Official assembly video for the Hzuaneri Bathroom Storage Cabinet (BC083/BC382 models, similar to BC08201X).

This video demonstrates the step-by-step process of putting the cabinet together, including attaching the legs, assembling the main body, and installing the door and shelves.

Step-by-Step Assembly

1. **Assemble the Metal Base:** Attach the metal legs (N) to the connecting bars (O) using the provided screws. Ensure all connections are secure. Then, attach the adjustable feet to the bottom of the legs.
2. **Assemble the Lower Cabinet Section:** Connect the side panels (H, I) to the bottom panel (L) using the provided screws. Ensure the pre-drilled holes align.
3. **Attach the Back Panel:** Slide the back panel (J) into the grooves of the assembled lower section.
4. **Assemble the Upper Shelf Section:** Connect the side panels (B, C) to the top panel (D) and the middle shelf (A) using the provided screws.
5. **Install the Door Mechanism:** Attach the door catch (119) to the designated spot on the lower cabinet section (G).
6. **Connect Upper and Lower Sections:** Carefully align the upper shelf section with the lower cabinet section and secure them together using the provided fasteners.
7. **Install Adjustable Shelves:** Insert the shelf pins into the desired height holes within the cabinet. Place the adjustable shelves (C) onto the pins.
8. **Attach the Door:** Secure the door (M) to the lower cabinet section using the hinges and screws. Install the door knob.
9. **Install Anti-Tip Kit:** For safety, attach the anti-tip kit to the top rear of the cabinet and secure it to a wall stud according to the instructions provided with the kit.

5. MAINTENANCE

To maintain the appearance and longevity of your cabinet, follow these simple care instructions:

- Wipe clean with a damp cloth and mild cleaner.
- Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish.
- Periodically check and tighten all screws and fasteners to ensure stability.
- Keep the cabinet away from direct sunlight and excessive moisture to prevent warping or discoloration.

6. TROUBLESHOOTING

Common Issues and Solutions

- **Issue: Cabinet feels wobbly or unstable.**
Solution: Ensure all screws are fully tightened. Adjust the leveling feet at the bottom of the metal base to compensate for uneven floors. Verify the anti-tip kit is securely installed to the wall.
- **Issue: Door does not close properly.**
Solution: Check the alignment of the hinges and the door catch. Adjust if necessary. Ensure no obstructions are preventing the door from closing fully.
- **Issue: Missing parts during assembly.**
Solution: Double-check the package contents against the parts list in Section 2. If parts are still missing, please contact Hzueneri customer support for assistance.
