TOZO T13120

TOZO OpenReal Headphones User Manual

Model: T13120 | Brand: TOZO

INTRODUCTION

The TOZO OpenReal headphones feature an innovative open-ear design, providing a comfortable listening experience without entering the ear canal. This design allows for real-time situational awareness, making them ideal for various activities while staying connected to your surroundings. Utilizing air conduction technology, these headphones deliver clear and concentrated sound, minimizing sound leakage. They are equipped with Bluetooth 5.3 for stable connectivity and dual microphones with noise reduction for crystal-clear calls.

WHAT'S IN THE BOX

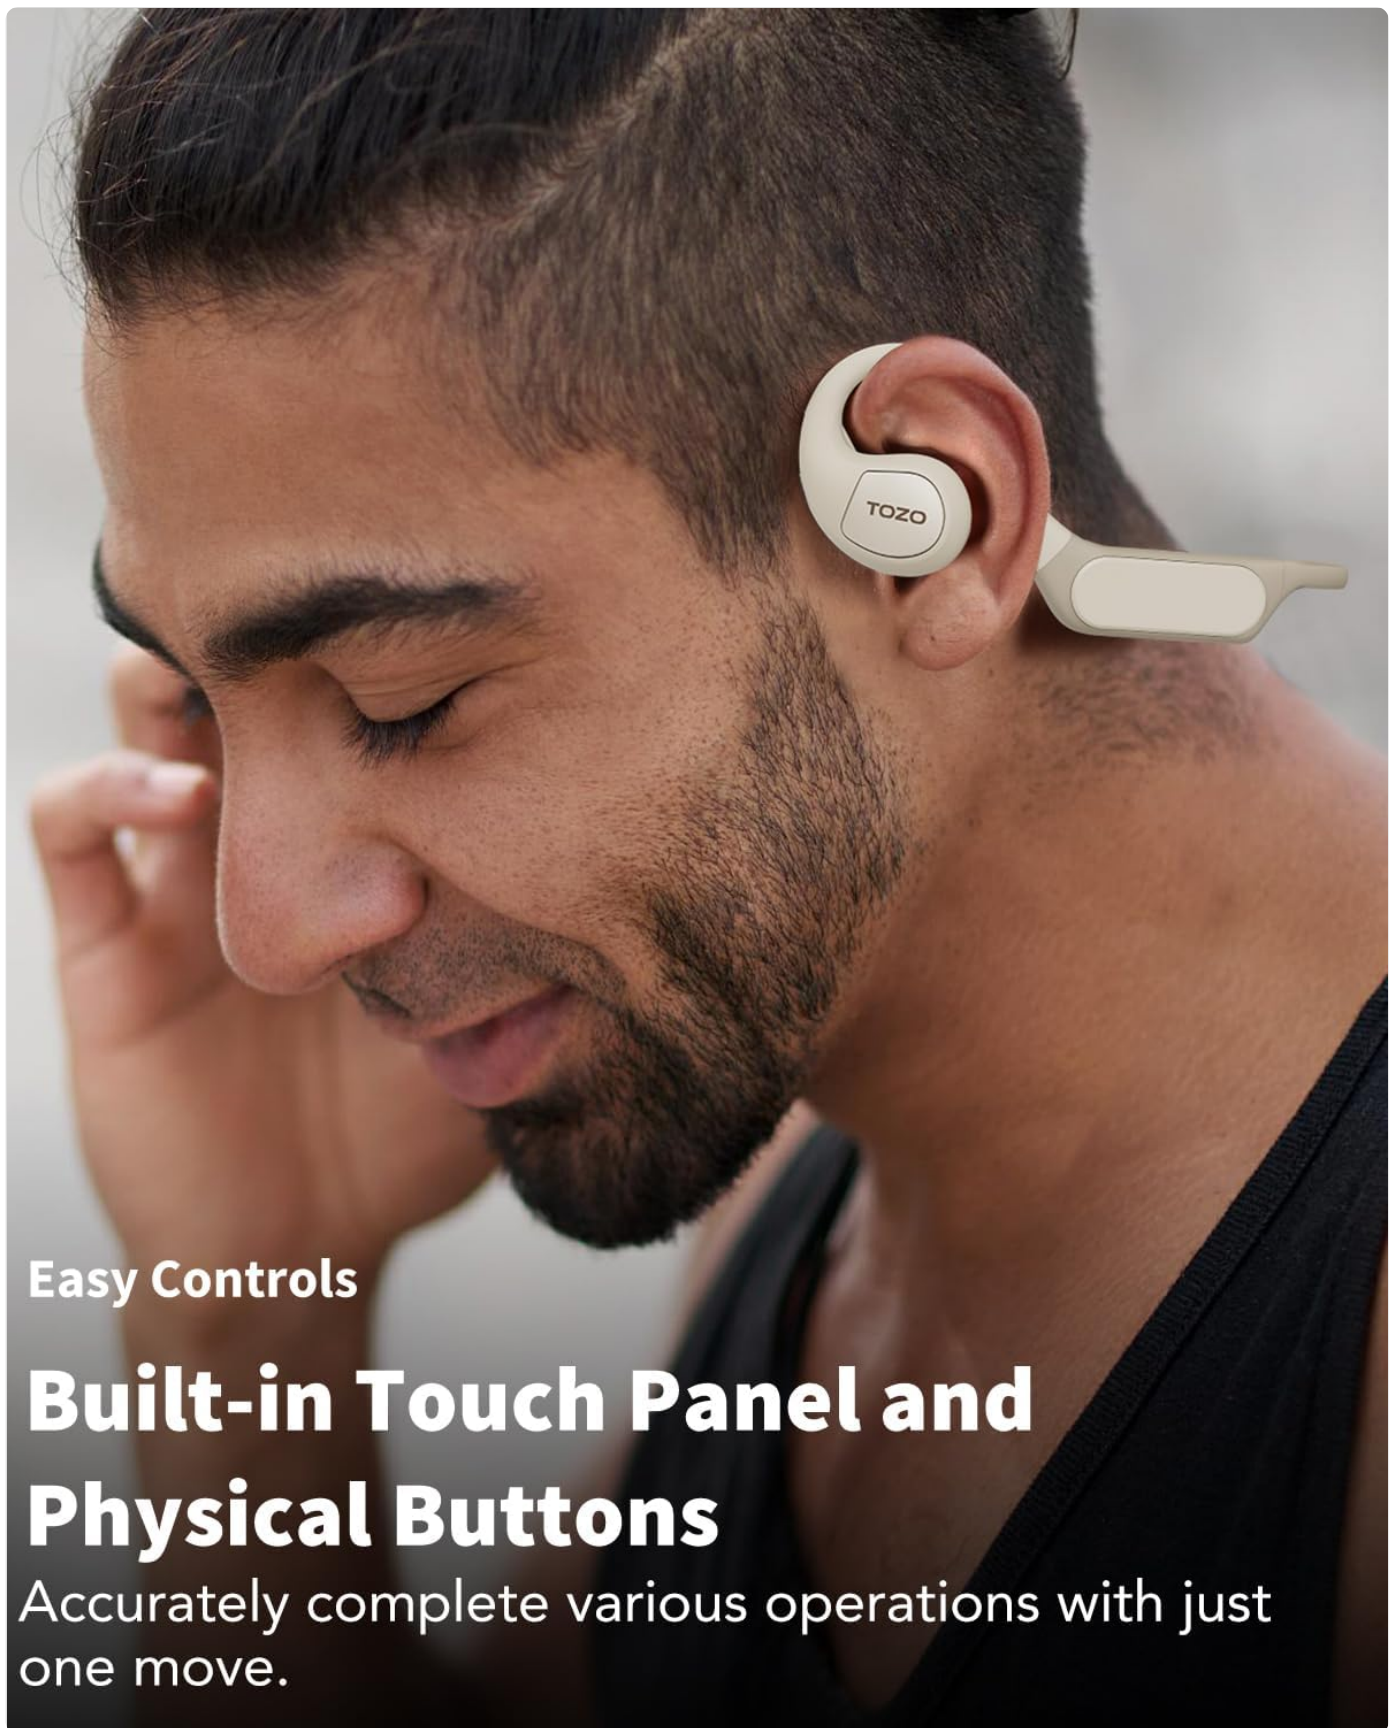

- TOZO OpenReal Open Ear Headphones
- USB-C (A to C) cable (20")
- User Manual

PRODUCT OVERVIEW

Figure 1: TOZO OpenReal Headphones in Khaki. These headphones feature an open-ear design with a flexible band connecting the two earpieces.

The TOZO OpenReal headphones are designed for comfort and stability. The main unit consists of two earpieces connected by a flexible band that rests behind the head. Each earpiece houses the audio drivers and control components.

Easy Controls

Built-in Touch Panel and Physical Buttons

Accurately complete various operations with just one move.

Figure 2: User demonstrating the comfortable fit and accessible controls of the TOZO OpenReal headphones. The controls are located on the side of the earpiece for easy access.

