PARGRILL Three-Shelf Outdoor Grill Table

Model: 7a0d4461-f505-4fcc-84f9-5536c2339680

1. INTRODUCTION AND OVERVIEW

The PARGRILL Three-Shelf Outdoor Grill Table is a versatile and robust solution designed to enhance your outdoor cooking and preparation experience. Featuring a spacious stainless steel countertop, a foldable side table, and ample storage, this unit provides convenience and functionality for various outdoor activities, from grilling and pizza making to general food preparation and serving. Its mobile design with locking casters ensures easy repositioning and stable use.

2. PRODUCT FEATURES

The PARGRILL Outdoor Grill Table is engineered with several key features to optimize usability and durability:

- **Spacious Stainless Steel Countertop:** A large L30" x W20" work surface, complemented by a 14.4" foldable side table, offers extensive space for food preparation, plating, and serving.
- **Three-Layer Storage Design:** Provides ample space for organizing cooking essentials and accessories.
- **Integrated Accessories:** Includes a built-in bottle opener, a convenient paper towel holder, a practical garbage rack, and four utility hooks for hanging tools.
- **Enhanced Mobility and Stability:** Equipped with four 360-degree swivel casters, each with a brake, allowing for easy movement and secure locking in place.
- **Customizable Storage:** Features an adjustable middle partition on the shelves to accommodate items of various sizes.
- **Durable Construction:** Made from stainless steel, ensuring the desktop is waterproof, rust-proof, and heat-resistant. The second shelf includes bars and drainage holes to prevent slipping and water accumulation.
- **Versatile Functionality:** Suitable for use as a barbecue table, pizza oven table, outdoor cooking table, potting table, or general workbench, both indoors and outdoors.

3. SETUP AND ASSEMBLY

The PAR GRILL Outdoor Grill Table is designed for straightforward assembly. All components are clearly marked with letters to simplify the installation process. Please follow the included instructions carefully.

3.1. Unpacking and Component Identification

- Carefully remove all parts from the packaging.
- Verify that all components listed in the instruction manual are present. Components are labeled with letters for easy identification.
- Ensure all hardware (screws, nuts, etc.) from the blister accessories box is accounted for.

3.2. Assembly Steps

1. Begin by attaching the main support legs to the base frame.
2. Install the swivel casters onto the bottom of the legs, ensuring they are securely fastened.
3. Mount the bottom shelf onto the designated supports.

4. Attach the middle shelf. Note that this shelf features an adjustable partition for customizable storage.
5. Secure the stainless steel countertop to the top of the frame.
6. Install the foldable side table mechanism and the side table itself.
7. Attach all accessories: the bottle opener, paper towel holder, garbage rack, and tool hooks to their respective positions.
8. Tighten all screws and connections to ensure the table is stable and secure before use.

4. OPERATING INSTRUCTIONS

The PAR GRILL Outdoor Grill Table is designed for ease of use and versatility in various outdoor settings.

4.1. Utilizing the Foldable Side Table

The side table extends your workspace by 14.4 inches. To deploy, simply lift and extend the table until it locks into place. To fold, release the locking mechanism and collapse the table against the main unit for compact storage.

5. MAINTENANCE

Proper maintenance will ensure the longevity and optimal performance of your PARGRILL Outdoor Grill Table.

5.1. Cleaning

- **Stainless Steel Surfaces:** Wipe down the stainless steel countertop and other metal surfaces with a damp cloth and mild detergent after each use. Dry thoroughly to prevent water spots. Avoid abrasive cleaners or scouring pads that can scratch the surface.
- **Shelves:** The shelves, especially the second shelf with drainage holes, can be easily wiped clean. The

drainage holes help prevent water accumulation.

- **General Cleaning:** For general dirt and debris, use a soft brush or cloth.

5.2. Caster Care

Periodically check the casters for any debris (dirt, hair, etc.) that might impede their movement. Clean them as needed to ensure smooth rotation and effective braking.

5.3. Storage

When not in use, especially during prolonged periods or adverse weather, it is recommended to store the table in a dry, covered area to protect it from the elements and extend its lifespan. The foldable side table allows for more compact storage.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your grill table.

6.1. Table Instability

- **Issue:** Table wobbles or feels unstable.
- **Solution:** Ensure all assembly screws and bolts are securely tightened. Check that the casters are fully engaged in their locked position if the table is meant to be stationary. Verify the table is on a flat, level surface.

