CADA C61036W

CADA C61036W Humvee H1 Off-Road Vehicle Building Block Kit

Model: C61036W | Brand: CADA

1. INTRODUCTION AND OVERVIEW

This instruction manual provides comprehensive guidance for assembling and understanding the CADA C61036W Humvee H1 Off-Road Vehicle Building Block Kit. This 1:8 scale model is designed for enthusiasts who appreciate detailed construction and realistic functionality. The kit comprises 3935 high-quality ABS plastic parts, offering a challenging yet rewarding building experience.

Upon completion, the model features a stable structure with classic body elements, including a steering wheel, double seats, iconic lights, exhaust, and taillights. It is an excellent display piece for any home or office.

2. PRODUCT FEATURES

- **Model Number:** C61036W Humvee H1 Off-Road Vehicle.
- **Part Count:** Total of 3935 building block pieces.
- **Compatibility:** All parts are compatible with original Lego Technic components.
- **Realistic Design:** Features a classic body, functional steering wheel, double seats, detailed lights, exhaust system, and taillights.
- **Stable Structure:** Engineered for durability and stability, incorporating front and rear suspension.
- **Scale:** 1:8 scale model, officially approved.

3. PACKAGE CONTENTS

The CADA C61036W Humvee H1 Off-Road Vehicle Building Block Kit includes:

- 3935 individual ABS plastic building block parts.
- Detailed paper instruction manual for assembly.
- Parts organized in step-by-step numbered packages to facilitate assembly.

4. SAFETY INFORMATION

WARNING: This kit contains small parts. It is not suitable for children under 3 years of age due to choking hazards. Adult supervision is recommended during assembly for younger builders.

- Keep all parts away from infants and small children.
- Ensure all connections are secure to prevent parts from detaching during play or display.
- Dispose of packaging materials responsibly.

5. SETUP (ASSEMBLY)

The assembly process for the CADA C61036W model is designed to be engaging and educational. Follow the detailed paper instruction manual provided in the box. The parts are organized into numbered packages, corresponding to the steps in the manual, to simplify the building process.

1. **Unpack:** Carefully open the product packaging and lay out the numbered bags of parts.

2. **Follow Instructions:** Refer to the detailed paper instruction manual. Each step is illustrated to guide you through the construction.
3. **Step-by-Step Building:** Open the numbered bags as indicated in the manual for each section of the build. This prevents mixing parts and simplifies identification.
4. **Verify Connections:** Ensure all blocks are firmly connected to create a stable structure.
5. **Enjoy the Process:** The assembly is a challenging but rewarding experience, allowing you to understand the principles of construction and engineering.

6. OPERATING (FUNCTIONS)

Once assembled, the CADA C61036W model offers several interactive features:

- **Steering:** The model includes a functional steering mechanism, allowing the front wheels to turn.
- **Suspension:** Both front and rear wheels feature independent suspension for realistic movement.

- **Opening Doors:** The vehicle's doors can be opened and closed.
- **Hood Access:** The hood can be opened to reveal the detailed engine compartment.
- **Trunk Access:** The rear trunk door is elastic and can be opened.
- **Interchangeable Weapons:** The model includes a rocket launcher and a machine gun that can be interchanged on the roof.
- **Removable Bumper:** The front bumper is designed to be removable.

7. MAINTENANCE

To ensure the longevity and appearance of your CADA C61036W model:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material

degradation.

- **Handling:** Handle the model with care, especially when moving it, to avoid accidental detachment of parts.
- **Part Integrity:** Periodically check for any loose connections and re-secure them if necessary.

8. TROUBLESHOOTING

Should you encounter any issues during assembly or with the completed model, consider the following:

- **Missing Parts:** Double-check all packaging and the instruction manual's parts list. If a part is genuinely missing, contact the seller or manufacturer for assistance.
- **Assembly Difficulties:** Refer back to the instruction manual. Pay close attention to the illustrations and ensure each step is followed precisely. Sometimes, a small error in an earlier step can affect later assembly.
- **Loose Connections:** Ensure that all building blocks are pressed firmly together until they click into place.
- **Functional Issues:** If a mechanism (e.g., steering, suspension) is not working correctly, re-examine the relevant assembly steps to ensure all gears and linkages are correctly aligned and connected.

9. SPECIFICATIONS

Attribute	Detail
Model Number	C61036W
Brand	CADA
Material	ABS Plastic
Number of Parts	3935
Scale	1:8
Dimensions (L x W x H)	52.6 cm x 25 cm x 21.2 cm
Theme	Military Off-Road Vehicle (Humvee H1)