Key components include the open-ear speakers, the flexible neckband, and integrated control buttons. The design ensures a secure fit for various activities while maintaining awareness of your surroundings.

SETUP

Initial Charging

Before first use, fully charge your TOZO OpenReal headphones. Connect the provided USB-C (A to C) cable to the magnetic charging port on the headphones and a compatible USB power source. Ensure the magnetic connector is properly aligned to initiate charging.

Note: Align magnets,
avoid reverse charging!

Long Battery Life

16-Hour Playtime and Quick Charge

Safely enjoy magnetic fast charging and 16-Hour continuous use.

Figure 3: Magnetic charging connection for the TOZO OpenReal headphones. A full charge provides up to 16 hours of playtime.

A 10-minute charge can provide up to 2 hours of playtime. A full charge typically takes approximately 1.5 hours.

Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the power button until the indicator light flashes, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for "TOZO OpenReal" in the list of available devices.
4. Select "TOZO OpenReal" to connect. Once connected, the indicator light will change, and you may hear an audible confirmation.

The headphones utilize Bluetooth 5.3 for a stable and low-latency connection.

MAINTENANCE

Cleaning

Regularly clean your headphones with a soft, dry, lint-free cloth. Avoid using abrasive materials, alcohol, or chemical cleaners. Gently wipe the earpieces and the neckband to remove any dust or debris.

Water Resistance (IPX8)

The TOZO OpenReal headphones are rated IPX8 waterproof, meaning they are protected against prolonged immersion in water. This makes them suitable for workouts and outdoor activities, providing resistance against sweat and rain. However, it is not recommended for swimming or prolonged submersion.

IPX8 Waterproof Rating

Sweat and Rain Resistance

Allowing you to confidently enjoy your workouts and outdoor activities without worrying about potential damage

Storage

Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures. When not in use for extended periods, ensure they are fully charged before storage to preserve battery life.

TROUBLESHOOTING

Problem	Solution
Cannot power on	Ensure the headphones are fully charged. Press and hold the power button for a few seconds.
Cannot pair with device	Ensure Bluetooth is enabled on your device. Make sure the headphones are in pairing mode (flashing indicator light). Move the headphones closer to your device. Forget "TOZO OpenReal" from your device's Bluetooth list and try pairing again.
No sound or low volume	Adjust the volume on both the headphones and your connected device. Ensure the headphones are properly connected to your device. Check if the audio source is playing.
Charging issues	Ensure the magnetic charging cable is correctly aligned and securely connected. Try a different USB power adapter or port. Clean the charging contacts on both the headphones and the cable.
