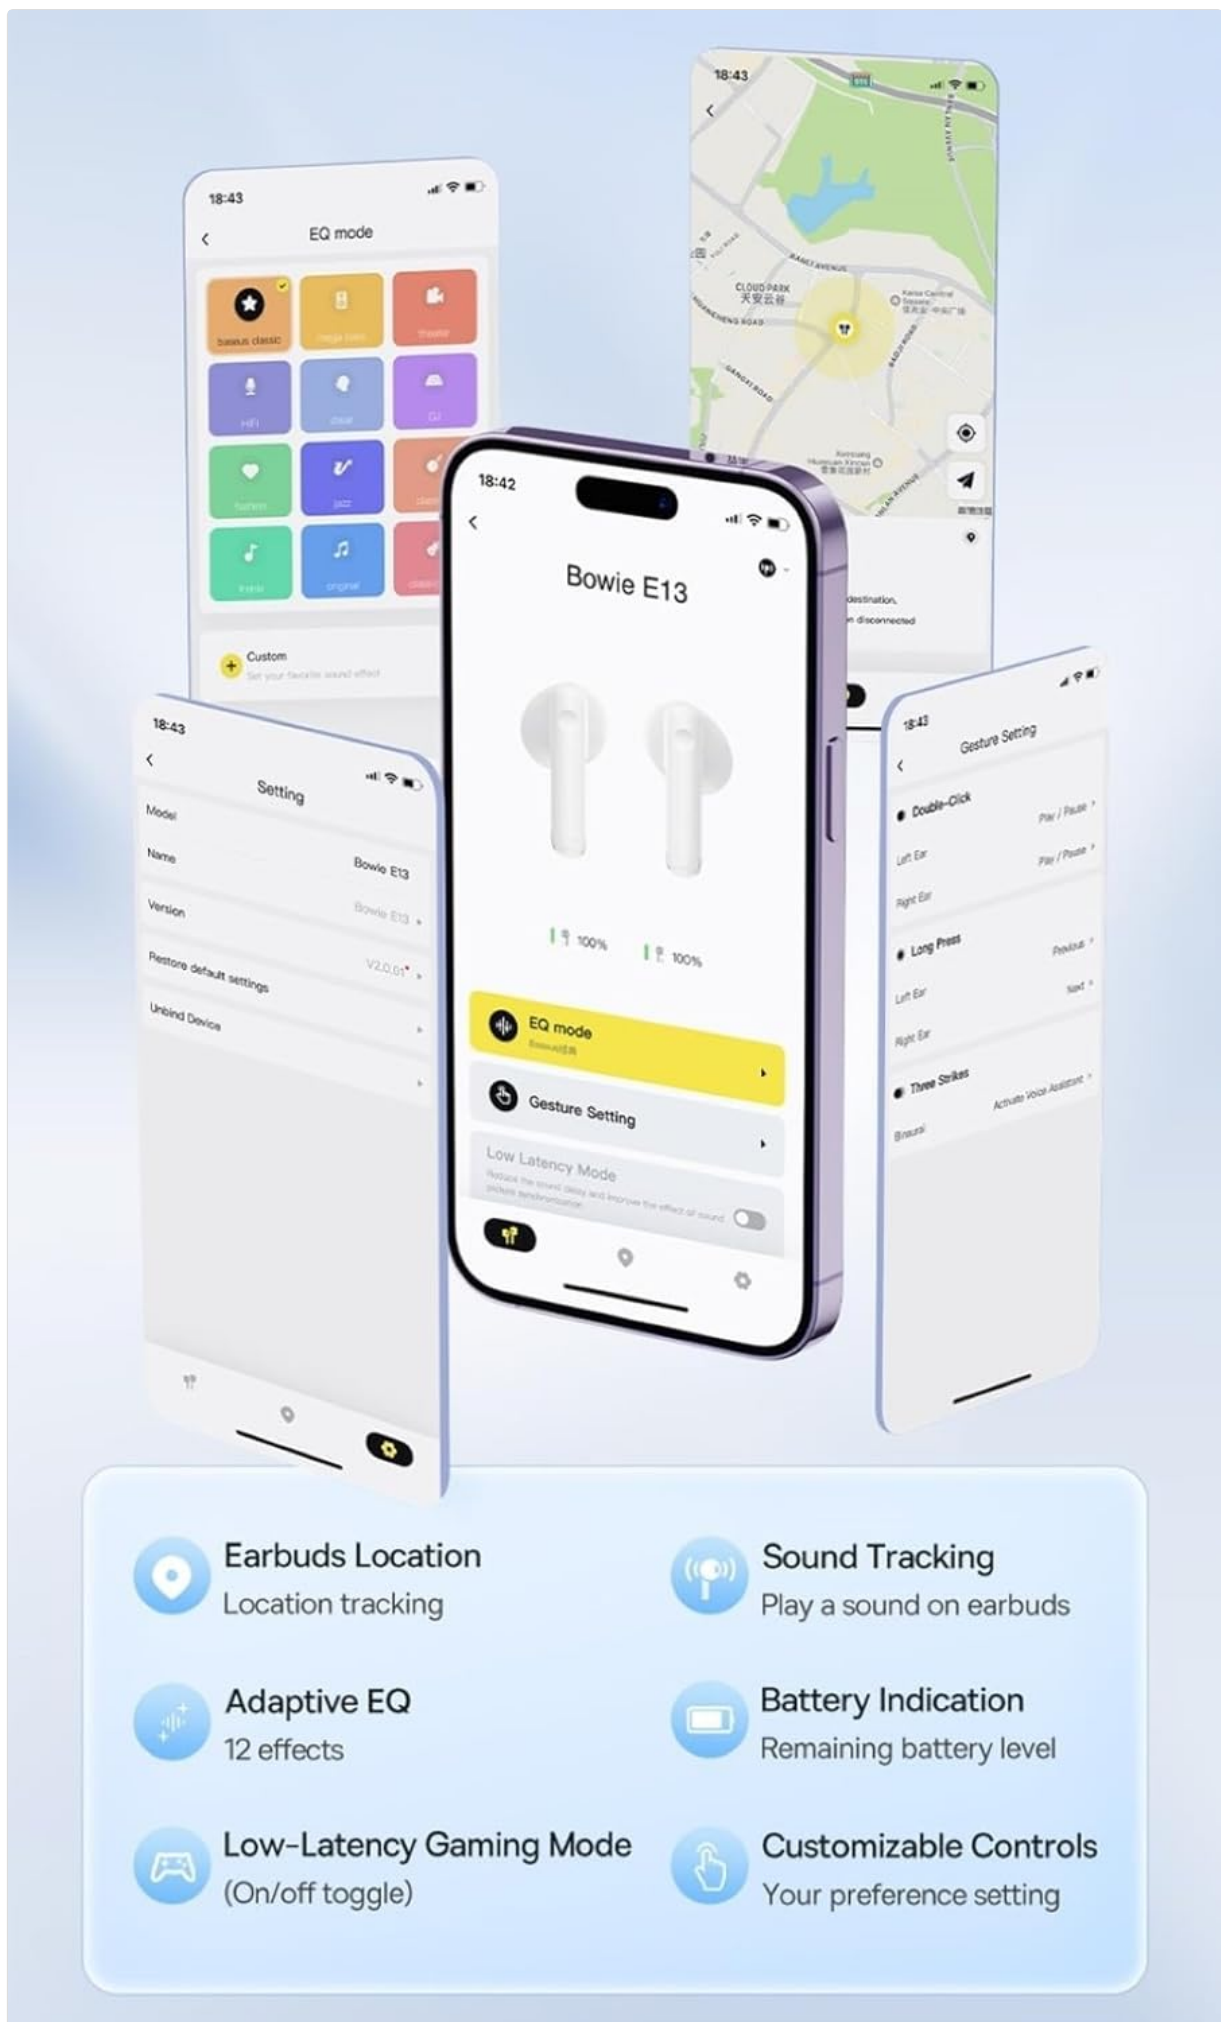

Image: Multiple smartphone screens displaying the Baseus app interface, highlighting features such as EQ mode, gesture

settings, low-latency gaming mode, earbud location tracking, sound tracking, adaptive EQ with 12 effects, battery indication, and customizable controls.

5. OPERATION

5.1 Basic Controls

The Baseus E13 TWS Bowie Headphones feature touch controls for easy management of audio and calls. Specific gestures can be customized via the Baseus app.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Long press on either earbud.
- **Activate Voice Assistant:** Triple tap on either earbud.

5.2 Low-Latency Gaming Mode

For an optimized gaming experience, activate the 0.06s ultra-low latency gaming mode through the Baseus app. This reduces audio delay, providing faster response times.

0.06s Ultra-Low Latency Gaming

Faster response & no lags,
one step ahead of your adversary

All data are provided by the Baseus Laboratory; the product's actual performance may vary.

7. MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Water Resistance:** The earbuds are water resistant. Avoid submerging them in water or exposing them to excessive moisture. Dry thoroughly if they come into contact with liquids.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
- **Battery Care:** To preserve battery life, avoid fully discharging the earbuds and case frequently.

Charge them regularly, even if not in constant use.

8. TROUBLESHOOTING

If you encounter issues with your Baseus E13 TWS Bowie Headphones, refer to the following common solutions:

- **No Sound:**
 - Ensure earbuds are charged.
 - Check Bluetooth connection to your device.
 - Adjust volume on both earbuds and connected device.
- **Earbuds Not Pairing:**
 - Place earbuds back in the case, close, then reopen to re-enter pairing mode.
 - Forget "Baseus E13" from your device's Bluetooth list and attempt to pair again.
 - Ensure earbuds are within range of your device.
- **Charging Issues:**
 - Verify the charging cable is securely connected to both the case and power source.
 - Try a different USB port or power adapter.
 - Ensure charging contacts on earbuds and in case are clean and free of debris.
- **One Earbud Not Working:**
 - Ensure both earbuds are charged.
 - Try resetting the earbuds (refer to app or Baseus support for specific instructions).
