Pia Ricco A-41963BK

Pia Ricco 3-Light Matte Black Bathroom Vanity Light Fixture

Model: A-41963BK

Brand: Pia Ricco

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before beginning installation. Failure to do so may result in electric shock, fire, or other injuries that could be fatal or cause property damage.

- Always disconnect power at the main circuit breaker before installation or maintenance.
- Consult a qualified electrician if you are unsure about the installation process.
- Ensure all electrical connections are secure and comply with local codes and ordinances.
- Do not exceed the maximum wattage specified for the bulbs.
- Handle glass components with care to prevent breakage.

SETUP AND INSTALLATION

This vanity light fixture features an undetachable design for simplified installation. It can be mounted with the lights pointing up or down to suit your preference.

Installation Steps:

- 1. Prepare for Installation:** Turn off the power at the circuit breaker before starting. Ensure the mounting surface is clean and dry.
- 2. Attach Mounting Plate:** Secure the mounting plate to the junction box using the provided screws.
- 3. Connect Wires:** Connect the fixture's wires to the corresponding household wires (black to black, white to white, ground to ground) using wire nuts. Ensure connections are tight.
- 4. Secure Fixture:** Carefully push the fixture onto the mounting plate and secure it with the provided screws.

5. **Install Glass Shades:** Gently attach each clear glass globe shade to the fixture.
6. **Insert Bulbs:** Screw in three E26 base bulbs (max 60W each, not included). For bulbs to be fully enclosed, use bulbs with a height less than 4.13 inches.
7. **Restore Power:** Turn the power back on at the circuit breaker.

OPERATING INSTRUCTIONS

Once installed and powered, the Pia Ricco 3-Light Vanity Light Fixture operates like any standard wall-mounted light. Use your existing wall switch to turn the light on and off.

MAINTENANCE

To ensure the longevity and appearance of your Pia Ricco vanity light fixture, follow these maintenance guidelines:

- **Cleaning:** Disconnect power before cleaning. Wipe the metal base with a soft, dry cloth. For the glass shades, use a mild glass cleaner and a soft cloth. Avoid abrasive cleaners or harsh chemicals.
- **Bulb Replacement:** Ensure power is off before replacing bulbs. Allow old bulbs to cool before handling. Use only E26 base bulbs, not exceeding 60 watts.
- **Anti-Rust Feature:** The fixture is treated for rust, corrosion, and fade resistance, minimizing the need for special rust prevention.

TROUBLESHOOTING

If you encounter issues with your light fixture, try the following steps:

- **Light Does Not Turn On:**

- Check if the power is on at the circuit breaker.
- Ensure bulbs are screwed in tightly and are not burnt out. Replace if necessary.
- Verify all wire connections are secure.

- **Flickering Lights:**

- Ensure bulbs are fully seated in their sockets.
- Check for loose wire connections.
- Confirm that the bulbs are compatible with any dimmer switches, if installed.

- **Glass Shade Issues:**

- If a shade is loose, gently tighten it. Do not overtighten.
- For replacement shades, contact Pia Ricco customer support.

If problems persist after attempting these steps, please contact Pia Ricco customer support for further assistance.

WARRANTY AND SUPPORT

This Pia Ricco light fixture comes with a **Limited Warranty**. For specific terms and conditions, please refer to the warranty documentation included with your purchase or contact Pia Ricco customer service.