6.2. Difficulty Moving Table

- **Issue:** Casters do not roll smoothly or are difficult to turn.
- **Solution:** Ensure all caster brakes are disengaged. Check the wheels for any accumulated debris (dirt, string, etc.) and clean them if necessary.

6.3. Side Table Not Folding/Extending Properly

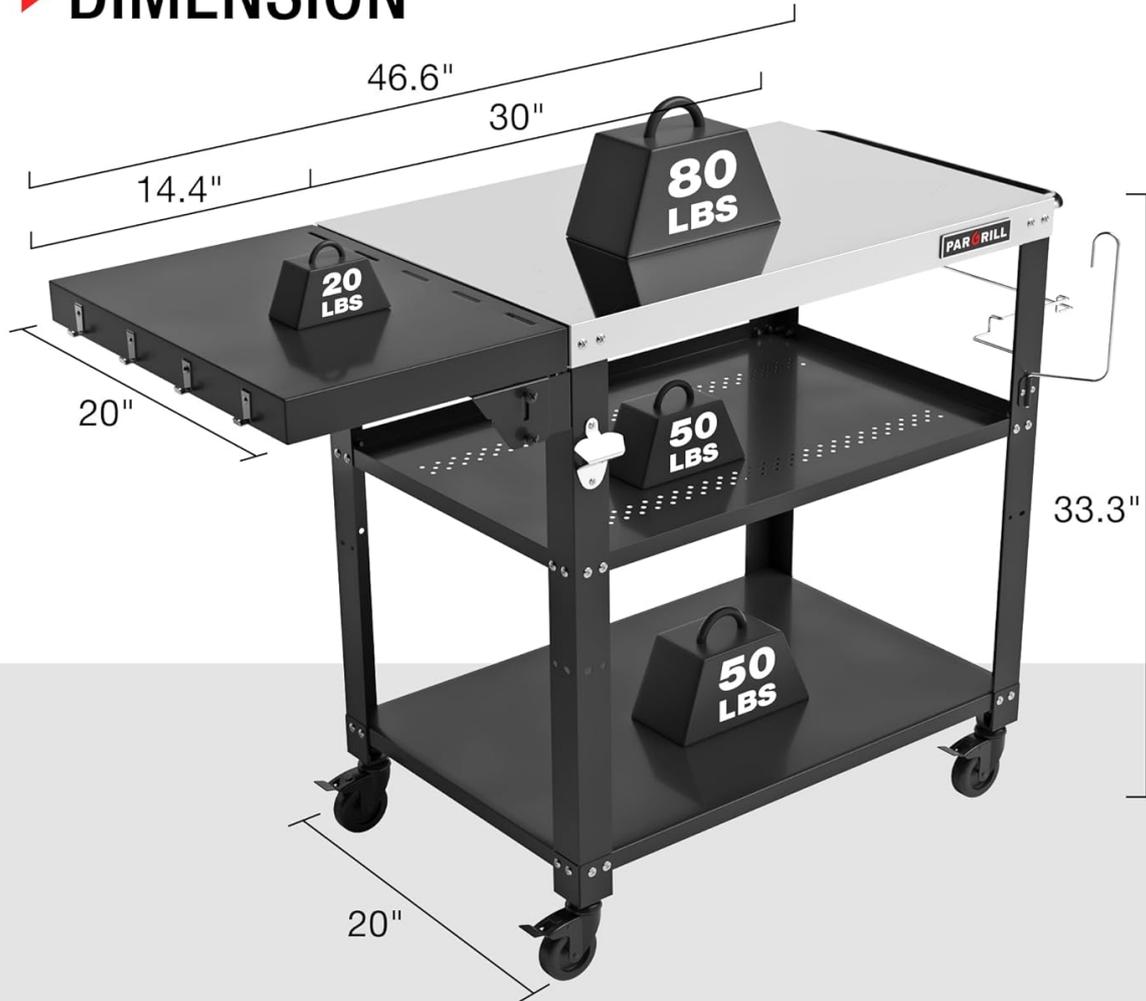

- **Issue:** The foldable side table mechanism is stiff or does not lock.
- **Solution:** Check for any obstructions in the folding mechanism. Ensure all connecting hardware for the side table is properly installed and tightened, but not overtightened to impede movement.
