## Setup and Assembly

---

The EAST OAK 4-Piece Patio Furniture Set is designed for quick and straightforward assembly. All necessary hardware and tools are included in the box. It is recommended that two people assemble the set, though one person can complete it in approximately 30 minutes.

1. Unpack all components and verify against the parts list (not provided in this manual, refer to packaging).
2. Begin assembly by loosely attaching all screws. Ensure all holes are aligned before fully tightening any screws.
3. Once all components are in place and aligned, securely tighten all premium 304 stainless steel screws.
4. Attach the cushions to the seats using the integrated straps to prevent displacement, especially in windy conditions.
5. Adjust the feet on the chairs and coffee table as needed to ensure stability and protect your flooring. Rotate the adjustable feet to achieve the ideal height and balance on uneven surfaces.

### Operating and Usage

The EAST OAK patio furniture set is designed for comfort and versatility in outdoor living spaces. The chairs feature a 105-degree reclined back for ergonomic support and relaxation.

- **Comfort:** The 4.7-inch thick cushions, made with TPU-Olefin fabric and a multi-layered sponge and cotton filling, provide optimal support.
- **Adjustable Feet:** Rotate the adjustable feet on the chairs and table to ensure stability on various outdoor surfaces.
- **Arrangement:** The modular design allows for various configurations to suit your space and preferences.

## **A Superior Seating Experience**

Ergonomically crafted at a comfortable 105-degree lumbar angle for ultimate leisure and relaxation.

## Maintenance and Care

Proper maintenance ensures the longevity and appearance of your patio furniture set.

- **Cushion Cleaning:** Clean cushions with mild soap and water. Allow them to fully air dry before storage or reuse. Cushions should be hand-washed only.
- **Frame Cleaning:** The powder-coated metal frame can be wiped clean with a damp cloth.
- **Avoid Harsh Chemicals:** Do not clean the product with abrasive materials, bleach, or solvents, as these can damage the finish and fabric.
- **Storage:** When not in use, especially during inclement weather or off-season, store the furniture in a dry, sheltered place.
- **Environmental Protection:** Keep the furniture away from fire, extreme heat, and freezing conditions. Prolonged exposure to harsh weather may affect the metal paint finish.

## Water Repellent TPU Coating

A superior material for outdoor furniture.

## Olefin Fabric & Foam

Best in class for breathability,  
durability and elasticity.

## Velcro Strap Design

Attention to detail ensures all seat cushions remain  
in place in all weather conditions.

## Troubleshooting

---

If you encounter any issues with your EAST OAK patio furniture set, please consider the following:

- **Stability Issues:** Ensure all screws are fully tightened. Adjust the leveling feet on each furniture piece to compensate for uneven surfaces.
- **Missing Parts or Damage:** If any parts are missing or damaged upon arrival, contact customer service immediately.
- **Color Variation:** Note that the color of the patio furniture set may appear slightly different depending on the environment and lighting conditions. This is normal and not a defect.

For further assistance, please refer to the Warranty and Support section.
