SAFETY WARNINGS

- **Assembly:** Assemble the bed strictly according to the instructions provided to prevent instability or collapse. Ensure all fasteners are securely tightened.
- **Weight Capacity:** Do not exceed the maximum load capacity of **120 kg (approximately 264 lbs)**. Overloading can compromise the bed's structural integrity and lead to injury.
- **Supervision:** Young children should be supervised when using the bed.
- **Placement:** Position the bed away from windows, heating sources, and cords that could pose a strangulation hazard.
- **Mattress:** Use a mattress that fits the bed frame dimensions (90x200cm) to prevent gaps that could trap a child. The recommended mattress thickness is 8-12 cm.
- **No Power Tools:** Do not use power tools for assembly, as this may overtighten fasteners and damage components.

PACKAGE CONTENTS

Before beginning assembly, verify that all components and hardware are present and undamaged. Refer to the packing list included with your product for a detailed inventory.

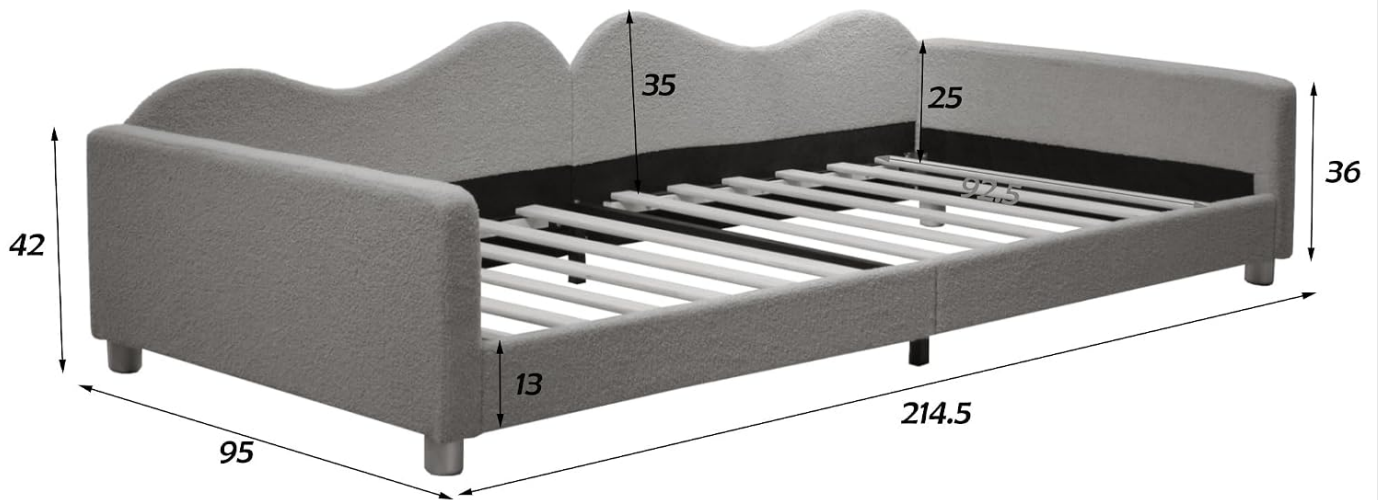

- Bed frame components (headboard, footboard, side rails)
- Wooden slat system (12 slats)
- Assembly hardware (screws, bolts, washers, etc.)
- Assembly tools (screwdriver, wrench if applicable)

ASSEMBLY INSTRUCTIONS

Assembly is estimated to take approximately 30 minutes with two people. All necessary tools are included. Do not use power tools.

1. **Unpack:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are firm but do not overtighten initially.
3. **Install Slats:** Place the wooden slats onto the designated supports on the bed frame. Secure each slat as per the instructions, ensuring even spacing.
4. **Final Tightening:** Once all components are in place, go back and securely tighten all screws and bolts. Do not overtighten.
5. **Placement:** Position the bed in its desired location.
6. **Mattress:** Place a compatible 90x200cm mattress on the slat system.

USAGE GUIDELINES

The Moimhear Children's Upholstered Bed is designed for versatile use in various settings.

- **Standard Bed:** Use as a comfortable and secure bed for children.
- **Daybed Functionality:** The design with a backrest and armrests allows it to function as a daybed or sofa in a living room or child's play area.
- **Parent-Child Splicing Bed:** Its moderate height and design make it suitable for use as a "splicing bed" alongside a larger adult bed, facilitating co-sleeping arrangements while providing a separate space for the child.
- **Flexible Placement:** The bed's design, featuring a backrest, headboard, and footboard, allows for flexible placement within any room.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your Moimhear bed.

- **Fabric Care:** The bed is made from soft, comfortable plush fabric that is wear-resistant and non-pilling. For general cleaning, gently vacuum the fabric to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner specifically designed for upholstery, testing on an inconspicuous area first. Do not saturate the fabric.
- **Frame Care:** Wipe wooden and metal parts with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Regular Checks:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary, but do not overtighten.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading.
