## toocki TQ-ZJ10

# toocki Cup Holder Phone Mount for Car - Instruction Manual

Model: TQ-ZJ10 | Brand: toocki

## PRODUCT OVERVIEW

The toocki Cup Holder Phone Mount is designed to securely hold both your phone and a cup, providing convenience and accessibility while driving. It features an adjustable bottom support and a dedicated space for charging cables, ensuring your device stays powered. The sturdy clamp arm offers a stable grip for reliable navigation. Its space-saving design allows for simultaneous use of the phone mount and your vehicle's cup holder, fitting various car models and cup types. The flexible metal gooseneck enables unlimited adjustment for optimal viewing angles, ensuring a comfortable and convenient driving experience.

## PACKAGE CONTENTS

The package includes:

- Cup Holder Mount

## SETUP AND INSTALLATION

Follow these steps to properly set up and install your cup holder phone mount:

1. **Prepare the Mount:** Attach the phone holder to the gooseneck arm. Ensure the ball joint is securely tightened for stability.
2. **Insert into Cup Holder:** Place the base of the mount into your vehicle's cup holder. The C-shaped hollow base is designed to fit various cup holder sizes (2.4-4.5 inches).

- Secure the Base:** The manual locking mechanism allows you to secure the mount firmly. Twist the base to expand and lock it into place within the cup holder.
- Adjust Gooseneck and Phone Holder:** Utilize the flexible metal gooseneck to adjust the height and angle of the phone holder for optimal viewing. The phone holder also features 360° rotation.

## OPERATING INSTRUCTIONS

Using your toocki Cup Holder Phone Mount is straightforward:

- Inserting Your Phone:** Gently press the side arms of the phone holder to open them. Place your smartphone (4-7 inches) into the holder and release the arms. The holder will automatically grip your phone securely.
- Removing Your Phone:** Press the one-touch release button located on the side of the phone holder to quickly and effortlessly detach your phone.
- Charging Cable Access:** The mount includes a dedicated space at the bottom for charging cables, allowing you to charge your phone while it's mounted.
- Using the Cup Holder:** The integrated cup holder expander is designed to hold various types of cups, such as thermos cups, coffee cups, cans, and beverage bottles, without occupying the original cup holder space. It fits cups between 2.4-4.5 inches in diameter.
- Vehicle Compatibility:** This mount is suitable for a wide range of vehicles including cars, trucks, SUVs, boats, and even massage chairs.

# Flexible Adjustable Gooseneck

Ultra-stable, Never Shake or Drops

## MAINTENANCE

To ensure the longevity and optimal performance of your toocki Cup Holder Phone Mount, follow these simple maintenance guidelines:

- Regularly wipe the mount with a soft, damp cloth to remove dust and debris.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the materials.
- Periodically check all adjustable components and joints to ensure they remain securely tightened.
- Do not expose the mount to extreme temperatures for prolonged periods, as this may affect its material integrity.

## TROUBLESHOOTING

If you encounter any issues with your toocki Cup Holder Phone Mount, please refer to the following common troubleshooting tips:

- **Mount is not stable in cup holder:** Ensure the base is fully expanded and securely locked into your vehicle's cup holder. If your cup holder is too large, consider using an adapter (not included) for a tighter fit.
- **Phone is not held securely:** Verify that your phone is within the supported size range (4-7 inches) and that the side arms of the phone holder are properly gripping the device. Press the arms firmly to ensure a snug fit.
- **Gooseneck is not holding position:** Check the tightening knob at the base of the gooseneck. Tighten it clockwise to increase rigidity and prevent sagging.
- **Phone holder rotation is too loose/tight:** Adjust the tension of the ball joint behind the phone holder by tightening or loosening the collar.

If the issue persists, please contact customer support for further assistance.

## SPECIFICATIONS

Feature	Detail
Brand	toocki
Model Number	TQ-ZJ10
Material	Acrylonitrile Butadiene Styrene, Polypropylene
Color	Black
Item Weight	10.6 ounces
Package Dimensions	5.94 x 5.71 x 5.28 inches
