6. Care and Maintenance

- **Cleaning:** To clean the building blocks, wipe them with a damp cloth and mild soap. Rinse thoroughly and allow them to air dry completely before storage. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the building set in a cool, dry place away from direct sunlight and extreme temperatures to prevent warping or discoloration of the plastic. Keep all pieces together in a designated container to avoid loss.
- **Inspection:** Periodically inspect all pieces for any signs of damage or wear. Discard any broken or severely damaged parts to ensure continued safe play.

7. Troubleshooting

- **Missing Pieces:** If you find any pieces missing from your set, please double-check the packaging and all assembled sections. If pieces are still missing, contact customer support for assistance.
- **Difficulty Assembling:** Ensure you are following the instruction manual step-by-step. Sometimes, a piece may appear similar to another; verify the shape and size carefully. Apply firm, even pressure when connecting blocks.
- **Loose Connections:** If blocks are not holding together firmly, ensure they are correctly aligned and

fully pressed into place. Worn or damaged blocks may not connect properly and should be replaced.
