AufuN Extendable Wooden Daybed User Manual

Model: AF-(DJ1002B)

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your AufuN Extendable Wooden Daybed. Please read this manual thoroughly before beginning assembly or use to ensure safe and proper functionality. Keep this manual for future reference.

The AufuN Daybed is designed for versatility, serving as a comfortable sofa during the day and easily transforming into a spacious bed at night. Its natural wood design and white finish complement various interior styles, making it an ideal addition to bedrooms, guest rooms, or living areas.

2. SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the daybed on a soft, clean surface to prevent scratches.
- Always tighten all screws and bolts securely. Periodically check and re-tighten fasteners.
- Do not exceed the maximum weight capacity of **240 kg**.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Do not stand or jump on the daybed.
- Use only the recommended mattress size (90-182 cm x 200 cm).

3. PACKAGE CONTENTS

Your AufuN Extendable Wooden Daybed is shipped in two separate packages. Please ensure you have received both packages before beginning assembly.

While a detailed parts list is typically included with the product, common components include:

- Headboard and Footboard panels
- Side rails (fixed and pull-out)
- Slatted bed base sections

- Support legs
- Hardware (screws, bolts, nuts, Allen key)

Unit: CM

4. SETUP AND ASSEMBLY

Assembly typically requires two adults. Follow the step-by-step instructions provided in the separate assembly guide included with your product. The general steps are as follows:

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a soft, clean surface. Compare them with the parts list in your assembly guide.
2. **Assemble the Main Frame:** Attach the side rails to the headboard and footboard panels using the provided hardware. Ensure all connections are secure.
3. **Install Slatted Base:** Place the slatted bed base sections onto the frame supports. Secure them according to the assembly guide.
4. **Assemble Pull-out Section:** Construct the pull-out bed frame, including its legs and slatted base.
5. **Integrate Pull-out:** Slide the assembled pull-out section under the main daybed frame.
6. **Final Check:** Ensure all screws and bolts are tightened. The daybed should be stable and level.

5. OPERATING INSTRUCTIONS

5.1 Using as a Sofa or Single Bed (Compact Mode)

In its compact configuration, the daybed functions as a comfortable sofa or a single bed. Simply place a 90 cm x 200 cm mattress (not included) on the main slatted base.

Image 5.1: The daybed serving as a comfortable sofa in its compact form.

5.2 Extending to a Double Bed (Extended Mode)

To transform the daybed into a double bed (180 cm x 200 cm), follow these steps:

1. **Clear the Area:** Ensure there is enough space in front of the daybed for the pull-out section to extend fully.
2. **Pull Out:** Gently pull the lower, pull-out section of the daybed outwards. It should slide smoothly on its casters or glides.
3. **Align and Secure:** Once fully extended, ensure the pull-out section is aligned with the main frame.
4. **Add Second Mattress:** Place a second 90 cm x 200 cm mattress (or a single 180 cm x 200 cm mattress if designed for it) onto the extended slatted base.

Image 5.2: The daybed fully extended, providing a spacious sleeping area for two.

5.3 Retracting to Compact Mode

To return the daybed to its compact configuration:

1. **Remove Mattress:** If a second mattress was used, remove it from the pull-out section.
2. **Push In:** Gently push the pull-out section back underneath the main daybed frame until it is fully retracted.

6. CARE AND MAINTENANCE

- **Cleaning:** Wipe the wooden surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Dusting:** Regularly dust the daybed with a dry, soft cloth.
- **Fasteners:** Periodically check all screws, bolts, and connections to ensure they are tight. Re-tighten if necessary to maintain stability and safety.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause the wood to fade or warp.

- **Moisture:** Protect the daybed from excessive moisture and humidity. Wipe up spills immediately.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Daybed feels wobbly or unstable.	Loose fasteners.	Check and tighten all screws and bolts.
Pull-out section is difficult to slide.	Obstruction or misaligned.	Check for objects underneath. Ensure the track is clear. Re-align the pull-out section.
Parts missing after unpacking.	Shipped in multiple packages; one package might be delayed.	Verify if all packages have arrived. Contact customer support if parts are genuinely missing.

8. SPECIFICATIONS

Feature	Detail
Brand	Aufun
Model Number	AF-(DJ1002B)
Color	White
Material	Solid Pine Wood + MDF
Product Dimensions (L x W x H)	Compact: 206 cm x 98 cm x 66 cm Extended: 206 cm x 187 cm x 66 cm
