7. Troubleshooting and Tips

- **Missing Pieces:** If you encounter missing pieces, please contact customer support as detailed in the 'Warranty and Support' section.

- **Difficulty Following Instructions:** The instruction manual uses red outlines to indicate new pieces in each step. Pay close attention to these outlines. Some builders find it helpful to separate pieces by color and number before starting.
- **Color Matching for Backboard:** When assembling the backboard, carefully match the colors to the corresponding numbers in the instructions. It is recommended to sort these pieces thoroughly beforehand to avoid reassembly.
