Maydolly C03

Maydolly Baby Bassinet & Bedside Sleeper User Manual

Model: C03

1. INTRODUCTION

Thank you for choosing the Maydolly Baby Bassinet & Bedside Sleeper. This 3-in-1 product is designed to provide a safe, comfortable, and versatile sleeping environment for your infant, functioning as a standalone bassinet, a bedside sleeper, and a rocking cradle. It features adjustable height, a removable breathable cover, and an easy-folding design for convenience and portability. Please read this manual thoroughly before assembly and use to ensure the safety of your child and the proper operation of the product.

2. IMPORTANT SAFETY INFORMATION

WARNING: SUFFOCATION HAZARD

- Infants have suffocated in gaps between extra padding and the side of the bassinet/sleeper, and on soft bedding.
- Use ONLY the pad provided by the manufacturer for padding. NEVER add a pillow, comforter, or another mattress for padding.
- Always ensure the bassinet is placed on a firm, flat surface.
- Do not use this product if any parts are missing, damaged, or broken.
- The bassinet is suitable for infants from 0-12 months, with a maximum weight capacity of 15 kg (33 lbs). Discontinue use when the infant begins to push up on hands and knees or reaches the maximum weight,

whichever comes first.

For complete safety guidelines and warnings, please refer to the full Instructions for Use (IFU) PDF document provided with your product or available online.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- Bassinet Frame Assembly
- Mattress and Fitted Sheet
- Removable Mosquito Net
- Storage Basket
- Travel/Storage Bag
- User Manual (this document)

4. SETUP AND ASSEMBLY

The Maydolly Baby Bassinet features a quick installation mechanism, allowing for assembly in approximately 35 seconds without the need for additional tools or screws. Follow these general steps:

1. Remove the bassinet from its travel bag.
2. Unfold the frame components until they click securely into place.
3. Attach the mattress and fitted sheet.
4. Install the storage basket at the bottom of the frame.

Assembly Demonstration Video

Official product video demonstrating the features and assembly of the Maydolly C03PLUS Bedside Crib and Cradle, including bedside mode, rocking mode, incline function, and height adjustments.

5. OPERATING MODES AND ADJUSTMENTS

5.1 Bedside Sleeper Mode

To use the bassinet as a bedside sleeper, unzip the side zipper and lower the side rail. This allows for full visibility and easy access to your baby from your bed. Ensure the bassinet is securely positioned next to your bed with no gaps.

Bedside Sleeper Mode

The bassinet configured for bedside sleeping, allowing close proximity to the parent's bed.

5.2 Rocking Bassinet Mode

The bassinet can be easily converted into a rocking cradle. Simply turn the wheels upwards to engage the rocking function. This provides a gentle, soothing motion to help your baby fall asleep.

Rocking Bassinet Mode

The bassinet in rocking mode, demonstrating the upward rotation of the wheels to enable gentle swaying.

5.3 Incline Function

The bassinet offers an incline option, which can be beneficial for babies with reflux or for easier feeding. Adjust the incline by manipulating the designated mechanism on the frame.

Incline Function

The bassinet adjusted to an inclined position, useful for feeding or for babies with reflux.

5.4 Height Adjustments

The bassinet features 6 adjustable height levels to match various bed heights. To adjust the height, press the height adjustable button and slide the bassinet to the desired level, ensuring both sides are set equally.

6. MAINTENANCE AND CARE

To keep your Maydolly Baby Bassinet clean and in optimal condition:

- **Cleaning:** Wipe the frame and fabric components with a damp cloth. Use mild soap if necessary, and ensure all parts are thoroughly dry before reassembly or storage.
- **Mattress and Sheet:** The luxury soft foam mattress and sheet are removable for cleaning. Follow the care instructions on the fabric labels.
- **Storage:** When not in use, the bassinet can be easily folded and stored in the provided travel bag, protecting it from dust and damage.

7. TROUBLESHOOTING

If you encounter any issues with your Maydolly Baby Bassinet, please refer to the following common solutions:

- **Bassinet feels unstable:** Ensure all frame components are fully extended and locked into place. Check that the height adjustment mechanisms on both sides are set to the same level.
- **Mattress appears tilted:** Verify that the hard supportive board within the mattress is correctly positioned and that the bassinet frame is on a level surface. If the issue persists, contact customer support.
- **Difficulty folding/unfolding:** Ensure all locking mechanisms are disengaged before attempting to fold, and that they are fully engaged when unfolding. Refer to the quick installation guide or video for visual assistance.

For issues not covered here, please contact Maydolly customer support.
