ASSEMBLY INSTRUCTIONS

The TG BLOCKS Micro Brick Flower Parrot Toy Building Set utilizes micro-sized building blocks, which require careful handling and precise placement. This set is **not compatible with building blocks from other brands**.

1. **Preparation:** Unpack all building blocks and sort them by color and shape to facilitate easier

assembly. Refer to the included instruction manual for step-by-step visual guides.

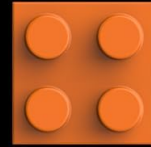

2. **Base Construction:** Begin by assembling the base platform as indicated in the manual. This provides a stable foundation for the tree and parrot.
3. **Tree Structure:** Construct the tree trunk and branches, paying close attention to the orientation of each micro-block. The tree features a natural, organic design.
4. **Flower and Foliage Attachment:** Carefully attach the pink flower pieces and green foliage elements to the tree branches. These details contribute to the vibrant aesthetic of the model.
5. **Parrot Assembly:** Assemble the parrot figure separately, following the detailed instructions for its body, wings, and head. The parrot features blue, yellow, and red micro-blocks.
6. **Final Placement:** Securely place the assembled parrot onto the designated branch of the tree. Ensure all connections are firm.

OPERATING AND USAGE

Once assembled, the Micro Brick Flower Parrot Toy Building Set serves primarily as a decorative item or a creative display piece. It is suitable for placement in homes, offices, or children's rooms.

- **Display:** Position the completed model on a flat, stable surface away from direct sunlight or extreme temperatures to preserve its colors and structural integrity.
- **Interaction:** While designed for display, gentle interaction is possible. Avoid rough handling or dropping the model to prevent pieces from detaching.

MAINTENANCE

Proper care will help maintain the appearance and longevity of your building set.

- **Cleaning:** Gently dust the model with a soft, dry cloth or a soft brush. For more stubborn dirt, lightly dampen a cloth with water and wipe carefully, then dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss and protect them from dust and damage.

TROUBLESHOOTING

Should you encounter any issues during assembly or use, consider the following:

- **Missing Pieces:** Carefully re-check all packaging materials. If a piece is genuinely missing, please contact TG BLOCKS customer support with your product model number and a description of the missing part.

- **Difficulty Connecting Pieces:** Ensure the pieces are correctly oriented and aligned. Apply gentle, even pressure. Avoid forcing pieces, as this can cause damage.
- **Model Instability:** Verify that all connections are firm and that the base is placed on a level surface. Re-examine the assembly steps for any missed connections.
