- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the bamboo finish.

- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.
- **Environment:** Avoid placing the furniture in direct sunlight or near heat sources to prevent warping or discoloration. Maintain a stable humidity level.

#### 5. TROUBLESHOOTING

If you encounter any issues with your UNICOO C007 desk and chair set, please refer to the following common solutions:

- **Wobbling Desk/Chair:** Check all assembly screws and ensure they are securely tightened. Use the adjustable foot pads on the desk to stabilize it on uneven floors.
