Keeppley K28002

Keeppley City Street Corner Building Blocks Set K28002

Model: K28002

Introduction Safety Information Setup Operating Maintenance Troubleshooting Specifications

1. Introduction

Welcome to the Keeppley City Street Corner Building Blocks Set K28002 instruction manual. This set allows you to construct a detailed city street corner building, offering an engaging and educational building experience. Please read this manual carefully before beginning assembly to ensure proper construction and safe use.
This building block set is designed for individuals aged **12 years and above**.

2. Safety Information

Please observe the following safety guidelines:

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep all small components away from infants and young children.
- **Age Recommendation:** This set is recommended for ages 12 and above. Adult supervision is advised for younger builders within the recommended age range.
- **Material Safety:** The blocks are made from high-quality ABS plastic. Do not ingest any parts.
- **Proper Handling:** Avoid throwing or forcefully connecting blocks, as this may cause damage to the pieces or injury.

3. Setup and Assembly

Follow these general steps to assemble your Keeppley City Street Corner Building Blocks Set:

1. **Unpack Components:** Carefully open the packaging and remove all bags containing building blocks and the instruction booklet.
2. **Organize Pieces:** Sort the building blocks by color, size, or type as indicated in the instruction booklet. This will

simplify the assembly process.

3. **Follow Instructions:** Refer to the included step-by-step instruction booklet for detailed assembly guidance. Each step will illustrate which pieces to use and how to connect them.
4. **Connect Firmly:** Ensure each block is firmly connected to the previous one to create a stable structure.
5. **Verify Steps:** Periodically review your progress against the instruction booklet to ensure accuracy.

4. Operating and Display

Once assembled, your Keeppley City Street Corner model can be used for imaginative play or as a decorative display piece.

- **Imaginative Play:** Engage in creative storytelling and role-playing with your assembled building. The architectural theme encourages imaginative scenarios.

- **Display:** Place your finished model on a shelf, desk, or display cabinet. Its detailed design makes it an attractive addition to any room.
- **Combine Sets:** This model is part of a series. You can collect and connect other Keeppley City Street Corner sets to create a larger, more vibrant street scene.

5. Maintenance

To ensure the longevity and appearance of your building block set, follow these maintenance tips:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. For more stubborn dirt, lightly dampen the cloth with water. Avoid using harsh chemicals, abrasive cleaners, or excessive water, as these can damage the plastic or printed details.
- **Storage:** Store the assembled model or disassembled pieces in a cool, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to sunlight can cause colors to fade.
- **Handling:** Handle the model with care to prevent accidental disassembly or breakage of small parts.

6. Troubleshooting

If you encounter any issues during assembly or use, refer to the following common solutions:

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Missing pieces	Packaging error or lost during unpacking.	Carefully check all packaging materials. If pieces are genuinely missing, contact Keeppley customer support.
Blocks do not connect firmly	Incorrect piece orientation or debris in connection points.	Ensure the blocks are aligned correctly. Check for any small debris in the studs or holes and remove it.
Assembled structure is unstable	Some connections are loose or steps were skipped/incorrectly followed.	Review the instruction booklet from the beginning, paying close attention to each connection point. Press all blocks firmly together.

7. Specifications
