Spilay P006

Spilay Romantic Villa DIY Miniature Dollhouse Kit

Model: P006

Introduction

This instruction manual provides detailed guidance for assembling, operating, and maintaining your Spilay Romantic Villa DIY Miniature Dollhouse Kit. This 1:24 scale model includes various furniture pieces, LED lights, and a music box, offering a rewarding and creative building experience. Please read all instructions carefully before beginning assembly.

Safety Information

- **Recommended Age:** This kit is recommended for individuals 14 years and older due to the intricate nature of the assembly and small parts.
- **Choking Hazard:** The kit contains small parts. Keep out of reach of young children.
- **Adhesives:** Use silicone liquid glue as specified. Ensure proper ventilation when using adhesives and avoid contact with skin and eyes.
- **Batteries:** Requires 3 AAA batteries (not included). Ensure correct polarity when inserting batteries. Do not mix old and new batteries or different types of batteries. Remove batteries if the product is not used for an extended period.

Package Contents

Your Spilay Romantic Villa DIY Miniature Dollhouse Kit includes the following components:

- Pre-cut wooden pieces for the dollhouse structure and furniture.
- Fabric, paper, and other decorative materials.
- LED lighting components.
- Music box mechanism.
- Dust cover.
- English instruction manual with step-by-step guidance.

Note: Glue and 3 AAA batteries are NOT included in the package due to shipping restrictions. Please prepare these items separately before starting assembly.

Assembly Instructions

Assembly of this miniature dollhouse requires patience and attention to detail. Follow the provided English instructions step-by-step. If you encounter difficulties, video tutorials can be found online by searching for "Spilay DIY Dollhouse Assembly" on video platforms.

Preparation

- **Workspace:** Prepare a clean, well-lit, and spacious workspace.
- **Tools:** Gather necessary tools including scissors, tweezers, a ruler, a craft knife, and the required silicone liquid glue and 3 AAA batteries.
- **Inspection:** Carefully inspect all components upon opening the package to ensure no pieces are missing or damaged. Contact customer support if any issues are found.

General Assembly Steps

1. **Identify Parts:** Match the numbered or labeled pieces from the kit to the diagrams in the instruction manual.
2. **Cut and Prepare:** Carefully cut out paper and fabric components as instructed. Some wooden pieces may require light sanding for a better fit.
3. **Assemble Structure:** Begin by assembling the main structural elements of the dollhouse, such as walls, floors, and roofs, using the specified adhesive. Allow glue to dry completely before proceeding.
4. **Install Wiring:** Integrate the LED lighting wires as directed. Ensure all connections are secure.
5. **Construct Furniture:** Assemble individual furniture pieces and decorative items.
6. **Decorate:** Apply wallpaper, flooring, and other decorative elements to the interior and exterior of the dollhouse.
7. **Final Touches:** Place furniture and accessories, install the music box, and attach the dust cover.

Operating Instructions

LED Lights

- After completing the wiring during assembly, insert 3 AAA batteries (not included) into the designated battery compartment.
- Locate the power switch, typically found near the battery compartment or on the base of the dollhouse.
- Flip the switch to the 'ON' position to illuminate the dollhouse.

Music Box

- The music box is integrated into the dollhouse structure.
- To activate the music, gently wind the key or mechanism provided with the music box.

Image: The assembled dollhouse with its LED lights turned on, creating a warm night light effect.

Maintenance

- **Cleaning:** Use a soft, dry cloth or a small brush to gently remove dust from the dollhouse and its miniature components. Avoid using water or cleaning solutions.
- **Dust Cover:** Always use the provided dust cover to protect the dollhouse from dust and environmental elements when not in use.
- **Storage:** Store the dollhouse in a dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Battery Replacement:** Replace batteries when the LED lights dim or stop working. Ensure the dollhouse is turned

off before replacing batteries.

Troubleshooting

- **Missing/Broken Pieces:** If you find any missing or broken pieces upon unboxing, please contact Spilay customer support with your purchase details.
- **LED Lights Not Working:**
  - Check if batteries are inserted correctly with proper polarity.
  - Ensure batteries are new and fully charged.
  - Verify all wiring connections are secure and not loose.
- **Difficulty with Assembly:**
  - Refer to the step-by-step English instruction manual.
  - Search for video tutorials online for visual guidance.
  - Some wooden pieces may require slight sanding to fit together smoothly.
- **Glue Not Included:** As stated in the package contents, glue is not included. Please ensure you have silicone liquid glue ready for assembly.
