Vanity Top (Engineered Marble) Care:

- The engineered marble top is designed for easy cleaning. Use mild soap and water for daily cleaning.
- Do not place hot items directly on the surface without protection.
- Avoid contact with strong acids, alkalis, or solvents, which can etch or discolor the surface.

Mirror Care:

- Clean the mirror with a glass cleaner and a soft, lint-free cloth.
- Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping behind the frame.
