## AC ADAPTER FOR PHILIPS NORELCO 5825XL SHAVER

### 1. Introduction

---

This manual provides essential information for the safe and effective use of your new AC Adapter, specifically designed as a compatible replacement power supply for the Philips Norelco 5825XL shaver. Please read this manual thoroughly before use and retain it for future reference.

This product is a power supply cable only and does not contain a battery. It is intended to provide power to your device, not to charge an internal battery.

### 2. Product Overview

---

Figure 2.1: The AC Adapter for Philips Norelco 5825XL. This image shows the full length of the coiled power cord, highlighting the standard two-prong wall plug and the specific barrel connector designed for the shaver.

Figure 2.2: Connector Compatibility Guide. This image illustrates the correct barrel connector type for the Philips Norelco 5825XL (indicated by a green checkmark) and two common incorrect connector types (indicated by red X marks), emphasizing the importance of verifying the connector shape.

This AC adapter is a compatible replacement power supply for the Philips Norelco 5825XL shaver. It features a standard 2-prong US wall plug and a specific barrel connector designed to fit the Philips Norelco 5825XL model only. It provides a stable 120V input for reliable operation.

### 3. Setup Guide

Follow these steps to properly set up your AC adapter:

1. **Verify Compatibility:** Ensure your shaver is a Philips Norelco 5825XL model. This adapter is designed exclusively for this specific model. Refer to Figure 2.2 for visual confirmation of the correct connector type.
2. **Inspect the Adapter:** Before first use, visually inspect the adapter and cable for any signs of

damage, such as frayed wires or bent prongs. Do not use if damaged.

3. **Connect to Shaver:** Carefully insert the barrel connector end of the AC adapter into the power input port on your Philips Norelco 5825XL shaver. Ensure a snug and secure fit.
4. **Plug into Outlet:** Insert the two-prong plug into a standard 120V AC wall power socket.
5. **Power On:** Once connected, your shaver should receive power.

## 4. Operating Instructions

---

This AC adapter functions as a direct power supply for your Philips Norelco 5825XL shaver. It is not a battery charger.

- **Direct Power:** The adapter provides continuous power to your shaver when plugged into a wall outlet.
- **Usage:** Use your shaver as normal while it is connected to the power adapter and a live electrical outlet.
- **Disconnection:** To disconnect, first unplug the adapter from the wall outlet, then gently remove the barrel connector from the shaver.

## 5. Maintenance and Care

---

Proper care will extend the life of your AC adapter:

- **Cleaning:** Disconnect the adapter from both the shaver and the wall outlet before cleaning. Wipe the adapter and cable with a dry, soft cloth. Do not use liquid cleaners or abrasive materials.
- **Storage:** When not in use, store the adapter in a cool, dry place, away from direct sunlight and moisture. Avoid tightly coiling the cable to prevent damage.
- **Handling:** Always grasp the plug when inserting or removing from an outlet. Do not pull on the cord.
- **Avoid Damage:** Do not place heavy objects on the cable or expose it to sharp edges.

## 6. Troubleshooting

---

If you encounter issues with your AC adapter, refer to the following common problems and solutions:

- **No Power to Shaver:**
  - Ensure the adapter is securely plugged into both the shaver and a working wall outlet.
  - Test the wall outlet with another device to confirm it has power.
  - Verify that the adapter's barrel connector is fully inserted into the shaver's power port.
  - Confirm that your shaver is indeed the Philips Norelco 5825XL model. This adapter is model-specific.
- **Adapter Feels Warm:**
  - It is normal for the adapter to feel slightly warm during operation. If it becomes excessively hot, disconnect it immediately and contact customer support.
- **Visible Damage:**
  - If the cable or plug shows any signs of damage (e.g., cuts, fraying, exposed wires), discontinue use immediately to prevent electrical hazards.

## 7. Product Specifications

Feature	Specification
Product Name	AC Adapter for Philips Norelco 5825XL
Model Compatibility	Philips Norelco 5825XL (fit This Model Only)
Input Voltage	120 Volts
Connector Type	Barrel Connector
