APPASO APS260BN

APPASO Kitchen Faucet with Soap Dispenser

Model: APS260BN | Brand: APPASO

PRODUCT OVERVIEW

The APPASO Kitchen Faucet with Soap Dispenser is designed for both functionality and style, featuring a heavy-duty open spring spout for a commercial aesthetic. It ensures clean water delivery through its lead-free construction and food-grade PEX inner hoses. The faucet offers versatile water delivery with its multifunctional sprayer, easily switching between stream and spray modes, and a 360-degree swivel for comprehensive sink coverage. Its robust build with brass and SUS304 stainless steel, coupled with a durable ceramic valve, guarantees long-term, leak-free operation. Installation is quick and simple, typically completed within 20 minutes.

KEY FEATURES

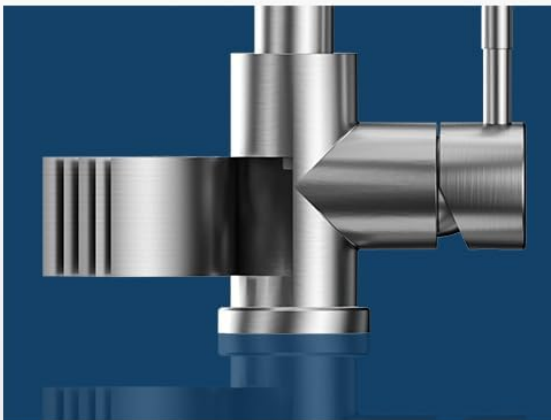

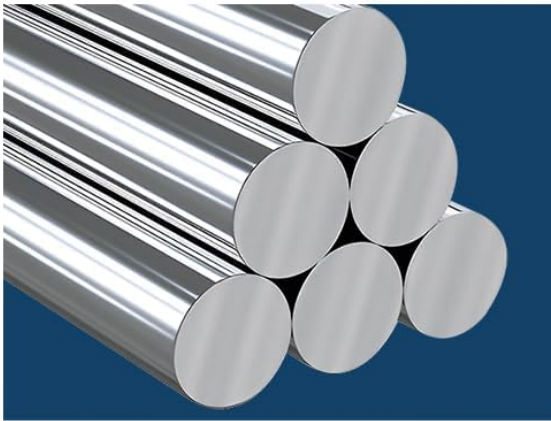

- **Commercial Design:** Flexible and functional with a heavy-duty open spring spout for an industrial look. Lead-free construction and food-grade PEX inner hoses provide fresh and clean water.
- **Multifunctional Sprayer:** Two setting modes (soft stream to powerful spray) and 360-degree swivel for easier and more convenient kitchen tasks. Single handle control for water temperature and flow.
- **Durable Construction:** Made of brass and SUS304 stainless steel. The ceramic valve is tested for 500,000 open/close cycles, ensuring leak-free and long-lasting performance.
- **Easy Installation:** Requires only 4 simple steps within 20 minutes. All mounting accessories and user manual

included, no plumbers needed.

- **Premium Finish:** 5-Layer Brushed finish resists fingerprints, rust, and corrosion.

PRODUCT DIMENSIONS

APPASO

Figure 6: Detailed dimensions of the APPASO Kitchen Faucet and included soap dispenser.

- **Product Dimensions:** 3"D x 13"W x 17"H
- **Spout Height:** 4.7 Inches
- **Spout Reach:** 8.2 Inches
- **Hose Length:** 9 Inches
- **Item Weight:** 5.34 pounds

SETUP & INSTALLATION

The APPASO Kitchen Faucet is designed for easy installation, typically taking around 20 minutes. Ensure you have all included components before starting. The faucet supports 1-hole, 2-hole, 3-hole, and 4-hole deck mounted installations.

Included Components

PACKAGING

Figure 7: All components provided for installation, including the pull-down spring kitchen faucet, deck plate, 3/8 to 1/2 adapters, soap dispenser, blue key, weight ball, and instruction manual.

Refer to the detailed instruction manual provided in the package for step-by-step guidance. Ensure water supply is turned off before beginning installation.

OPERATING INSTRUCTIONS

The single lever handle controls both water temperature and flow. Move the handle left for hot water and right for cold water. Adjust the handle's position to control the water flow rate.

Sprayer Modes

Multiple Filters

Ensures fresh and healthy water

Stream Mode

A good helper for adding water to the container

Spray Mode

Easily spray stubborn stains away

Figure 8: The sprayer head offers both stream and spray modes, ensuring fresh and healthy water through multiple filters.

- **Stream Mode:** Ideal for filling containers and general washing.
- **Spray Mode:** Provides a powerful spray for rinsing stubborn stains and wider coverage.

To switch between modes, press the button located on the sprayer head. The pull-down hose allows for extended reach and flexibility within your sink area.

MAINTENANCE & CARE

To maintain the premium 5-layer brushed finish and ensure longevity, clean the faucet regularly with a soft cloth and mild soap. Avoid abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the finish. The ceramic valve is designed for long-term, leak-free use, but regular cleaning of the aerator can help maintain optimal water flow and prevent mineral buildup.

TROUBLESHOOTING

If you encounter any issues with your faucet, please refer to the troubleshooting section in the detailed instruction manual. Common issues may include low water pressure (check aerator for clogs), leaks (ensure connections are tight), or difficulty switching spray modes (clean sprayer head). For persistent problems, contact APPASO customer support.

SPECIFICATIONS

Attribute	Value
Brand	APPASO
Model Number	APS260BN
Recommended Uses	Kitchen/Outdoor/Bar/RV/Restaurant
Mounting Type	Deck Mount
Finish Type	Brushed
Material	Stainless Steel
