Tribesigns 6.5FT Conference Table User Manual

Model: JL-YS0134-CF-DUR

Introduction

Thank you for choosing the Tribesigns 6.5FT Conference Table. This manual provides essential information for the proper assembly, use, maintenance, and troubleshooting of your new conference table. Please read these instructions carefully before beginning assembly and retain this manual for future reference.
This durable and versatile table is designed to comfortably accommodate 6-8 people, making it ideal for various business meetings, seminars, and collaborative workspaces. Its sturdy construction with engineered wood and metal legs ensures long-lasting performance.

Important Safety Information

WARNING: Keep table away from high-traffic areas to prevent accidents. Secure table to the floor during use to prevent tipping. Always follow assembly instructions carefully to ensure safe and stable setup.

- Ensure all parts are present and undamaged before assembly.
- Do not overtighten screws during assembly, as this may damage the material.
- Place the table on a flat, stable surface to prevent wobbling.
- Do not stand or sit on the table.
- Keep small parts away from children during assembly.

Package Contents

Before beginning assembly, please verify that all components listed below are included in your package:

- Tabletop sections (Engineered Wood)
- Metal Legs
- Adjustable Foot Pads
- Assembly Hardware (screws, bolts, etc.)
- Assembly Guide (this manual)

If any parts are missing or damaged, please contact Tribesigns customer support immediately.

Setup and Assembly

The Tribesigns 6.5FT Conference Table is designed for easy assembly. It is recommended that two people assemble the table for optimal safety and efficiency. All necessary tools are included.

Tools Required:

- Screw Driver (included)
- Allen Key (included)

Assembly Steps:

1. **Step 1: Unpack and Identify Parts**

   Carefully unpack all components and lay them out on a clean, soft surface (e.g., a blanket or cardboard) to prevent scratches. Refer to the included parts list to identify each component.

   Image: All table components, including tabletops, legs, and hardware, laid out for identification.

2. **Step 2: Attach Legs to Tabletop Sections**

   Align the metal legs with the pre-drilled holes on the underside of the tabletop sections. Secure them using the

provided screws and the Allen key. Ensure all connections are firm but do not overtighten.

3. **Step 3: Connect Tabletop Sections**

   If your table consists of multiple tabletop sections, carefully align them and use the connecting hardware to join them securely. Ensure the surfaces are flush.

Image: Illustration showing how two tabletop sections are connected to form the full table surface.

4. **Step 4: Attach Adjustable Foot Pads**

   Screw the adjustable foot pads into the bottom of each metal leg. These pads help stabilize the table on uneven floors and protect your flooring from scratches.

5. **Step 5: Final Placement and Adjustment**

   Carefully lift and move the assembled table to its desired location. Adjust the foot pads as needed to ensure the table is level and stable. The table can accommodate 6-8 people comfortably.

Operating Instructions

The Tribesigns Conference Table is designed for straightforward use in various settings. Its primary function is to provide a stable and spacious surface for meetings, work, or other activities.

Usage Guidelines:

- **Seating Capacity:** The table is designed to comfortably seat 6-8 individuals.
- **Weight Limit:** Do not exceed the maximum weight recommendation of 200 pounds on the tabletop.
- **Surface Protection:** While the desktop is waterproof and scratch-resistant, using coasters or placemats for hot items or liquids is recommended to prolong its lifespan.
- **Versatile Arrangement:** The modular design allows for various configurations to suit different meeting needs.

Image: Visual guide demonstrating different ways the conference table can be arranged to accommodate various group sizes and meeting styles.

Care and Maintenance

Proper care will ensure the longevity and appearance of your Tribesigns Conference Table.

- **Cleaning:** Wipe the table surface with a dry, soft cloth. For spills, use a damp cloth and mild soap, then dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Protection:** Protect the surface from direct sunlight and extreme temperature changes to prevent warping or discoloration.
- **Foot Pads:** Periodically check and adjust the foot pads to ensure the table remains level and stable.
- **Hardware:** Occasionally check all screws and bolts to ensure they are tight. Retighten if necessary, but do not overtighten.

Troubleshooting

If you encounter any issues with your Tribesigns Conference Table, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Table is wobbly or uneven.	Uneven floor; loose connections; foot pads not adjusted.	Adjust the adjustable foot pads until the table is stable. Check and tighten all assembly screws. Ensure the table is on a flat surface.
Scratches on tabletop.	Sharp objects; abrasive cleaning materials.	Use coasters or placemats. Avoid dragging objects across the surface. Clean with a soft cloth.

Problem	Possible Cause	Solution
Parts missing or damaged upon arrival.	Shipping damage; packaging error.	Do not proceed with assembly. Contact Tribesigns customer support immediately with your purchase details.
