MEEDEN ES-6008-YPS

MEEDEN ES-6008-YPS Extra-Large Wood Drafting Table Instruction Manual

Model: ES-6008-YPS

Introduction

Thank you for choosing the MEEDEN ES-6008-YPS Extra-Large Wood Drafting Table. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new drafting table. Please read these instructions carefully before use and retain them for future reference.

Safety Information

- Always assemble the desk according to the provided instructions.
- Keep the desk on a stable surface and ensure it is properly anchored to the floor to prevent tipping.
- Do not exceed the maximum weight limit of 16 kg (35.3 lbs) on the tabletop.
- Keep the desk away from heat sources.
- Avoid placing heavy objects on the edges to prevent damage or injury.
- Ensure all knobs and fasteners are securely tightened before and during use.

Setup and Assembly

The MEEDEN ES-6008-YPS drafting table requires assembly. Follow the detailed steps below and refer to the assembly video for visual guidance.

This video demonstrates the step-by-step assembly process for the MEEDEN Artist Wood Drafting Table, Walnut model.

Components Overview

Familiarize yourself with all components before beginning assembly. Refer to the diagram below for identification.

An exploded diagram illustrating the various parts of the drafting table and their corresponding labels for assembly.

Assembly Steps

1. **Attach the Tabletop Supports:** Secure the tabletop supports to the underside of the main tabletop using the provided screws. Ensure they are aligned correctly.
2. **Assemble the Base Frame:** Connect the horizontal crossbar to the two vertical leg sections of the H-frame base. Use the designated fasteners to create a stable foundation.
3. **Connect Tabletop to Base:** Carefully attach the assembled tabletop to the H-frame base. The tilting mechanisms should align with the vertical leg sections.
4. **Install Tilting Mechanisms:** Secure the curved metal tilting mechanisms to both the tabletop supports and the vertical leg sections using the appropriate knobs and bolts. Do not overtighten initially.
5. **Adjust and Secure Height/Angle:** Once the main structure is assembled, adjust the table to your desired height and angle. Tighten all adjustment knobs firmly to ensure stability.
6. **Attach T-Square Ruler and Pen Ledge:** Install the T-square ruler and pen ledge to the designated slots on the tabletop.

Operating Instructions

The MEEDEN ES-6008-YPS drafting table offers adjustable features for optimal comfort and functionality.

Height Adjustment

The table height can be adjusted from 33.5 inches to 40 inches. To adjust the height:

1. Loosen the dual-knob fasteners located on the vertical leg sections of the H-frame base.
2. Carefully raise or lower the tabletop to the desired height.

3. Once the desired height is achieved, firmly tighten both dual-knob fasteners to secure the table in place.

This image illustrates the adjustable height range of the drafting table, from 33.5 to 40 inches.

Angle Adjustment

The tabletop angle can be adjusted from 0° (flat) to 65° for various tasks such as drafting, drawing, painting, or reading. To adjust the angle:

1. Loosen the large circular knobs on both sides of the tabletop, near the tilting mechanisms.
2. Gently tilt the tabletop to your preferred angle.
3. Firmly tighten the circular knobs to lock the tabletop securely at the chosen angle.

This image demonstrates the tilting capability of the drafting table, allowing adjustment from a flat 0 degrees to an inclined 65 degrees.

This video showcases the height and angle adjustment features of the MEEDEN Artist Beechwood Drafting Table.

T-Square Ruler and Pen Ledge

The table includes a T-square ruler and a pen ledge for convenience. The T-square ruler slides along the edge of the table, assisting with straight lines and measurements. The pen ledge provides a secure place to keep your drawing tools within easy reach and prevents them from rolling off when the table is tilted.

A detailed view of the T-square ruler in position on the drafting table, highlighting the solid wood construction.

Maintenance

Proper care will ensure the longevity and appearance of your MEEDEN drafting table.

- **Cleaning:** Wipe the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that can damage the finish.
- **Wood Care:** The table is made from high-quality beech wood with a retro wood finish. To maintain the wood's integrity, avoid prolonged exposure to direct sunlight or extreme humidity. Periodically, a wood-safe polish or conditioner can be applied to preserve the finish.
- **Hardware:** Regularly check all screws, bolts, and adjustment knobs to ensure they are tight. Retighten as necessary to maintain stability and prevent wobbling.

- **Weight Limit:** Adhere strictly to the maximum weight recommendation of 16 kg (35.3 lbs) on the tabletop to prevent structural damage.

Troubleshooting

If you encounter any issues with your drafting table, refer to the following common solutions:

- **Table Wobbles:** Ensure all assembly fasteners and adjustment knobs are securely tightened. Check that the table is placed on a flat, even surface.
- **Difficulty Adjusting Height/Angle:** Loosen the respective adjustment knobs sufficiently before attempting to change the position. Do not force the mechanism. If resistance persists, check for any obstructions.
- **Scratches/Dents on Surface:** The wood surface can be susceptible to marks from sharp objects. Use a protective mat or cover when working with tools that may scratch the surface. Minor scratches on wood can sometimes be treated with wood repair kits or markers.

For issues not covered here, please contact MEEDEN customer support.

Specifications

Feature	Detail
Brand	MEEDEN
Model Number	ES-6008-YPS
Product Dimensions	20"D x 32"W x 40"H (50.8 cm D x 81.28 cm W x 101.6 cm H)
Item Depth (Tabletop)	30 inches (76.2 cm)
Color	Walnut
Style	Vintage
Base Material	Beech Wood
Top Material Type	Wood
Finish Type	Polished
Special Feature	Adjustable Height
Minimum Height	85 Centimeters (33.5 inches)
Maximum Height	102 Centimeters (40 inches)
Maximum Tilt Angle	65 Degrees
Working Surface Diagonal Length	52.05 Inches (132.2 cm)
Item Weight	38.6 Pounds (17.5 kg)
Maximum Weight Recommendation	16 Kilograms (35.3 lbs)
Required Assembly	Yes
Included Components	T-square ruler, Pen Ledge

Warranty Information

The MEEDEN ES-6008-YPS Extra-Large Wood Drafting Table comes with a**Limited Warranty**. For specific details regarding warranty coverage, terms, and conditions, please refer to the warranty card included with your product or contact MEEDEN customer support.
