## Battery Installation

The RC159 remote control requires two AAA batteries (not included). Follow these steps to install them:

1. Locate the battery compartment cover on the back of the remote control.
2. Press down on the tab and slide the cover downwards to open the compartment.
3. Insert two AAA batteries, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Slide the battery compartment cover back into place until it clicks securely.

## MAINTENANCE

---

### Cleaning

To clean the remote control, use a soft, dry cloth. Do not use liquid cleaners, sprays, or abrasive materials, as these can damage the remote's surface or internal components.

### Storage

When not in use for extended periods, remove the batteries to prevent leakage and potential damage to the remote control. Store the remote in a cool, dry place away from direct sunlight and extreme temperatures.
