

GOOJODOQ GOOJODOQ

GOOJODOQ Magic Keyboard Case User Manual

Model: GOOJODOQ

1. INTRODUCTION

The GOOJODOQ Magic Keyboard Case is designed to enhance your iPad experience, offering a comfortable typing solution, an integrated pencil holder, and an upgraded iPad pencil. This product is compatible with iPad 11" and iPad Air 5th generation models. It features an LED display for real-time Bluetooth connection status and keyboard battery level.

The included GOOJODOQ pencil holder is specifically designed for the Apple Pencil 2nd Generation, ensuring secure storage and compatibility with various iPad cases. The upgraded GD13 pencil supports magnetic charging and palm rejection for a natural writing experience.

2. PACKAGE CONTENTS

Please verify that all items listed below are present in your package:

- GOOJODOQ Magic Keyboard (x1)
- GOOJODOQ Pencil Holder (x1)
- GOOJODOQ iPad Pencil (x1)
- USB Cable (x1)

3. SETUP

3.1 Installing the iPad and Pencil Holder

The keyboard and your iPad are designed for magnetic attachment, ensuring a secure and stable connection. The pencil holder is installed between the iPad and the keyboard/case.

1. Align your iPad with the magnetic area on the keyboard case. The magnets will automatically secure the iPad in place.
2. Position the GOOJODOQ pencil holder between the iPad and the keyboard. It is designed to fit snugly and securely.

Easy Installation

Install the case between iPad and keyboard/case, storage your Pen in place.

Highly Stable

Not easy to fall off, strong stability.

Figure 3.2: The stable design ensures the iPad remains securely attached to the keyboard case.

3.2 Bluetooth Connection for Keyboard

To connect your keyboard to your iPad via Bluetooth:

1. Ensure the keyboard is charged.
2. Turn on the keyboard.
3. On your iPad, go to **Settings** > **Bluetooth** and turn Bluetooth on.
4. Look for "GOOJODOQ Keyboard" or a similar name in the list of devices and tap to connect.
5. The keyboard's LED display will show the Bluetooth connection status and battery level in real time.

4. OPERATING INSTRUCTIONS

4.1 Using the Keyboard

- **Backlight Control:** The keyboard features 7-color backlighting. Use the dedicated key (often a light bulb icon) to

cycle through colors and adjust brightness.

- **LED Display:** Monitor your keyboard's battery level and Bluetooth connection status directly on the integrated LED display.
- **Function Keys:** Utilize the top row of function keys for quick access to iPad features like volume control, media playback, and screen lock.

4.2 Using the GOOJODOQ iPad Pencil

The included GOOJODOQ iPad Pencil (GD13) offers advanced features for a seamless writing and drawing experience.

- **Magnetic Charging:** Simply attach the GD13 pencil to the side of a compatible iPad via magnet to charge it immediately. No charging cable or Bluetooth pairing is needed for charging.
- **Palm Rejection:** Rest your hand naturally on the iPad screen while writing or drawing without causing unintended marks. This feature allows for comfortable and precise input.

Wireless Charging

No charging cable needed! No Bluetooth required!
Magnetically attach to the iPad for charging immediately!

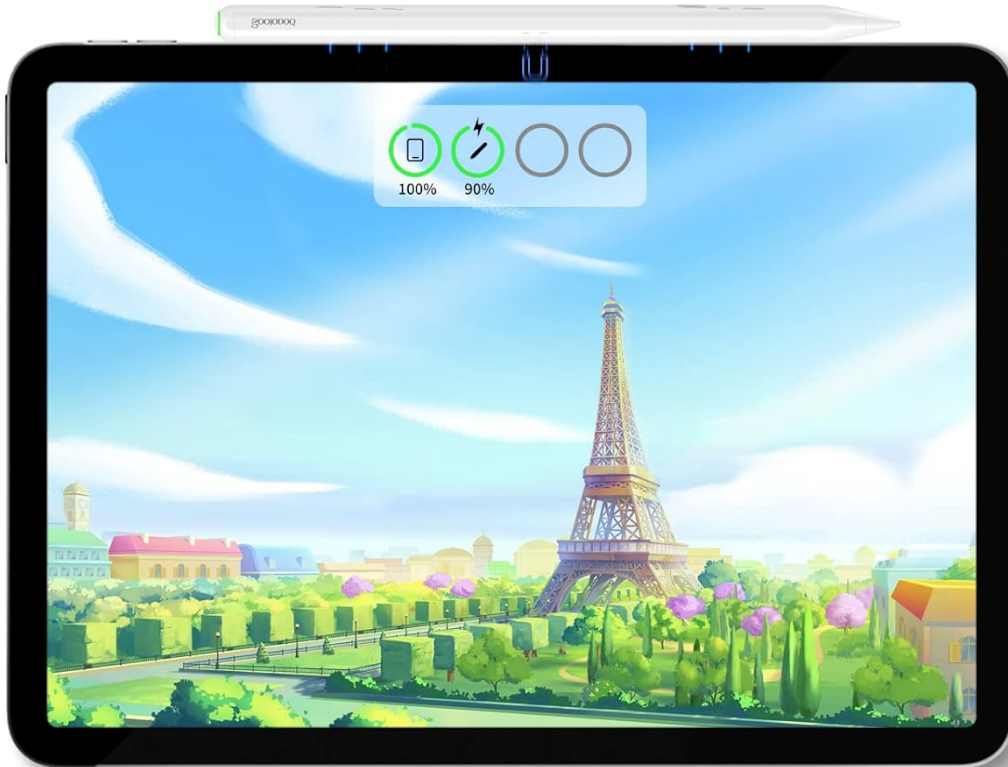

Figure 4.2: The pencil charges wirelessly when magnetically attached to the iPad.

Palm Rejection

Rest your hand on the iPad screen naturally writing smoothly as on paper.

Figure 4.3: Palm rejection allows for natural hand placement on the screen while using the pencil.

Convenience Design

The incision is designed for easy removal of the pencil.

Figure 4.4: The pencil holder features an incision for easy removal of the pencil.

5. MAINTENANCE

To ensure the longevity and optimal performance of your GOOJODOQ Magic Keyboard Case and Pencil, follow these maintenance guidelines:

- **Cleaning:** Use a soft, lint-free cloth to gently wipe the surfaces of the keyboard and case. For stubborn smudges, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the keyboard case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Charging:** Regularly charge the keyboard to maintain battery health. Avoid completely draining the battery frequently.
- **Pencil Care:** Keep the pencil tip clean. If the tip becomes worn, replacement tips may be available from the manufacturer.

6. TROUBLESHOOTING

If you encounter issues with your GOOJODOQ Magic Keyboard Case, refer to the following common troubleshooting steps:

- **Keyboard Not Connecting via Bluetooth:**

- Ensure the keyboard is turned on and fully charged.
- Turn off and then on your iPad's Bluetooth.
- Forget the device in your iPad's Bluetooth settings and try pairing again.
- Restart both your iPad and the keyboard.

- **Keyboard Backlight Not Working:**

- Check if the keyboard battery is low. Charge the keyboard.
- Press the backlight control key to ensure it's not turned off or at the lowest brightness setting.

- **Pencil Not Charging:**

- Ensure the pencil is correctly aligned and magnetically attached to the side of your compatible iPad.
- Verify your iPad's battery level is sufficient.

- **Pencil Not Responding / Palm Rejection Issues:**

- Ensure the pencil is charged.
- Check if your iPad's software is up to date.
- Restart your iPad.

If these steps do not resolve the issue, please contact customer support.
