

LNRYY Flashlights-004

LNRYY High Lumens Rechargeable Flashlights Instruction Manual

Your reliable companion for illumination.

1. INTRODUCTION

Thank you for choosing LNRYY High Lumens Rechargeable Flashlights. This manual provides essential information for the safe and effective use of your new flashlights. Designed for versatility and durability, these flashlights are ideal for a wide range of activities including camping, hiking, home use, and emergency situations. Please read this manual thoroughly before operation and retain it for future reference.

2. PRODUCT FEATURES

- **High Lumens Output:** Equipped with an ultra-bright upgraded LED chip for powerful illumination.
- **Adjustable Focus:** Easily switch between a long-distance observation function (spotlight) and a wide-range lighting function (floodlight) by adjusting the focal length.

- **5 Working Modes:** Features High, Medium, Low, Strobe, and SOS modes to adapt to various occasions and needs.
- **Rechargeable & Power Display:** Built-in large-capacity battery with a fast-charging Type-C interface. Four power indicators clearly show the battery level.
- **Durable Construction:** Made of high-quality aviation grade aluminum alloy for excellent heat dissipation and impact resistance.
- **Waterproof Design:** Sealed design ensures good waterproof performance, suitable for use in bad weather conditions like rain and snow.

3. WHAT'S IN THE BOX

Your LNRYY Flashlights package includes the following items:

- 2 x LED Flashlights
- 2 x Rechargeable Batteries (pre-installed or separate)
- 2 x Type-C Charging Cables

- 1 x Color Box (packaging)

Image: A visual representation of all components included in the product package.

4. SETUP

4.1 Battery Installation

Your flashlights come with rechargeable batteries. Ensure they are properly inserted before first use. If replacing, align the positive (+) and negative (-) ends correctly as indicated inside the battery compartment.

4.2 Initial Charging

For optimal performance, fully charge the flashlights before their first use. Connect the provided Type-C charging cable to the flashlight's charging port and plug the other end into a compatible USB power source (e.g., wall adapter, power bank, computer USB port). The blue indicator lights on the flashlight will show the charging progress.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

Press the ON/OFF button located on the side of the flashlight to turn it on. To turn it off, press and hold the ON/OFF button for 3 seconds.

5.2 Changing Lighting Modes

Once the flashlight is on, short press the ON/OFF button to cycle through the 5 available lighting modes:

1. **High:** Maximum brightness for powerful illumination.
2. **Medium:** Balanced brightness for general use.
3. **Low:** Reduced brightness for extended battery life or close-range tasks.
4. **Strobe:** Flashing light for signaling or disorientation.
5. **SOS:** International Morse code signal for emergencies.

