Hulaed Q28

Hulaed Q28 Open Ear Headphones User Manual

Model: Q28

Product Overview

The Hulaed Q28 Open Ear Headphones offer an innovative open-ear design for comfortable, long-term wear without inserting into the ear canal. Featuring Bluetooth 5.3 connectivity and 16.2mm speakers, these headphones deliver immersive sound with extended battery life, making them ideal for various activities including workouts and daily use. The included charging case provides up to 49 hours of total playtime, with a digital display to monitor power levels.

Package Contents

Upon opening the package, please ensure all items are present and in good condition:

- Hulaed Q28 Open Ear Headphones (Left and Right earbuds)
- Charging Case
- USB Charging Cable
- User Manual (this document)

Setup

1. Initial Charging

Before first use, fully charge the headphones and the charging case. Place the earbuds into the charging case. Connect the charging case to a power source using a compatible USB cable. The digital display on the charging case will indicate the charging status and battery percentage. A full charge typically takes approximately 1.5 to 2 hours.

2. Pairing with a Device

1. Ensure the headphones are charged and inside the charging case.
2. Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing LED light on the earbuds.
3. On your device (smartphone, tablet, laptop), navigate to the Bluetooth settings.
4. Search for available devices and select "Q28" from the list.
5. Once connected, a voice prompt will confirm successful pairing, and the LED light on the earbuds will stop flashing.

The headphones will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.

Operating Instructions

Wearing the Headphones

The Q28 headphones feature an open-ear design with flexible ear hooks. Gently place the earbud over your ear, ensuring the hook rests securely and comfortably around the back of your ear. The speaker portion should sit just outside your ear canal, allowing for situational awareness while enjoying audio.

Image: A close-up view of a Hulaed Q28 earbud correctly positioned on an ear, demonstrating its open-ear design and secure fit.

Button Controls

The Q28 headphones utilize intuitive button controls located on each earbud. Refer to the table below for common functions:

Action	Function
Single Press (Left/Right)	Play/Pause Music, Answer/End Call

Action	Function
Double Press (Right)	Next Track
Double Press (Left)	Previous Track
Triple Press (Right)	Volume Up
Triple Press (Left)	Volume Down
Long Press (2 seconds)	Reject Call, Activate Voice Assistant

Note: Specific control responsiveness may vary slightly depending on the connected device and application.

Maintenance and Care

Proper maintenance ensures the longevity and optimal performance of your Hulaed Q28 headphones:

- **Cleaning:** Use a soft, dry, lint-free cloth to wipe the earbuds and charging case. Do not use abrasive cleaners, alcohol, or chemical solvents.

- **Water Resistance:** The headphones are water-resistant, suitable for sweat and light rain. They are not designed for submersion in water. Avoid exposing them to excessive moisture or liquids.
- **Storage:** When not in use, store the headphones in their charging case to protect them from dust and damage. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To preserve battery life, avoid fully discharging the headphones frequently. Charge them regularly, even if not used for extended periods.

Troubleshooting

Problem	Possible Cause	Solution
Headphones not pairing/connecting	Bluetooth off, out of range, low battery, previously paired to another device.	Ensure Bluetooth is on. Move closer to device. Charge headphones. Disconnect from other devices or forget "Q28" in Bluetooth settings and re-pair.
No sound or low volume	Volume too low on headphones/device, not properly connected, audio source issue.	Increase volume on both headphones and device. Reconnect headphones. Check audio source.
Intermittent connection/sound drops	Interference, too far from device, obstacles, low battery.	Reduce distance to device. Avoid strong electromagnetic interference. Charge headphones.
Headphones not charging	Charging cable/adapter faulty, poor connection, dirty charging contacts.	Check cable and adapter. Ensure earbuds are correctly seated in case. Clean charging contacts with a dry cotton swab.

Specifications
