## INSTALLATION GUIDE

---

This ceiling fan supports both flush mount and downrod mount installations. Ensure you have the necessary tools and follow all safety precautions before beginning.

### Pre-Installation Checklist:

- Verify all parts are present (refer to Package Contents).
- Turn off power at the main circuit breaker.
- Ensure the mounting location can support the fan's weight.

### Mounting Options:

The fan can be installed as a flush mount (5.9 inches from ceiling) or with a downrod (15.75 inches from ceiling). It also supports sloped ceilings up to 30 degrees.

### **Wiring:**

Connect the fan's wiring to your household electrical system according to local electrical codes. It is recommended to consult a qualified electrician for proper wiring to prevent electrical hazards. Ensure the ground cable is properly extended and connected if needed, as per safety warnings.

### **OPERATING INSTRUCTIONS**

Your Ensenior ceiling fan is controlled by the included remote. Ensure batteries are installed correctly in the remote control.

## Fan Functions:

- **Power On/Off:** Press the fan button to turn the fan on or off.
- **Speed Control:** Use the speed buttons to cycle through 6 fan speeds. Speeds 1-2 are for gentle airflow, 3-4 for moderate, and 5-6 for strong airflow.
- **Reversal Design:** The fan features a reversible motor for seasonal use. In summer, the fan rotates counter-clockwise to create a cooling downdraft. In winter, it rotates clockwise to circulate warm air. Refer to the remote control for the specific button to change direction.
- **Timer:** Set the fan to turn off automatically after 1, 2, 4, or 8 hours using the timer function on the remote.

## Light Functions:

- **Light On/Off:** Press the light button to turn the light on or off.
- **Color Temperature (CCT) Adjustment:** The light offers 7 color temperature options, ranging from 2700K (warm white) to 6000K (cool white).
  - **Short Press:** Adjusts CCT step-by-step.
  - **Long Press:** Provides stepless CCT adjustment.
- **Dimming:** The light is 8%-100% dimmable.
  - **Short Press:** Adjusts brightness step-by-step.
  - **Long Press:** Provides stepless dimming.
- **Night Light:** Activate the night light function for a soft, low-brightness light (8% brightness at 2700K).

## MAINTENANCE

Regular maintenance helps ensure the longevity and optimal performance of your ceiling fan.

- **Cleaning:** To clean the fan, wipe with a soft, damp cloth. Do not use abrasive cleaners or solvents. Ensure power is off before cleaning.
- **Blade Care:** The fan features durable ABS blades. Clean them gently to avoid damage.
- **Motor:** The premium DC motor is designed for quiet operation and typically requires no lubrication.
- **Light Fixture:** The integrated LED light is a non-removable fixture. Do not attempt to replace the

LED components.

## TROUBLESHOOTING

---

If you experience issues with your ceiling fan, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Fan does not start	No power to the fan; Remote control battery low or incorrectly installed; Incorrect wiring.	Check circuit breaker; Replace remote battery; Verify wiring connections (consult electrician if needed).
Light does not work	No power to the light; Remote control battery low; Integrated LED failure.	Check circuit breaker; Replace remote battery; Contact customer support if LED is faulty (non-replaceable).
Remote control is unresponsive or intermittent	Low battery; Obstruction between remote and receiver; Remote not paired (if applicable).	Replace remote battery; Ensure clear line of sight; Refer to remote pairing instructions (if provided separately).
Fan makes grinding noise	Loose screws; Internal motor issue; Obstruction.	Check and tighten all mounting screws; Ensure no obstructions are near blades; Contact customer support if motor issue persists.
Fan wobbles	Loose mounting hardware; Unbalanced blades.	Ensure all mounting hardware is secure; Check for balanced blades (balancing kit may be required, not included).
