# Aroepurt Slim Flip Stand Case User Manual

For Whoop Tab-8us2 8.0-Inch Tablet

## 1. INTRODUCTION

This manual provides detailed instructions for the proper use and maintenance of your Aroepurt Slim Flip Stand Case, designed specifically for the Whoop Tab-8us2 8.0-Inch Tablet. Please read this manual thoroughly to ensure optimal performance and longevity of your product.

## 2. PRODUCT OVERVIEW

The Aroepurt Slim Flip Stand Case is a protective cover designed to safeguard your Whoop Tab-8us2 8.0-Inch Tablet from daily wear and tear. It features a slim profile, a flip cover, and a built-in stand function for convenient viewing.

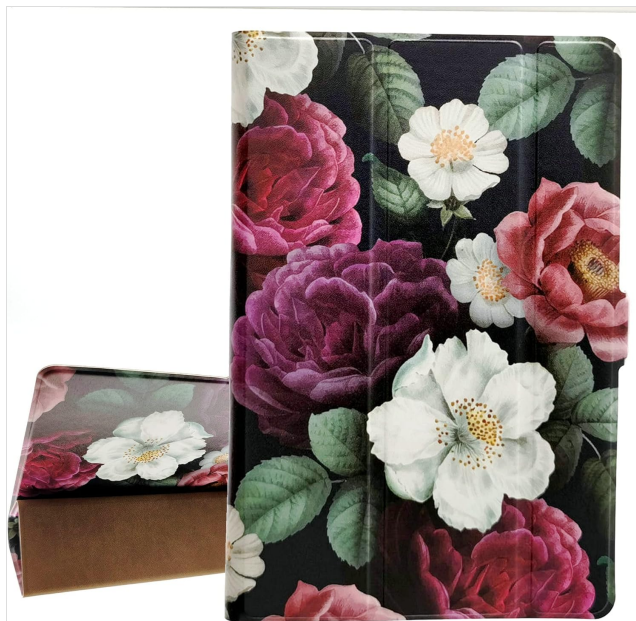

Image 1: Front view of the Aroepurt Slim Flip Stand Case, displaying its floral design and slim profile.

## 3. KEY FEATURES

- **Enhanced Protection:** Features four protective corners designed to minimize the risk of damage from accidental drops.
- **Magnetic Closure:** Side magnets ensure the case closes securely, contributing to a thinner and lighter product design.
- **Durable Design:** The exquisite inkjet pattern maintains its brightness over time without fading.
- **Integrated Stand Function:** The case can be folded to position your tablet in a standing orientation for hands-free viewing.
- **Slim Profile:** Designed to be slim and lightweight, adding minimal bulk to your tablet.

## 4. SETUP AND INSTALLATION

---

1. **Prepare Your Tablet:** Ensure your Whoop Tab-8us2 8.0-Inch Tablet is clean and free of dust or debris.
2. **Align the Tablet:** Gently align your tablet with the case, ensuring the camera, ports, and buttons match the cutouts in the case.
3. **Insert the Tablet:** Carefully push the tablet into the case, starting with one side or corner, until it is fully seated and secure within the protective frame. Ensure all four corners of the tablet are properly covered by the case's protective corners.
4. **Verify Fit:** Once installed, check that the tablet is snug and does not move freely within the case. Confirm that all ports and buttons are accessible and functional.

## 5. OPERATING INSTRUCTIONS

---

### 5.1 Using the Flip Cover

The case features a flip cover that protects the tablet's screen when closed. To open, simply lift the cover from the side. The integrated side magnets will keep the cover securely closed when not in use.

### 5.2 Utilizing the Stand Function

To use the stand function, fold the front cover back and position it to create a triangular support. This allows the tablet to stand upright for hands-free viewing, ideal for watching videos or making video calls.

## 6. MAINTENANCE

---

To keep your Aroepurt Slim Flip Stand Case in optimal condition:

- **Cleaning:** Wipe the case with a soft, damp cloth to remove dust and fingerprints. Avoid using harsh chemicals or abrasive cleaners, as these may damage the material or the printed pattern.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight to prevent material degradation or fading of the pattern.
- **Avoid Extreme Conditions:** Do not expose the case to extreme temperatures or excessive moisture.

## 7. TROUBLESHOOTING

### 7.1 Case Does Not Fit Properly

Ensure that your tablet is indeed the Whoop Tab-8us2 8.0-Inch model. This case is specifically designed for this model. If you have a different tablet model, the fit may not be correct. Double-check the tablet's model number, usually found in the device's settings under "About tablet" or "System information."

### 7.2 Stand Function is Unstable

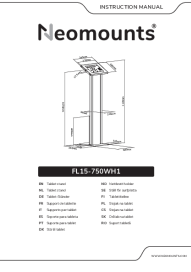

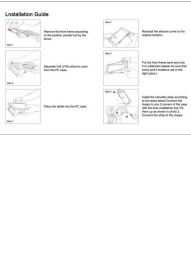

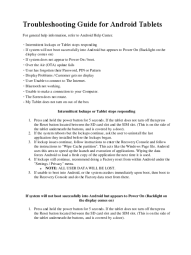

Ensure the front cover is folded correctly to form a stable triangular base. The stability may vary depending on the surface the tablet is placed on. Adjust the angle for better balance.
