2. SAFETY INFORMATION

Please read and adhere to the following safety guidelines to ensure safe use of your dining table set:

- Always supervise children when they are using the table set.
- Keep the table and benches away from walls and other objects to prevent tip-over.
- Do not place excessively heavy objects on the tabletop to avoid damage or injury.
- Exercise caution around sharp edges during assembly and use.
- Ensure all connections are securely tightened after assembly and periodically check for looseness.

3. SETUP AND ASSEMBLY

Assembly of the iPormis 5-Piece Dining Table Set is required. The package includes step-by-step instructions and all necessary hardware and tools for a straightforward setup. Follow the detailed installation manual and use the clearly labeled components to streamline the process.

If you encounter any missing parts, defective items, or require assistance with assembly, please contact iPormis customer support immediately.

Table Expansion Process

The table features an effortless expansion mechanism:

1. Grasp both sides of the table.
2. Pull the table apart horizontally to reveal the extension mechanism.
3. Drop the extension board into the middle slot.
4. Push the table sides inward until the buckles click shut, securing the extension board.

4. OPERATING INSTRUCTIONS

The iPormis dining set is designed for flexible use in various settings. Its primary function is to provide a stable and adaptable dining surface with seating for multiple individuals.

Adjusting Seating Capacity

The table can be used in its compact form for 4-6 people or extended to accommodate 6-8 people. The benches are designed to fit 2 adults or 3 children each, while the stools provide individual seating.

Image 4.1: A visual comparison of the seating capacity, showing how the table accommodates 4-6 people when unextended and 4-8 people when fully extended.

5. MAINTENANCE AND CARE

To maintain the appearance and longevity of your iPormis dining table set, follow these care instructions:

- **Cleaning:** Wipe surfaces with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the

finish.

- **Spills:** Promptly clean any spills to prevent staining, especially on the MDF board surfaces.
- **Protection:** Use placemats or coasters to protect the tabletop from heat, moisture, and scratches.
- **Inspection:** Periodically check all screws and bolts to ensure they remain tight. Retighten as necessary to maintain stability.

Image 5.1: This image highlights the material properties of the table, including MDF wood construction, wear-resistance, stain-resistance, and ease of cleaning, which contribute to its durability and simple maintenance.

6. TROUBLESHOOTING

While the iPormis dining table set is designed for durability and ease of use, minor issues may arise. This section provides general guidance.

- **Wobbling:** If the table or seating components wobble, check all assembly screws and bolts. Ensure they are fully tightened. Uneven flooring can also cause wobbling; consider using furniture pads or shims.
- **Extension Mechanism Sticking:** If the table extension mechanism is difficult to operate, ensure no debris is obstructing the tracks. Lightly lubricate the tracks with a silicone-based spray if necessary, avoiding oil-based

lubricants that can attract dust.

- **Surface Damage:** For minor scratches or scuffs, furniture repair markers or polishes designed for MDF surfaces may be used. For significant damage, contact customer support.

For issues not covered here or if problems persist, please contact iPormis customer support for further assistance.
