## OPERATING INSTRUCTIONS

Follow these steps to create bubbles:

- Remove Cap:** Gently twist and pull the cap off the bubble wand. The cap is designed to be easy to grip.
- Dip Wand:** The bubble solution is already inside the wand. The bubble ring is attached to the cap.
- Blow Bubbles:** Hold the cap with the bubble ring and gently blow through the opening to create bubbles. For best results, blow steadily and slowly.
- Re-cap:** After use, securely place the cap back onto the wand to prevent leakage and preserve the solution.
