BABY born Little Boy 36cm Instruction Manual

Model: 835692

INTRODUCTION

This manual provides instructions for the proper use, care, and maintenance of your BABY born Little Boy 36cm doll. Please read this manual thoroughly before first use to ensure safe and enjoyable play.

Safety Warning:

- Not suitable for children under 3 years due to small parts.

SETUP

The BABY born Little Boy doll requires no assembly. Simply remove the doll and its accessories from the packaging.

Included Accessories:

- BABY born Little boy doll 36 cm with romper and hood
- 1 potty
- 1 diaper
- 1 bottle
- 1 plate with spoon
- 1 pacifier
- 1 birth certificate

OPERATING INSTRUCTIONS

The BABY born Little Boy doll features 7 interactive functions designed for realistic role-playing.

Feeding and Potty Training:

- Fill the included bottle with water.
- Feed the doll water from the bottle.
- After feeding, the doll can pee into the cloth diaper or directly onto the potty.

Crying Function:

- When the doll is tired or upset, it can cry doll tears.

Sleeping Eyes:

- Lay the doll down on its back, and its eyes will close, simulating sleep.

Pacifier Use:

- The pacifier is sewn onto the romper, ensuring it is always accessible.

Movement:

- The doll features movable arms, legs, and a moving head for dynamic play.

MAINTENANCE AND CARE

Bathing:

- The doll can be bathed in a BABY born bath. Ensure all water is drained and the doll is thoroughly dried after bathing.

Dressing:

- The doll's romper is designed in an easy-fit style, allowing for simple dressing and undressing by small hands.

Cleaning:

- Wipe the doll's surface with a damp cloth as needed. Avoid harsh chemicals.

TROUBLESHOOTING

If you encounter any issues with your BABY born Little Boy doll, please refer to the following common solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Doll does not pee after drinking.	Insufficient water intake or internal mechanism blockage.	Ensure the doll has consumed enough water. Gently squeeze the doll's stomach to encourage water release. If blockage is suspected, consult support.
Doll's eyes do not close when laid down.	Doll not positioned correctly or mechanism obstruction.	Ensure the doll is laid completely flat on its back. Check for any foreign objects obstructing the eye mechanism.
Doll does not cry tears.	No water in the doll or mechanism issue.	Ensure the doll has been fed water. If the issue persists, the crying mechanism may be faulty.

SPECIFICATIONS

Model Number:	835692
Product Dimensions:	7.68 x 7.87 x 12.99 inches
Item Weight:	2.73 pounds
Manufacturer:	Zapf
Recommended Age:	3 years and up