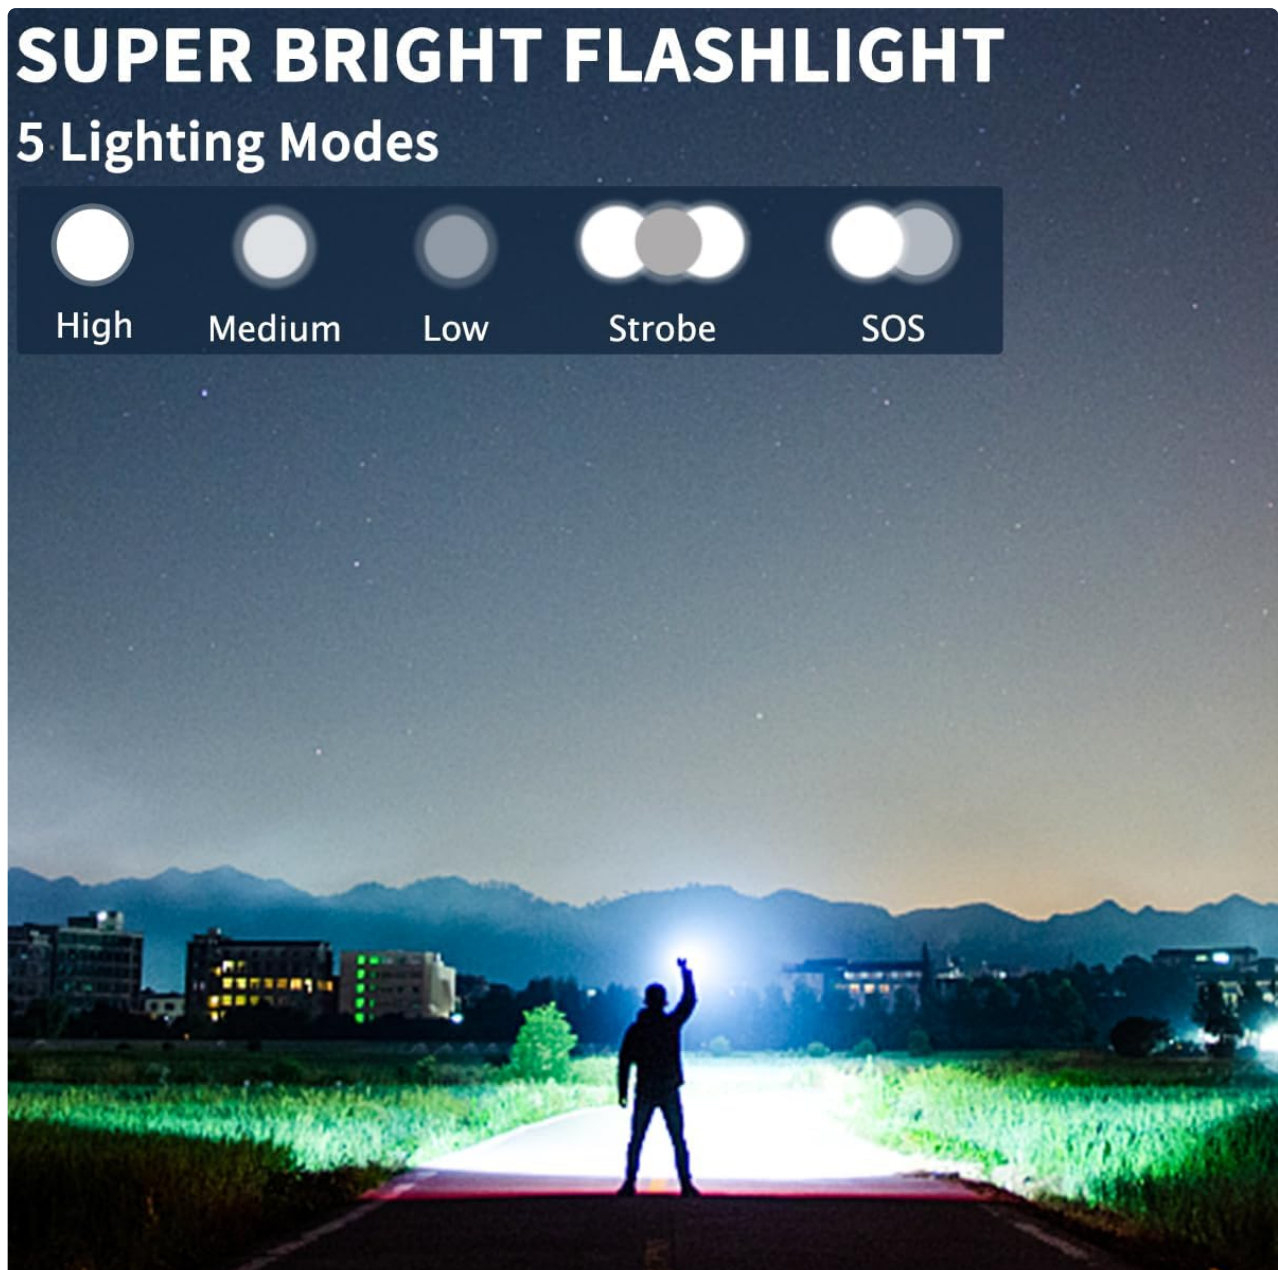

Image: Visual guide to the 5 distinct lighting modes of the flashlight.

5.3 Adjustable Focus (Zoom Function)

To adjust the beam focus, gently slide the head of the flashlight forward or backward. This allows you to transition between a narrow, concentrated spotlight for long-distance viewing and a wide, diffused floodlight for illuminating a larger area.

- **Zoom In (Spotlight):** Slide the head forward to narrow the beam for focused, long-distance light.
- **Zoom Out (Floodlight):** Slide the head backward to widen the beam for broad area illumination.

6. MAINTENANCE

6.1 Charging and Battery Care

Monitor the four blue power indicators to keep track of the battery level. Recharge the flashlight when the indicators show low power to ensure it's always ready for use. Avoid completely draining the battery to prolong its lifespan. The Type-C charging port is designed for efficient and convenient recharging.

6.2 Cleaning and Storage

Wipe the flashlight with a soft, damp cloth to clean it. Do not use harsh chemicals or abrasive materials. Store the flashlight in a cool, dry place away from direct sunlight and extreme temperatures when not in use for extended periods.

6.3 Durability and Protection

The flashlight's aviation-grade aluminum alloy body provides excellent heat dissipation and impact resistance. Its sealed design ensures it is waterproof, making it reliable in various weather conditions.

7. TROUBLESHOOTING

If you encounter any issues with your LNRYY flashlight, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Flashlight does not turn on	Low battery; Incorrect battery insertion	Recharge the battery; Check battery polarity and reinsert correctly.
Short battery life	Battery not fully charged; Frequent use on High mode	Ensure full charge before use; Use lower brightness modes for extended runtime.
LED flickering or dim	Low battery; Loose connection	Recharge the battery; Ensure battery is securely seated.
Cannot adjust focus	Mechanism stuck	Gently twist and slide the head to loosen. Avoid excessive force.

If the problem persists after trying these solutions, please contact customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	LNRYY
Model Number	Flashlights-004
Light Source Type	LED
Brightness	900 Lumens
Power Source	Battery Powered (1 Lithium Ion battery included)
Material	Aluminum Alloy
Color	Black
Product Dimensions	6.5"D x 1.57"W x 1.26"H
Item Weight	1.37 Pounds
Runtime	Up to 10 hours (depending on mode)
Water Resistance Level	Waterproof
Special Features	High Lumens, High Power, Super Bright, Rechargeable, Powerful, Adjustable Focus

9. WARRANTY AND SUPPORT

LNRYY is committed to providing high-quality products. If you experience any problems with your flashlights, such as not working, not charging, or missing accessories, please contact us directly via Amazon's messaging system. We are here to assist you and ensure your satisfaction.

Additionally, protection plans are available for purchase to extend coverage for your product. Please refer to the

product listing on Amazon for details on available protection plans.
