GEEKERA GY-Z5G-3S

GEEKERA 3-in-1 Foldable Wireless Charger Instruction Manual

Model: GY-Z5G-3S

1. PRODUCT OVERVIEW

The GEEKERA 3-in-1 Foldable Wireless Charger is designed to simultaneously charge your Samsung Galaxy phone, Galaxy Watch, and Galaxy Buds. Its compact, foldable design makes it ideal for both home use and travel. The charger offers adjustable viewing angles for convenience.

2. PACKAGE CONTENTS

Verify that all items are present in the package:

- 1 x GEEKERA 3-in-1 Charging Station
- 1 x 18W Power Adapter
- 1 x 3.3ft USB-C Cable

Package Contents

Image: All components included in the product package: the foldable charging station, an 18W power adapter, and a USB-C cable.

3. SETUP INSTRUCTIONS

1. **Connect the Power Adapter:** Plug the 18W power adapter into a wall outlet.
2. **Connect the USB-C Cable:** Insert one end of the provided USB-C cable into the power adapter and the other end into the USB-C port on the back of the charging station.

3. **Place the Charger:** Position the charging station on a stable, flat surface.

4. OPERATING INSTRUCTIONS

4.1 Charging Devices

1. **Smartphone Charging:** Place your compatible Samsung Galaxy phone on the main charging pad. Ensure it is centered for optimal charging.
2. **Smartwatch Charging:** Place your Samsung Galaxy Watch on the dedicated watch charging module. The unique tray design and non-slip silicone pads help secure the watch in place.
3. **Earbuds Charging:** Place your compatible Samsung Galaxy Buds wireless charging case on the designated earbuds charging area.

Non-Slip Silicone Pad Design

To ensure ultimate stability, the watch charging area is designed with silicone pad.

4.2 Adjustable Angles

The charging stand for your phone can be adjusted to 45 or 60-degree angles, providing flexible viewing options while charging.

Image: The charger demonstrating its foldable design and adjustable charging angles of 45 and 60 degrees.

4.3 LED Indicator Light Control

A touch-sensitive button is located on the charging station to control the LED indicator light. Press the button to turn the light on or off, which is useful for maintaining a dark environment, especially during sleep.

A Good Sleep Ensured

Simply turn off the LED light with
one touch to drift off into dreamland.

7. MAINTENANCE

To ensure the longevity and optimal performance of your GEEKERA 3-in-1 Wireless Charger, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the surface of the charger. Do not use abrasive cleaners or solvents.
- **Avoid Liquids:** Keep the charger away from water and other liquids. If it comes into contact with liquid, disconnect it immediately and allow it to dry completely before reuse.

- **Storage:** When not in use, store the charger in a cool, dry place. Its foldable design allows for easy storage and portability.
- **Cable Care:** Avoid bending or crimping the USB-C cable excessively to prevent damage.

8. TROUBLESHOOTING

If you encounter issues with your GEEKERA 3-in-1 Wireless Charger, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device not charging	Loose cable connection, device not properly aligned, phone case too thick, foreign object on pad.	Ensure the power adapter and USB-C cable are securely connected. Reposition your device on the charging pad to ensure proper alignment. Remove thick phone cases. Remove any metallic objects from the charging surface.
Watch charging is unstable or not working	Watch not seated correctly, watch model incompatibility.	Ensure your Galaxy Watch is placed firmly on the dedicated watch charging module, utilizing the non-slip pads. Confirm your watch is a compatible Samsung Galaxy Watch model.
LED indicator light is always on/off or flickering	Light control button not pressed, temporary glitch.	Press the touch-sensitive button to toggle the LED light. If the issue persists, disconnect and reconnect the power cable.
Slow charging speed	Using a non-18W power adapter, multiple devices charging simultaneously.	Ensure you are using the provided 18W power adapter. Charging multiple devices simultaneously may slightly reduce individual charging speeds.

9. SPECIFICATIONS

Feature	Detail
Brand	GEEKERA
Model Number	GY-Z5G-3S
Connector Type	USB Type C
Input Voltage	9 Volts
Wattage	18 Watts
Special Features	3-in-1 foldable and portable design, adjustable charging angles (45/60 degrees), sleep-friendly LED light control, multiple safety protections.
