LITTLE TREE SU155

LITTLE TREE Bookcase with LED Light and Doors (Model SU155) - Instruction Manual

1. INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your LITTLE TREE Bookcase with LED Light and Doors, Model SU155. This versatile bookcase features a minimalist design, LED lighting, and ample storage with shelves and drawers, suitable for various rooms and purposes.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always follow the assembly instructions provided.
- Do not exceed the weight capacity of 100 pounds for the entire unit. Distribute weight evenly across shelves and drawers.
- Keep fingers away from doors and drawers when in motion to prevent pinching.
- Use caution when moving the bookcase to avoid tipping. It is recommended to empty the unit before moving.
- Ensure the bookcase is placed on a flat, stable surface.
- If wall mounting is desired, use appropriate hardware for your wall type and consult a professional if unsure.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Bookcase Panels (Top, Bottom, Sides, Shelves, Back)
- Drawer Components
- Acrylic Doors
- Hardware Kit (screws, dowels, cam locks, hinges, drawer slides, handles, adjustable foot pads)
- LED Light Strip

- Remote Control for LED Lights
- Assembly Instructions Manual

4. ASSEMBLY INSTRUCTIONS (SETUP)

Assembly is required for this bookcase. Please follow the step-by-step instructions provided in the separate assembly manual included in your package. Ensure you have adequate space and the necessary tools (typically a screwdriver) before starting.

1. Unpack all components and verify against the package contents list.
2. Identify each panel and hardware piece using the diagrams in the assembly manual.
3. Assemble the main frame of the bookcase according to the numbered steps.
4. Install the shelves and drawer slides.
5. Assemble and install the drawers.
6. Attach the acrylic doors using the provided hinges.
7. Install the LED light strip in the designated areas.
8. Attach the adjustable foot pads to the base of the bookcase.

9. Once assembled, ensure all connections are secure and the unit is stable.

5. OPERATING INSTRUCTIONS (LED LIGHTING)

The bookcase features built-in RGB LED lights that can be customized using the included remote control.

5.1. Connecting Power

Connect the LED light strip's power cable to a standard electrical outlet. Ensure the connection is secure.

5.2. Using the Remote Control

The remote control allows you to adjust the LED lights:

- **Power Button:** Press to turn the LED lights ON or OFF.
- **Color Selection:** Choose from 15 different colors by pressing the corresponding color buttons.
- **Brightness Adjustment:** Use the "Dimming Brightness" buttons (up/down arrows) to increase or decrease the light intensity.
- **Light Modes:** Select from 4 adjustable light modes (e.g., Flash, Strobe, Fade, Smooth) to create dynamic lighting effects.

-  **15 Adjustable Color Lights**
-  **Dimming Brightness**
-  **4 Adjustable Light Modes**

6. MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your bookcase.

- **Cleaning:** The smooth surface of the bookcase is easy to clean. Wipe with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Dusting:** Regularly dust the shelves and surfaces with a dry, soft cloth.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **LED Lights:** If the LED lights stop working, first check the power connection and the remote control battery.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Bookcase is wobbly or unstable.	Uneven floor; loose connections; adjustable foot pads not properly set.	Ensure the bookcase is on a flat surface. Tighten all assembly screws. Adjust the foot pads at the base to level the unit.
LED lights are not turning on.	Power cable disconnected; remote control battery depleted; LED strip malfunction.	Check if the power cable is securely plugged into the outlet and the LED strip. Replace the remote control battery. If the issue persists, contact customer support.
Drawers are difficult to open/close.	Improper installation of drawer slides; obstruction; excessive weight.	Review assembly instructions for drawer slide installation. Check for any objects obstructing the drawer path. Reduce the weight inside the drawer.

8. SPECIFICATIONS

Feature	Detail
