## LUXOAK YF10227

# LUXOAK Full Size Bed Frame Instruction Manual

Model: YF10227

## 1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before beginning assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Keep all small parts away from children during assembly.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand or jump on the bed frame.
- Use the bed frame on a flat, level surface.
- Do not exceed the maximum weight capacity of 900 lbs.
- Disconnect power to the charging station before cleaning or if any electrical issues arise.

## 2. PACKAGE CONTENTS

Verify that all components are present before starting assembly. If any parts are missing or damaged, contact customer support.

- Headboard with integrated LED light and charging station
- Metal bed frame components
- Wood slats with rubber strips
- Assembly hardware (bolts, screws, Allen wrench)
- Installation Manual

# KD Flat-Pack Before You Buy

Multi-step self-assembly  
(tools required)

Two-person  
recommended

In-home install not included;  
third-party optional

## Color Disclaimer Before You Buy

Actual colors may vary slightly from images due to lighting and screen differences

Minor color variations are normal and not considered defects

## 3. SETUP AND ASSEMBLY

### 3.1 Before You Begin

- Clear a spacious area for assembly.
- It is recommended that two people assemble this bed frame.
- Lay out all components and hardware, comparing them with the parts list in the included manual.

### 3.2 Assembly Steps

The bed frame features a snap-fit design for simplified assembly. Refer to the detailed installation manual included in your package for step-by-step instructions and diagrams.

1. Attach the side rails to the headboard and footboard using the provided hardware.
2. Install the central support beam and legs.
3. Place the wood slats onto the frame. Ensure the rubber strips on each slat are properly positioned to increase mattress stability and reduce noise.
4. Connect the power cord for the LED lights and charging station.

5. Verify all connections are secure before placing a mattress on the frame.

## 4. OPERATING INSTRUCTIONS

### 4.1 LED Light Operation

The integrated LED light strip in the headboard offers customizable illumination.

- Use the control panel or remote (if included) to power on/off the lights.
- Select from 19 dynamic effects and 20 static color options.
- Adjust the dynamic speed across 5 levels.
- Set the brightness to one of 5 available levels.

## 4.2 Charging Station Usage

The 2-tier storage headboard includes a built-in charging station for convenience.

- The charging station features two 110V/12A AC outlets and two 3V/2A USB ports.
- Connect the bed frame's power cord to a standard wall outlet.
- Use the AC outlets for devices requiring standard power, such as lamps or laptops.
- Use the USB ports to charge compatible devices like smartphones and tablets.

## 5. MAINTENANCE AND CARE

- Cleaning the Frame:** Wipe the metal and PU leather surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- Cleaning the Headboard:** For the PU leather headboard, use a mild leather cleaner if necessary,

following the product instructions.

- **Regular Inspection:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as needed to maintain stability and prevent noise.
- **Electrical Components:** Ensure the charging station and LED light connections are dry and free from debris. Do not attempt to repair electrical components yourself.

## 6. TROUBLESHOOTING

- **LED Lights Not Working:**

Check if the power cord is securely plugged into both the bed frame and the wall outlet. Ensure the control panel or remote is functioning and batteries (if applicable) are not depleted.

- **Charging Station Not Functioning:**

Verify the bed frame's power cord is properly connected. Test the outlets/USB ports with different devices to rule out device-specific issues. If still not working, ensure the wall outlet itself is operational.

- **Bed Frame is Noisy/Wobbly:**

Inspect all assembly points. Tighten any loose bolts or screws. Ensure the bed frame is on a level surface. The rubber strips on the slats are designed to reduce noise; ensure they are correctly positioned.

- **Missing or Damaged Parts:**

If you received missing or damaged parts, refer to the customer support section for assistance.

## 7. SPECIFICATIONS

Feature	Detail
Model Number	YF10227
Size	Full
Product Dimensions	83"L x 56"W x 42.3"H
Material	Engineered Wood, Metal, PU Leather
Color	Rustic Brown
